Precious Health For Men

If a valuable secret of health was revealed to some men would they profit by it? Thousands frantically pursue pleasure, because their recuperative powers and endurance are being used up in the same condition as in youth. There comes a time in every man's life when help is required if he would enjoy life's greatest functions keenly and feel the rich, red blood surging through his being and radiating his power and vitality through the flash and fire in his eye, the smile of confidence and strength in his face and the vigor and vitality in his manly carriage.

The help required in the vast majority of cases may be said to consist of a change of nature in the form of medical treatment for the specific purposes of aiding the recuperation of the vital organs, such as the stomach, liver, kidneys, heart, etc., the food and drink partaken of so that the blood receives an increased proportion of those elements necessary to the fulfillment of man's duties in the intensity of spirit as manifested in those of perfect health, be it work, recreation or pleasure. Nothing more valuable and certain for such a purpose is the formula made prescribed by a famed physician, but which can be prepared by anyone at home, or by a well-stocked pharmacy. Mix three ounces of compound wort and let stand two hours. Then add one ounce each of compound essence cardiol and one ounce tincture of cadomene compound (and cardamom). Shake before using and take teaspoonful before or after meals and one when retiring. Anyone can mix this and the results from its use are truly astonishing.

WHAT DESPEPTICS SHOULD EAT

A PHYSICIAN'S ADVICE
 "Indigestion and practically all forms of stomach trouble are, nine times out of ten, due to acidity; therefore stomach sufferers who, wherever possible, avoid eating food that is acid in its nature, or which by chemical action in the stomach develops acidity. Unfortunately, such a rule eliminates most foods which are pleasant to the taste as well as those which are rich in blood, flesh and nerve building properties. This is the reason why dyspeptics and stomach sufferers are usually so thin, emaciated and lacking in that vital energy which can only come from a well fed body. For the benefit of those sufferers who have been obliged to exclude from their diet all starchy, sweet or fatty food, and are trying to keep up a miserable existence on gluten products, I would suggest that you should try a neutral food, one which you may like, in moderate amount, taking immediately afterwards a teaspoonful of bisulphate of magnesia in a little hot or cold water. This will neutralize any acid which may be present, or which may be formed, and instead of the usual feeling of uneasiness and fullness, you will find that your food agrees with you perfectly. Bisulphate of magnesia is undoubtedly the best food corrective and antacid known. It has no direct action on the stomach, but by neutralizing the acidity of the food contents, and thus removing the source of the acid, it irritates and inflames the delicate stomach lining. It does more than could possibly be done by any drug or medicine. As a physician, I believe in the use of medicine whenever necessary, but I must admit that I cannot see the wisdom of dosing an inflamed and irritated stomach with drugs instead of getting rid of the acid the cause of all the trouble. Get a little bisulphate of magnesia from your druggist, eat what you want at your next meal, take some of the bisulphate of magnesia as directed above, and see if I'm not right."—Advertisement.

DR. STOUGH'S CONVERTS TO TALK
Ex-Pugilist and Berwick's Mayor Will Tell Allison Hill Men of Evangelist

Next Sunday's "Pleasant Sunday Afternoon" meeting of the Allison Hill Men of Evangelist Association will be the most unique which the association has yet held. The speakers will be two Berwick men who were converted during the Dr. Stough revival there late last Fall. One is a newspaperman and the Mayor of Berwick, the other is a priest who was classed among the multitude of "white hopes" until he decided to quit the game as a result of Dr. Stough's evangelism.

W. Shannon is the Mayor, and "Big Dick" Branston is the former prize ring star. Neither makes a practice of evangelism of the type in which they will appear in this city on Sunday. They are coming here at the special request of officials of the Allison Hill Association, who met them on a visit to Berwick some weeks ago to investigate the results of the Stough campaign.

Mayor Shannon was assigned to "cover" the Stough meeting for a Berwick paper and was converted as a result of that. Branston strayed into the tabernacle one night out of mere curiosity and he, too, hit the sawdust trail. Both will tell all about it at the "Pleasant Sunday Afternoon" meeting in Lenney's Theater.

Held "Social Hour"—The Mary and Martha Circle of the young girls of Zion Lutheran Church Tuesday night held the first "social hour" since the organization of the circle a week ago. The officers of the society are Ethel Cooper, president; Margaret Reedy, vice-president; Dorothy Robinson, secretary; Ruth Landis, treasurer; Adelaide Yungst, pianist; Helen Robinson, assistant pianist.

