Harry Cessier, Pittsburgh's Federal League manager, made a proposition of \$500 cash and \$2,100 for the season. As Miller has not signed a contract with St. Louis, he threatens to jump to the Federal League if he does not receive a portion of his purchase price.

Globe Series Brings Large Profit Financially to the Backers

By Associated Press

New York, Feb. 27.—On the world's tour of the New York Giants and Chicago White Sox, which came to an end at London yesterday, so far as competitive baseball is concerned, the American League representatives return home winners of a majority of the fifty games played.

Since the tour began at Cincinnati a little more than four months ago forty-six games have been played between the globe-touring teams and four with native teams in Japan and Australia. The White Sox won twenty-four games against the Giants. McGraw's men won twenty and two ended in ties, at Los Angeles, Cal., on November 9, and at Cairo, on February 1. In the games against native teams the Giants won their two games, the White Sox won one and a combination of players from both teams won the other.

Of the fifty games played thirty-one were played in the United States and nineteen, including the four games against native teams, were played abroad. Rain interfered with only three games scheduled before sailing for Japan—at Abilene, Texas; Sacramento, Cal., and Seattle, Wash.

### FORNEY GIRLS HAVE STRONG BASKETBALL SQUAD

At Cathedral Hall to-night, one of the fiercest scholastic battles of the basketball season will be waged when the Forney Girls' Club team lines up against the team of the Lincoln Girls' Club. For real scholastic fire and spirit, the college and high school hasn't a thing on the grammar school. In fact the raw-raw boys and girls aren't in it with the average youngster of fourteen or fifteen when it comes to school spirit, as to-night's battle will prove when rooters from the two schools crowd into the Cathedral Hall. The Forney Club for several months has been well coached by the Rev. Father T. B. Johnson, who has charge of the athletic work at the Cathedral. The members of the team from left to right are: Ruth Starr, Kathleen Robinson, manager; Hazel Snow, Lula Heiler, Marguerite Reynolds and Bertha Brightbill, captain.

**Cockill Is Busy These Days Getting Men For His Team**

Baseball boosters in Harrisburg will get very little information this week to make them enthusiastic. Manager George Cockill will not be in the city until some time next week, when there will be a conference with the local backers.

Manager Cockill is far from idle these days. He has been a busy man at his home in Lewisburg and has also made several trips to the East and North to look over and confer with prospective players. While not officially announced, it is understood that twelve players have signed contracts, including seven promising youngsters who were sought after by leagues higher up.

Unless necessity requires their services, it is said that Johnny Sundheim and "Steamer" Flanagan will be made free agents. It is the general opinion among local officials that There will start the season behind the bat and will have the support of a promising first sack and Manager Cockill will take up the second base position until he has a man who will fill the job satisfactorily, when he will become a pinch hitter.

**Search For Negro Who Assaulted Old Woman**

The police are still searching for the colored man who brutally assaulted Mrs. William Peters, at her home, in Hickory street, near Herr, early Sunday morning.

One colored man, who was seen in the neighborhood Saturday night, partly answered the description of the man who broke into the home of Mrs. Peters, and he was arrested on suspicion, but Mrs. Peters failed to identify him. Mrs. Peters has recovered from the effects of the shock and assault.

**MOTORCYCLE NOTES**

A new motorcycle club, with a membership of thirty, has been formed at Waltham, Mass.

The Diamond Motorcycle Club, has just been formed at Sandusky, Ohio. A 240-mile run from Denver to Cheyenne, Wyo., is being planned by motorcyclists of the Mile High City.
