GAME IS STARVING IN MIFFLIN COUNTY

Wild Turkeys and Pheasants Come
to Fields and Wildcats
Raid Chickencoops

Special to The Telegraph
Lewistown, Feb. 25.—The roughest
winter weather that Mifflin county has
experienced in twenty years is driving
wild turkeys, pheasants and other wild
game into the fields near human habi-
tation for food. In several sections of
the county wildcats have made raids
on chickencoops. The Rod and Gun
Club of this place will feed the game.
A farmer from Center county reports
passing a large flock of wild turkeys
on his way to this place. He says
they seemed but little scared at his
passing close to them.

Starvation Will Not Cure Dyspepsia

But a Stuart's Dyspepsia Tablet
Will Enable You to Eat Your
Meals Without Suffering
After Doing So.

Every person knows that to live in a
healthy, happy manner we must eat.
Diet, starvation, predigested food, etc.,
are not the correct methods of elimi-
nating digestion disorders.
Many dyspeptics know that they
must eat and so they go to their meals
in a half-hearted manner. When they
see food before them they are made
miserable. Their judgments tell them
to eat, but their stomachs revolt at
the idea and so whatever food they
consume does them more harm than
good.

"If I Were Sure This Meal Would Not
Injure Me I Would Eat For I Am
Losing Weight Every Day."

In cases of dyspepsia, catarrh of the
stomach, gastritis, heartburn, brash,
acid breath, bowel complaint, stom-
ach trouble, etc., a Stuart's Dyspepsia
Tablet taken after each meal will do
more good than anything you have
ever tried.

You simply cannot realize how these
little digesters put away a meal, with-
out effort, pain or distress and at the
same time so build up the digestive
apparatus as to make the next meal
more easily taken care of.

To understand what Stuart's Dys-
pepsia Tablets are composed of is to
realize that when they reach the stom-
ach they dissolve into digestive juices
just as desired by Nature. They hold
ingredients which the healthy stom-
ach is supplied with and the unhealthy
stomach lacks.

These natural qualities have a great
digestive influence upon all food. One
grain, of one ingredient contained in
Stuart's Dyspepsia Tablets is sufficient
to digest 3,000 grains of food.

When you have taken this a single
thoughtful consideration you will then
understand why it is that Stuart's Dys-
pepsia Tablets are the greatest stom-
ach and dyspepsia remedy known to-
day.

Thousands of stomach sufferers all
over this country, who have been re-
lieved of all kinds of digestive dis-
eases, are the influences which have
been taken into this sold by druggists
in every city, town and village in this
country.

Go to your druggist to-day and ob-
tain a box. Price, 50 cents.—Adver-
tisement.

COMB SAGE TEA IN LIFELESS, GRAY HAIR

Look Young! Common Garden Sage
and Sulphur Darkens So Naturally
Nobody Can Tell

Grandmother kept her hair beau-
tifully darkened, glossy and abundant
with a brew of Sage Tea and Sulphur.
Whenever her hair fell out or took on
that dull, faded or streaked appear-
ance, this simple mixture was applied
with wonderful effect. By using this
any drug store for "Wyeth's Sage and
Sulphur Hair Remedy," you will get a
large bottle of this old-time recipe,
ready to use, for about 50 cents. It is a
simple mixture can be depended upon to
restore natural color and beauty to
the hair and is splendid for dandruff,
dry, itchy scalp and falling
hair.

A well-known downtown druggist
says everybody uses Wyeth's Sage and
Sulphur, because it darkens so nat-
urally and evenly that nobody can
tell it has been applied—it's so easy to
use, too. You simply dampen a comb
or soft brush and draw it through your
hair, taking one strand at a time. By
morning the gray hair disappears;
after another application or two, it is
restored to its natural color and looks
glossy, soft and abundant.—Adv.

ICE GORGE NEAR SUNBURY

Special to The Telegraph
Sunbury, Pa., Feb. 25.—Alarm is
being felt here because of an immense
ice jam and gorge similar to that
which broke Shamokin dam here and
carried off numerous bridges in this
vicinity. A gorge has formed on the
crest of the broken dam and has
hindered the progress of the water.
The ice is nearly ten feet high and
as water strikes it it freezes and the
thickness and height increase. It is
feared that if there is a sudden rain
and thaw back water will again inun-
date the lowlands here as it did dur-
ing March of last year.

INDIGESTION OVERCOME

Overcome by Simple Remedy

Hurried and careless habits of eat-
ing, irregular meals and foods that
do not harmonize, tend to weaken
the digestive organs and result in
different forms of stomach trouble.

If you are one of the unfortunate
who have drifted into this condition,
eat simple foods only, slowly, regu-
larly and take Vinol, our delicious cod
liver and iron tonic.

