YOUNGSTERS WATCHED BY TRI-STATE FANS

Managers Hope For Good Farm Products From Southern Camps

Tri-State baseball fans are watching closely the development of youngsters in Southern training camps, as it will be only a question of a few weeks until the farming out plans will be taken up. This season President Graham promises a number of recruits from the major leagues.

Manager Izzy Hoffman, of the Reading team, announces that he has signed seven players, five of whom were with the Atlantic City team, whose franchise was transferred to Reading. The other two players are semiprofessionals who are to get a try-out with the Berks county nine. The following veterans have been signed:

Infielder, Roy Doty; catcher, H. Golden; pitcher, Clarence Horst; first baseman, Jake Munch; Gorman; infielder, William A. Lahner; and infielder, Roy Homan. Lahner is a Philadelphia boy, who played second ball at League Island last season. Homan's home is in Reading. Hoffman has also signed his contract as a player and manager. George Boezie, the regular catcher on the Atlantic City club last season, has accepted terms with Manager Hoffman.

Shortstop Horan, last year with the Elmira New York State League club, was purchased yesterday by Manager Heckert. He will oppose Bill Moriarty in a trial for the short field berth on the Berks this season. Horan closed the season leading the shortstops in the New York State League last season.

CENTRAL HIGH CHAMPS WERE AGAIN WINNERS

Central High had another easy victory last night, trimming Wilkes-Barre High on the Chestnut Street Auditorium floor, score 53 to 25. The visitors lacked form and were outclassed at every stage of the game.

Fast shot 23 out of 25 goals and was the big star. Major, of the Wilkes-Barre five, was a poor foul shooter, making 3 out of 21 chances. Central's victory gives Central a total of 53 points against their opponents 240. The Central scrubs defeated the Crescents, score 50 to 19.

MIDDLETOWN WAS EASY

Steele High had an easy proposition last night in the Mutt and Jeff five, winning by a score of 53 to 11. Middletown was able to score only four goals from field. Middletown defeated the Steele scrubs, score 25 to 3.

CHARLES P. TAFT

Brother of former President Taft performed a good service for the National League by purchasing the interest of Charles W. Murphy in the Cubs of Chicago. Thus Murphy, to whom most of the National League club owners and many in the American League objected on the ground that he was a disturber in organized baseball, was quickly eliminated.

Mr. Taft already owned a large share of the Cubs, having staked Murphy to buy the club many years ago. Murphy himself has said his own share was 53 per cent, and that Mr. Taft paid him on a basis of a value of more than \$1,000,000 for all the stock.

COUNTRY CLUB FINAL

The final match in the Country Club bowling tournament was played to-day. In last night's match, George W. Kelly, Jr., and William P. McKenzie were defeated by Robert McCreath and William McCreath, score 859 to 824.

HARRY YINGST WINNER

The championship checker series between Harry Yingst, amateur champion of Central Pennsylvania, and John Brown, of Harrisburg, which has been in progress at the shoe shop of George Orth, 314 Briggs street, since February 9, ended last night. Yingst won out in the fifty-game match.

Eastern League Basketball Is Impossible in Harrisburg

There May Be a New Circuit Formed With Six or Eight Good Towns; Plans to Be Taken Up at an Early Date

An Eastern league basketball team in Harrisburg is out of the question for several reasons, but the formation of a league here is believed to be a certainty early next fall.

Harrisburg would have to arrange for a seating capacity of at least 1,500, to make Eastern league basketball a paying enterprise in this city.

Furthermore, it is said, there is no likelihood that a vacancy will occur

in the Eastern league. There is, however, an opinion prevailing, that Harrisburg, York, Lancaster, Lebanon, Reading, and Shamokin, would make a strong circuit, and it is understood that plans will be started early to organize a new league. There are other towns west of Harrisburg that might be included, according to the opinion of the men back of the Harrisburg team.

This Man a Samson; Can Lift a Street Car

Marion, Ohio, Feb. 28.—Walter Hutchinson, the big young pitcher signed by Frank Chance of the New York Americans, will be the strongest twirler physically in the major leagues the coming season if he still retains the phenomenal strength he displayed here when he was a raw recruit with the Marion Diggers in the Ohio State League club. Hutchinson could lift one end of a street car without much effort, apparently. He also could lift the hind quarters of a horse with the ease that a blacksmith pick up an animal's hoof to shoe it. Edward C. Staiger, a director in the local Ohio State League club, says he has seen Hutchinson perform both of these feats of strength.

"If Rube Hutchinson could ever learn to control his delivery he could be the world's greatest pitcher," Staiger declared. "Jack Taylor's protegee stands six feet and one inch. He's a blacksmith by trade and strong as an ox. When he played with Marion he was more verdant than Paris green, but mighty proud of his strength. The boys used to kid him about it and get him to lifting. That's how he happened to life one end of a street car standing out on a siding at the ball park one day. I saw him take a horse at the fire department and life it clear up so it almost stood on his head.

Hassett Boys Won; Result Is Disputed

Official records of last night's game between the Hassett five and the Mt. Washington Lyceum tossers, of Pittsburgh, show a score of 32 to 32.

This result was vigorously questioned by Manager Burke, of the Pittsburgh team, who says the referee blew his whistle to close the game before the final Hassett goal was tossed by Sourbler, which would have made the score 32 to 30 in favor of Pittsburgh.

Manager Burke went home much displeased following an offer to play the game over on any neutral floor for a purse varying from \$50 to \$100, with an Eastern League official as referee. The timekeeper denies that he blew the whistle on the final goal.

The Forney Grammar School girls played a remarkable game, winning from the Lincoln Grammar girls; score, 13 to 12. Kathleen Robinson was the star of the Forney team.

Yale won the intercollegiate swimming contests, defeating Princeton last night, at Princeton, score however.

The Federals are in session at Chicago to-day.

The Harrisburg Park Golf Club will hold its annual meeting Monday night, March 2, in the office of the Harrisburg Park Commissioners.

The P. R. Y. M. C. A. basketball tossers won last night's game from the Central Grammar School, of Steelton, score 49 to 24.

Yale last night defeated the University of Pennsylvania in the wrestling match, scoring 23 points to 3.

PENN CANCELS GAME; RAILROADERS WILL PLAY

Fearing that a game with Harrisburg tossers would be contrary to intercollegiate rules, the game scheduled for the Penn Freshmen for to-night at the Armory was canceled yesterday.

There will be a game, however, for Manager Taggart has scheduled the Pennsylvania Railroad Young Men's Christian Association five, and this means a great contest, as the railroaders early in the season trimmed the locals. The game starts at 8:15. Dancing will follow.

York Mayor Defeated in Bitter Clash on Police

Special to The Telegraph

York, Pa., Feb. 28.—City council yesterday turned down two of Mayor John R. Lafean's appointments to fill vacancies on the police force after a red-hot debate, during which the mayor accused Councilman William H. Lindsey, superintendent of parks and public property, of telling an untruth, knowing it to be untrue.

The mayor had charged the four other councilmen with holding star chamber caucuses behind his back, whereupon Mr. Lindsey came back with the remark that Mr. Lafean was the first mayor who did not consult the councilmen with regard to intended appointments. It was then that the mayor accused Mr. Lindsey of untruthfulness, three of the councilmen voting against the mayor's appointment and their own appointments were put in by the same vote. Recently the four councilmen laid off fifteen Republicans from the police force, substituting Democrats.
