## FOREMEN TO TAKE UP PROBLEM OF HOUSING CONVENTION VISITORS

### Plan Similar to That Used by Trainmen Will Be Adopted Next October

The question of housing the many visitors who will come to Harrisburg next October for the firemen's celebration will be discussed at an adjourned meeting of the Firemen's Union to be held to-night at the Rely House company house, Fourth and Dauphin streets.

A plan similar to that followed by the Brotherhood of Railroad Trainmen during their convention in May, 1911, with some new features, it is understood, will be offered for consideration by Howard G. Holter, the chairman of the finance committee. It will include arrangements by which many of the visiting firemen will be entertained in private homes.

Unusual interest is manifested in the production of "The Fire Brigade" at the Majestic Theater Thursday, March 12. Each company reports a large sale of tickets. Holter, the chairman of the finance committee, will be under the direction of Captain and Mrs. DeLong, of New York city.

The complete cast was announced to-day and is as follows: Captain DeLong; Charles Brandon, chief, R. L. Ayars; Patrick O'Flaherty, foreman, William McGarvey; Tommy Wilcox, nozzlemaster, H. Houdenshield; Jake Parsons, an old-timer, William Lingle; Joseph Andrews, E. C. Hawthorne; Bob, the newsboy, Charles Steckley; Charles Rhoades, Samuel Ginsburg; Oscar Pullen, Hecety Lentz, the choirmaster, by himself; the merry widow, Kitty DeLong; Edith Brandon, Sarah McGarvey; Polly Weston, Ruth Boyer; Little Dot, Jennie Booth, and Dot, ten years later, Helen Neuman.

The fire-fighters who will assist are: Theodore Magnolia, No. 1; George Shoemaker, No. 2; L. Housell, No. 3; C. Ripper, No. 4; J. K. King, No. 5; Anderson, No. 6; R. Embrick, No. 7; E. Whitmoyer, No. 8; G. Longfelt, No. 9; N. G. Peters, No. 10; W. Miller, No. 11; C. Glessner, No. 12; S. Boyer, No. 13. The choir will be directed by himself; William McGarvey and chorus; William Lingle and chorus; Samuel Ginsburg (soprano); H. Houdenshield and Ruth Boyer, duet, and two grand opening choruses.

The exchange seat sale opens at the theater box office on Saturday morning, March 7, at 9 o'clock. The acceptance of an invitation from the Hope Fire Company to the Hancock company, of Norristown, was brought to Harrisburg yesterday by a special committee, who at once closed a contract for the use of the building, including a band, at the Commonwealth Hotel.

## GARRANZA WANTS TO SHOW GOOD WILL

cordance with instructions received by me from the said first chief of the Constitutional army that, having ordered all the necessary investigations in this case, as I have promised to inform you in my note of the 28th of February ult., the result of the investigations made by the local authorities at Chihuahua shows that it is true that said army has not been in Chihuahua, charged with being an enemy to the Constitutional cause; but later on he was released, the authorities in Chihuahua having at present no knowledge of his whereabouts. However, I am very pleased to inform you that the first chief wishes to have a very complete and detailed investigation made of this matter for the satisfaction of the department of state and for his own satisfaction and so that your government may see his good will to take into consideration the representation of the army in the proper manner; and therefore he has ordered the case of Mr. Gustav Bauch to be taken up by the special committee appointed to investigate the Benton case. Said commission will undertake to ascertain as soon as practicable the true facts concerning this affair so that it will be possible to act in strict accordance with the law. At the same time I have the honor to inform you that the authorities at Chihuahua have received orders already to do everything in their power to locate Mr. Bauch.

## Villa Demands Ransom of \$250,000 For Return of General Terrazas' Son

El Paso, Texas, March 6.—General Terrazas has until next Sunday to pay the \$250,000 ransom for his son Luis, who is held by the rebel general, Francisco Villa, at Chihuahua. This sum is equal to \$250,000 American gold, but the only multimillionaire in Mexico has not that much money left, according to his friends.

The letter demanding the money was dated March 3 and stated that if the ransom were not paid within five days Luis would be "taken south" with General Villa.

This threat General Terrazas constructed for the office of justice that his son will fall a victim to the notorious fugitive law if the money is not forthcoming.

Under the convenient provisions of "ley fuga," the prisoner is always shot "while trying to escape."

General Terrazas is 80 years old and greatly shaken by the peril of his son. The latter has been a prisoner for several months and has already submitted to the extortion of \$650,000 American gold to save his life.

It is probable that George C. Carothers, secretary of the Department of State at Washington, will be appealed to on his return from Nogales to-night to use his good offices with General Villa, whom he has known intimately for many years. It is hoped that Carothers may prevail on the rebel leader to put a milder interpretation on the "trip south" than is usual in such cases.

Dispatches Say Rebel Ship Is Badly Crippled  
Mexico City, March 6.—Despatches received by the government yesterday said that in the naval engagement Wednesday at Topolobampo between the federal gunboats Morales and Guerrero and the rebel gunboat Tampico, the Tampico was forced to retire badly crippled. The rebel boat, according to the dispatches, was attempting to escape when the federal boats fired on her.

## KUNKEL ASKED BY DAUPHIN CO. BAR

[Continued From First Page]

Kunkel was the best man in Pennsylvania for the Supreme Court vacancy to be filled at the November election, because he combines remarkable knowledge of the law, common sense and courage. Since I have been here I have been in a number of counties of the State and have found attorneys everywhere of the same opinion as myself. As a citizen of Pennsylvania I am glad that the attorneys of the Dauphin county bar have invited him to be a candidate on behalf of the people of the State.