Mrs. H. J. Smith, Thomasville, Ga.,
says: "I suffered from a stomach
trouble, was tired, worn out and ner-
vous. A friend advised me to take
Vinol. My stomach trouble soon dis-
appeared and now I eat heartily and
have a perfect digestion and I wish
every tired, weak woman could have
Vinol, for I never spent any money
in my life that did me so much good."
The recovery of Mrs. Smith was due
to the combined action of the medi-
cinal elements of the cod's livers—aid-
ed by the blood making and strength
creating properties of tonic iron, which
she contained in Vinol. We will return
the purchase money every time Vinol
fails to benefit. George A. Gorgas,
druggist, Harrisburg, Penna. Vinol is
sold in Steelton by T. Frowell.

EPIDEMIC OF FIRES IN WORMLEYSBURG

Boy Playing With Matches, Defec-
tive Flue and Elower Torch
Cause Trouble

Wormleysburg, Pa., Feb. 25.—Three
fires in one afternoon established a
new record for Wormleysburg yester-
day. Each blaze was easily extin-
guished before much damage was
done. The fires were the first in the
town for a year. The Wormleysburg
Fire Company had but one run and
only one alarm was sounded.

The first fire of the afternoon oc-
curred about 1 o'clock at the home of
Albert Keller, in Poplar street, when
the chimney began to blaze. Smoke
issued from all sides of the chimney
and filled the house. P. C. Coble, who
lives near the fire house, was notified
and he sounded the alarm. Fire ex-
tinguishers were rushed to the house
and in a short time the blaze was
controlled. The firemen then cleaned
the chimney so that there would be no
further danger.

Mr. Coble at It Again
Mr. Coble was slated for more than
the sounding of an alarm. Soon after
the firemen left the Keller home he
walked to Front and Ferry streets,
where he stood in front of the home of
E. F. Arney, telling Mr. Arney about
the fire. In a few minutes Russell, a
son of Mr. Arney, aged about 6 years,
rushed up to his father crying that he
had set a bedroom afire. Mr. Coble
and Mr. Arney procured buckets and
in a short time had enough water on
the blaze to extinguish it.

Russell Arney was playing with
matches in the room when the head
of one of them flew into a bed. Imme-
diately the bed clothing and the mat-
tress were in flames and the little boy,
becoming frightened, summoned help.
The damage will not amount to very
much.

Torch Causes Third

The third and last blaze of the day
occurred at the parsonage of St. Paul's
United Brethren Church, occupied by
the Rev. G. B. Renshaw. For several
hours the minister and J. D. Hipple
were endeavoring to throw out a water
pipe, but their efforts failed. Late in
the afternoon they sent for J. Fred
Hummel. Mr. Hummel had a blow-
torch and when the flame came in
contact with some old papers which
were wrapped about the pipe the
blaze was started. Mr. Hummel
tore the flaming papers from the pipe
with his bare hands, burning them
slightly. A bucket of water quenched
the fire. The heat from the burning
paper thawed out the pipe.

The fire company was not called to
the parsonage or the Arney home.

Traction Company Takes No Action on Petition

Lemoyne, Pa., Feb. 25.—The Valley
Railways Company, which operates all
the cross-river cars, has not as yet
taken any action on a petition pre-
sented to the company by residents of
New Cumberland about three weeks
ago asking that transfers be issued on
all cars. C. H. Bishop, president of
the company, said this morning that
the petition had been received, but
that it was lying dormant. He ex-
plained that the annual meeting of the
company has already been held and
that a session at which the petition
could be considered would have to be
a special one, at which only the mem-
bers of the board of directors would
attend. Continuing, he said there was
little likelihood of a special meeting
being called.

The New Cumberland petitioners,
should the traction company fail in
the course of time to grant the re-
quest, will place another petition in
the hands of the Public Service Com-
mission. Mr. Bishop said that if that
should be done, the side of the case
would probably be left to the attorneys
for the company.

EAT NEW BREAD, CABBAGE, SAUSAGE AND DIGEST IT. "PAPE'S DIAPEPSIN"

No indigestion, no sour, gassy
stomach or dyspepsia.
Try it

Do some foods you eat hit back—
taste good, but work badly; ferment
into rubbery lumps and cause a sick,
sour, gassy stomach? Now, Mr. or
Mrs. Dyspeptic, jot this down: Pape's
Diapepsin digests everything, leaving
nothing to sour and upset you. No
difference how badly your stomach is
disordered, you get happy relief in
five minutes, but what pleases you
most is that it strengthens and regu-
lates your stomach so you can eat

your favorite foods without fear.
Most remedies give you relief some-
times—they are slow, but not sure.
Diapepsin is quick, positive and puts
your stomach in a healthy condition
so the misery won't come back.
You feel different as soon as Pape's
Diapepsin comes in contact with the
stomach—distress just vanishes—your
stomach gets sweet, no gases, no
belching, no eructations of undigested
food, your head clears and you feel
fine.
Put an end to stomach trouble by
getting a large fifty-cent case of
Pape's Diapepsin from any drug store.
You realize in five minutes how need-
less it is to suffer from indigestion,
dyspepsia or any stomach disorder.—
