

WOMAN COULD HARDLY STAND

Because of Terrible Backache. Relieved by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I suffered from displacement and inflammation, and had such pains in my sides, and terrible backache so that I could hardly stand. I took six bottles of Lydia E. Pinkham's Vegetable Compound, and now I can do any amount of work, sleep good, eat good, and don't have a bit of trouble. I recommend Lydia E. Pinkham's Vegetable Compound to every suffering woman."

Another Woman's Case. Providence, R. I.—"I cannot speak too highly of your Vegetable Compound as it has done wonders for me and would not be without it. I had a displacement, bearing down, and backache, until I could hardly stand and was thoroughly run down when I took Lydia E. Pinkham's Vegetable Compound. It helped me and I am in the best of health at present. I work in a factory all day long besides doing my housework so you can see what it has done for me. I give you permission to publish my name and I speak of your Vegetable Compound to many of my friends."

Danger Signals to Women are what one physician called backache, headache, nervousness, and the blues. In many cases they are symptoms of some female derangement or an inflammatory, ulcerative condition, which may be overcome by taking Lydia E. Pinkham's Vegetable Compound. Thousands of American women willingly testify to its virtue.

STOPPED HIS DRINKING

His Wife and Mother Saved Her Husband Over Ten Years Ago

SHE WILL GLADLY TELL YOU HOW FREE

Write to Her Today. Send No Money. She Has Nothing To Sell

For over 20 years Jas. Anderson of Hillburn, N. Y., was a confirmed drunkard. His case was about as bad as it could be, but a little over ten years ago his devoted wife, after years of trying, finally succeeded in stopping his drinking entirely.

Write to this woman if you have a relative or friend who drinks. Not only did she save Mr. Anderson but she stopped the drinking of her brother and several of her neighbors as well. All this she accomplished with a simple home remedy which any one can get and use. And she now desires to tell every man and woman who has a relative or friend who drinks, just what it is.

It can be given secretly if desired and every reader of this notice who is interested in curing a dear one of drinking should write to Mrs. Anderson at once. Her reply will come by return mail in a sealed envelope. She does this gladly, in hope that others will be benefited as she was. One thing she asks however, and that is that you do not send money for she has nothing to sell. Her complete address is 105 Hill Ave., Hillburn, N. Y.

NOTE—This offer should be accepted at once by all who have dear ones who drink. In fact, every one who has to contend in any way with drunkenness should know about it. Therefore, if you do not write Mrs. Anderson yourself CUT THIS NOTICE OUT and mail it to a friend who could use her advice. And even though you do answer it, MAIL IT TO SOMEONE ELSE who you think would like to know how to help.

TO TAKE ACTION ON PROPOSED CHURCH

Will Start to Work Up Interest in Big Evangelistic Campaign on Hill

Some definite action will be taken at next Sunday's "Plea for a Sunday Afternoon" meeting of the Allison Hill Men's Christian Association to start work up interest in the projected evangelistic campaign in the East End next Fall. This was admitted to-day by officials of the association.

"There doesn't seem to be any use denying it," confessed E. F. Weaver, the president of the association, "although we had hoped to spring that as one of the surprises next Sunday. We have a novel program for Sunday which will be discussed at the meeting. We have no definite program for starting work on the Fall campaign. That's for the men to say next Sunday."

None of the officials would say to-day what other features are contained in next Sunday's program, except to give the assurance that the popular items of singing and speaking will not be found missing. The meeting will be, as usual, in Lenney's theater at 3:30 o'clock.

"What About Sambo?"—In a lecture entitled "What About Sambo?" the Rev. Dr. Grandison, former president of Bennett College in North Carolina, last night discussed the negro problem before a large audience in Harris A. M. E. Zion Church.

Rev. Adams Recovers.—The Rev. J. Q. Adams, missionary for the Baltimore and Philadelphia conferences of the A. M. E. Zion church has left the Harrisburg hospital where he has been since an operation performed on December 5.

Life in Coal Regions.—An illustration of "Everyday Life in the Coal Regions" will be given at 7:45 o'clock this evening in the Curtin Heights Methodist Episcopal Church, Sixth and Wharton streets.

Lenten Services.—Lenten services will be held to-morrow evening at 7:45 o'clock in the Reformed Salem Church, Third and Chestnut streets. The services will be conducted by the pastor, the Rev. Ellis N. Kremer.

EGYPT, LAND TO BE VISITED TONIGHT

(Continued from First Page.)

The land of the Pharaohs looms large. The land of mystery. Egypt offers much for the traveler and the fact that it is the place where every one goes is in itself an assurance that its attractions are the kind that are worth while.

Begin at Cairo To-night the journey will be one of more than unusual charm. Beginning at Cairo, the City of the Arabian Nights, rich in its Oriental charm, a journey will be made up the Nile and many side trips that will show the wonders of this land that lures so many every year to its shores. The trip to the Pyramids and Sphinx including a motion picture of the way it is made to travel at this on particular spot, is most interesting. The desert and its strange tribes, their peculiar customs, where men buy their wives and sell their daughters; the great dam at Assuan, including all the features of this wonderful enterprise, the mystic Mohammedans, the colossal ruins at Assuit, Thebes, Karnak, Luxor, Edfu, the beautiful doomed Philae, the cataraacts of the Nile and many other features go to make up a program that is rich in novelty, wonderful in its conception and attractive in its presentation.

The very fact that all that is necessary to secure admission to and present the coupon from the Telegraph, together with ten cents, at the box office should pack the auditorium. To Africa To-morrow To-morrow night, the journey will be made into Africa and the land of which so little is known, is one that has much to interest. Every thing of moment, every detail that is unusual, is faithfully pictured and most vividly described and the journey is one that should be included in the list of unusual places to visit. There are some of the most remarkable motion pictures ever shown, to be seen of this country and Africa will both surprise and please everyone who sees it to-morrow night.

On Saturday, there will be both a matinee and night performance of Ireland and this land, famous the world over for its beautiful scenery, its wonderful people and interesting customs is one of the features of the Niblo series.

The journey to-night through Egypt will begin at 8 o'clock and in order to go along all that is necessary is to present the Telegraph's coupon at the box office with ten cents and this will be exchanged for a ticket that will be good for admission seat.

Harrisburg "Stranger" Sends Conscience Money to York Railways Co.

York, Pa., March 5.—Postmaster Lewis has received a letter postmarked Harrisburg and signed "A Stranger," in which a man asks that 10 cents in stamps enclosed in the letter be turned over to the York Railways Company. The man says he failed to pay his fare during fair week several years ago. He says he is not sure whether the fare was 5 cents or not, so he sends 10 cents to cover the interest accumulated or in case he is mistaken. The man sent it to the postmaster, he said, because he did not know the name of the company. Recently Postmaster Lewis received a letter containing 6 cents in stamps from "A Brethren Sister," who said she failed to pay her fare during the Baptist convention in November, 1912.

SAYS JINX IS ALTER HIM

J. S. Smith, 75 years old, of Johnstown, who was treated for a fractured right arm at the Harrisburg Hospital yesterday afternoon, said the fall which broke his arm was one of a series of misfortunes which had befallen him ever since he lost his wife and family in the Johnstown flood. He left after his arm was treated at the hospital.
