HARRISBURG ROUNDUP WILL START TODAY

Tri-State Managers Show Activity in Planning For the Approaching Season

With the arrival of Manager George Cockill in Harrisburg to-day began the rounding up of the Harrisburg squad from which will be picked the team for the coming season.

With the exception of Manager Zeke Wrigley, of Trenton, all Tri-State managers have arranged for the preliminary games. Manager Heckert signed his first two men yesterday for the York club when the contracts of Carl Williams, pitcher, and Allen Boyne, infielder, were received. Other contracts are expected daily.

Reading fans are very much elated over the announcement of George M. Graham, president of the league, to the effect that Connie Mack, manager of the world's champions, is financially interested in the "Pretzels" this year and will use the team as a farm during the season.

Wilmington will lose several good players from last year's team, but Manager Jackson has already made preliminary arrangements for filling their places. The only trouble he is experiencing now is with Doc Kerr, who does not want to play with the Chicks. Kerr claims he was not tendered a contract prior to February 1 and hence is a free agent. Jackson says he did get a contract.

Allentown will report for practice April 20 and two days later will play its first game, with the Gettysburg College team. Albright College, Lebanon Valley and other fast collegiate nines will follow.

Yale Easy Winner; Snowed Penn Under

Special to The Telegraph. New Haven, Conn., Feb. 25.—The University of Pennsylvania basketball team lost to Yale in a slow game last night by the score of 20 to 8. The first half started with a rush, Pennsylvania scoring first on a free throw by Bloom and Smith scored a field goal as soon as the ball was put in play. Bloom tied it up 2 to 2. Neither side scored for five minutes, although both teams rained shots around the basket. The Penn team passed all around the Yale team, but could not score, missing shot after shot under the basket.

In the second half the Yale team started with a terrific clip and scored goals from all angles, and the Penn team seemed to be fagged out, Arnold leading in the scoring.

Swihart, Smith and Arnold were the Yale stars, and Wallace and Freed played the best game for Pennsylvania. The line-up and summary:

Yale: Stackpole, f. (Crane) Bullett, f. Arnold, f. Freed, f. Smith, c. Freed, f. (Hardwick, Connolly) Swihart, g. (Olsen) Seebach, c. Wilson, g. Bloom, g. (Whelan) Wallace, g.

Elizabethtown Gir's Winner; Defeated St. Cecilia Tossers

Visitors Had More Weight Which Was a Big Factor in Last Night's Victory; Close Score

In an exciting and brilliantly played game by girls' basketball teams the Elizabethtown five last night on Cathedral floor defeated the St. Cecilia Girls, score 8 to 6.

Weight was a factor in the victory of the Elizabethtown girls, but the visitors showed the results of careful training, passed well, were strong in guarding and excelled in goal shooting. The first half ended with a score of 4 to 2 for the visitors.

Four girls did the scoring throughout the game. Miss Engle and Miss Falkenstein scored all the points for Elizabethtown. Miss Eckenrode and Miss Sweeney were the Harrisburg stars. The work of Miss Kline, a forward for the visitors, also attracted much attention. The guarding of Miss Hilton, for Elizabethtown, and Miss Kelley, for St. Cecilia, deserves special mention. Between the halves the Hassetts Juniors defeated the Elizabethtown High School five, score 68 to 9.

GIANTS WIN AGAIN

Ban Johnson Active; Federal League Quakes

Chicago, Feb. 25.—There is one man in organized baseball who is going hot foot after the Federal League. His name is Ban Johnson.

Johnson is said to have lined up Charles P. Taft, who purchased Murphy's interests in the Cubs. Ban's plan is said to call for the sale of the Chicago Cubs' stock, now owned by Taft, to Charles Weeghman, owner of the Chicago Federal League franchise, at the same price Taft paid Murphy, said to be \$503,500. That would take from the Federals one of their principal backers.

Ban would then force Hedges to sell out his interests in the St. Louis Browns to Otto Stifel, the Federal League backer in the Missouri city, and guarantee to the Ward brothers, of New York, that organized baseball would make good any losses they sustained through preliminary work, if they abandon their plan of placing a Federal team in Brooklyn.

FEDERALS WANT MATHEWSON; OFFER WILL BE CONSIDERED

Los Angeles, Cal., Feb. 25.—"I have received the Federals' offer and I will give it careful and serious consideration," Christy Mathewson said last night in regard to a proposition made him to manage the Brooklyn Federal League team at his own terms.

"It is not only the salary. There are a number of other considerations which enter into the matter," he said.

BIG EATERS GET KIDNEY TROUBLE

Take Salts at first sign of Bladder irritation or Backache

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out; they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

YOU can imitate most everything but the mind, and that's the reason the cigars that look like

don't smoke like them. Fifty years of "know how" is the secret of that quality that's immune from imitation.