Lenten Conference—Lutheran ministers from this city and nearby towns gathered in Zion Lutheran Church, South Fourth street, to-day for the annual pre-lenten conference. About twenty-five clergymen took active part in the services of the day. Dr. J. Aspinall McCuaig talked this morning on "Sin in the Seed." Readings from the story of Passover Week were given by ministers attending the conference. Lenten prayers were said and lenten hymns sung. This afternoon Dr. McCuaig spoke on "Sin in the Fruit." This evening at 8 o'clock his subject will be "Sin in the End."

To Lecture on Bacteria—The Tadpoles will meet this evening at 7.30 o'clock in the clinical laboratory of Dr. George R. Moffitt, 200 Pine street. The doctor and his assistants will endeavor to give the boys an insight into bacteria life. Germs of every description which will be shown under the microscope and the boys will be told how germs are developed, killed and preserved. Something will also be said of the precautions necessary to avoid germ contamination. The Tadpoles, who form the membership of a Pine Street Presbyterian Sunday School class, are planning for their big banquet which will be held Friday evening, March 6. This banquet will mark the termination of the membership contest between the two parties of the class, the Seagulls and the Croakers.

Fourth Bible Conference—Dr. Frederick W. Farr, pastor of Bethlehem Baptist Church, Philadelphia, will conduct the fourth monthly Bible conference being held to-day and tomorrow in the First Baptist Church, Second and Pine streets. He will discuss the "Four Standard Old Testament Names of Deity" in four talks. This afternoon he talked about Jehovah. He will speak this evening and twice to-morrow.

AMUSEMENTS

MAJESTIC
 To-day, three times, 2:30, 7 and 9—
 "Traffic in Souls," a thrilling story in moving pictures.
 Monday, March matinee and night—
 Imported, London company in "Change."
 Tuesday night, Wednesday, matinee and night—
 The Carlisle Elks Minstrels.
 Thursday, Friday, Saturday, matinee and night—
 Dwigings' Tour Around the World.

ORPHEUM
 Keith Vaudeville—Every afternoon and evening.
COLONIAL
 Vaudeville and Pictures—Every afternoon and evening.

"TRAFFIC IN SOULS"
 "Traffic in Souls," the thrilling moving picture story of the white slave evil, is still proving a big drawing card at the Majestic Theater, where an engagement of daily is on, with three performances daily in one, with three performances daily in one.

Not alone does the picture show the workings of a system carried on from the ones higher up, but many dramatic situations are shown how Officer Burke single-handed captures the gang after a ferocious fight in which the staircases are broken for three stories down. The raid in the last reel, showing up-ward of sixty police breaking into a house of ill fame, in which Officer Burke's sweetheart's sister has been taken, as many others are taken daily, while the happy ending to it all makes it one of the most interesting pictures ever shown.—Advertisement.

"CHANGE"
 Standing out prominently among the Welsh Players, who come to the Majestic Theater, Monday, March 2, matinee and night in "Change," Terza, the Englishman—Edmund Kennedy, a brother of Charles Rann Kennedy, author of "The Servant in the House" and "The Terrible Meek." This is the second visit Mr. Kennedy has made to America, and he is coming with the Ben Great Players, in London, assuming Shakespearean roles and prominent characters of old English comedies.—Advertisement.

CARLISLE ELKS MINSTRELS
 Much interest is being shown in the coming of the Carlisle Elks big musical comedy, "George Brady's Dream," at the Majestic Theater, Tuesday night and Wednesday, matinee and night, to present a play with the dash of a \$2 attraction is usually above the ordinary amateur player, and when it comes to mounting the piece with special scenery, and dressing with the most gorgeous costumes, together with a singing and dancing cast of forty, why it is no wonder that the Harrisburg brothers and in fact the theatergoers in general are taking an interest. The sale of seats and exchange will open at the box office, Friday morning, when seats for the three performances can be had.—Advertisement.

SMILE
 Local vaudeville "fans" who like to laugh (wonder if that exceeds any of 'em) are certainly getting their money's worth in smiles at the Orpheum this week. There's a reason for it, the reason is a reason for everything, and in this instance is Knute Erickson. You'll laugh at him in the role of "Duffy Dan" in spite of yourself, for his funny expressions and figure skating before a background of snow and ice and the light and scenic equipment goes a long way toward making their turn a fine "light act." And Melville and Higgins are handing out a fine line of comedy material in their new act called "Putting On Air." This week ends this team here for the third time, and it is easy to see that their popularity is not waning.—Advertisement.

Victoria Theater
 "Baffles, Gentleman Burglar" another of the Keystone's clever and successful two-reel comedies, is offered in this theater to-day as "Crime of the Camera" in a satire on the stories of silk-hatted criminals of polished manners. It is very amusing, and is filled with ludicrous situations. The gentlemanly "Baffles" goes through chimney and does other unconventional things without losing his composure or disturbing the rakish angle of his high hat. The fun lasts through the two parts.