The meeting of the bar was called to order in No. 1 courtroom by Eugene Snyder, dean of the Dauphin county bar and Lyman D. Gilbert was chosen chairman. In taking the chair Mr. Gilbert highly commended the selection of Judge Kunkel and paid a glowing tribute to the worth of the county's presiding judge.

The resolution voicing the sentiment of the united bar was offered by Charles H. Bergner. He, too, added a tribute to the selection of Judge Kunkel as a candidate for justice of the State's final court of appeals.

Believe Judge Will Accept  
Following the adoption of the resolution, a committee was appointed to wait upon Judge Kunkel and to present the bar's formal request. An executive committee was also named which in the event of Judge Kunkel's agreement to become a candidate will begin the campaign.

Pressure from all over the State as well as throughout Dauphin county will lead Judge Kunkel to agree to become a candidate. The petition which was so generously signed and which led to the meeting of the attorneys: Recognizing from long personal association and daily practice before him, the legal ability, sterling qualities, and high moral character of the honorable George Kunkel for many years president of the Democratic, Washington and Keystone parties of Dauphin county in appreciation of his fitness as a judge, we, the undersigned members of the Dauphin county bar, request him to become a candidate for the office of justice of the Supreme Court of Pennsylvania; and upon his consent we will use all proper methods to acquire the electorate of Pennsylvania with the propriety of voting for him.

## BALL PLAYERS GIVEN OVATION IN NEW YORK

[Continued From First Page]

tourists. Men and boys on board dressed in baseball uniforms, lined the rails and waved flags as the band played. A light snow was still falling as the Lusitania nosed her way up the river. The ball players stood at the rails cheering wildly in response to the welcome and one in their number unfurled a huge American flag. In a final concert on the liner last night Herman Shafer sang German songs and Mike Donlin displayed his talents as an entertainer.

Tour Began October 18

The Giants-White Sox baseball touring party gathered in Cincinnati on Saturday, October 18, where the first game of the long schedule was played against the Cincinnati club. From there the players traveled in a special train by easy stages to the Pacific coast, playing frequent games en route. Doubts regarding the financial success of the trip were early removed by the unexpectedly large attendance, and when the squad sailed from Seattle on November 19, thirty-two games had been played in thirty-three days.

The party arrived at Yokohama on December 6, four days later after a rough voyage. From Japan the itinerary carried the tourists to China, Philippines, Australia, New Zealand, Egypt, Continental Europe and England.

During the foreign part of the tour the largest attendance was recorded in Japan, Australia and England. The biggest gate receipts were collected at the game played in London on February 26, when 30,000 spectators, including King George, witnessed the defeat of the Giants by the White Sox in a sensational eleven-inning game. This game officially closed the tour, the party sailing from Liverpool on February 27.

More than seventy games were played during the trip and the list would have been longer but for rain at Paris, Rome and several cities in China and Japan. Notwithstanding these setbacks, the financial returns were far in excess of expectations, and the profits are estimated at nearly \$100,000. Manager McGraw, of the New York Nationals, and Charles Comiskey, president of the Chicago American League club, who financed the expedition, ceased to worry about the success of the tour several months ago. A generous dividend is assured not only for the promoters, but for those players who entered upon the trip on a sharing basis.

Tentative plans have already been made for foreign tours during the winters of 1914-15 and 1915-16, South America, Africa and part of the territory covered during the present tour will be visited. Many of the players enrolled in the present party have expressed their willingness to embark under similar conditions for the tours as mapped out.

## Talk on Art and Vocal Solo at Elson Exhibit

Mechanicsburg, Pa., March 6.—Miss Anna Oppenlander, a representative of the Chautauqua which will again be held in this place during the summer, entertained a lot of children with story telling yesterday afternoon and evening at the Elson Art Exhibition now being held in the Methodist Episcopal Church. The children, as well as the grown ups, showed their appreciation by hearty applause. The pictures are attracting many people, and it is thought a number of these beautiful reproductions can be purchased for the schools. The children are showing a great deal of interest and helping forward the project of selling tickets. Dr. Ruth A. Deeter, of Harrisburg, gave an interesting talk on art last evening and a vocal solo was sung by Mrs. J. V. Miller.

## STRANGE CASES OF A MAN AGED 71 AND A GIRL AGED 3

### Evidence That Young or Old Can Be Benefited by the Health Teacher's Remarkable Work

So much has been heard and read about the "Health Teacher" and "Quaker" that they are now fairly acquainted in Harrisburg. Mr. Patrick Kinney, aged 71, is a very well preserved man, considering his age, yet he was beginning to complain about trouble with his kidneys and liver. His color was getting very sallow, his bowels were irregular, he had bilious attacks and headaches, pains across his back and shoulders during the night. He called, got a treatment of Quaker, took it regularly and he said: "I feel ten years younger again." His color is now good, bowels regular. He now eats, sleeps and rests well and is feeling fine once more, thanks to

Quaker. Little Bessie Oberst, aged 3 years, was pale, restless and puny. She would grit her teeth, bite her nails, and on two different occasions she had spasms. In the morning her breath, according to the statements of her mother, was horrible. The Health Teacher thought the child was suffering from worms. Quaker was tried and the child expelled hundreds of very small worms. Since then she is well, sleeps fine and peacefully, her breath is pure and she is a happy, healthy, lively little girl. If you suffer from rheumatism, catarrh or stomach troubles call at W. H. Kennedy's drug store, 30 South Third street.—Advertisement.
