Nurse Proclaims Skin Cure

Myrtle Hahn Says R. D. D. Prescription is Worth Rockefeller's Millions to Her.

Ten years I suffered with eczema—three years of that time I could not appear in public. My entire body was covered with the disease. I could not eat, I could not sleep, I could not live. I have at last found the great Prescription D. D. D. My body is clean, smooth. If there were one bottle only of D. D. D. in the world and I had it, Mr. Rockefeller's millions could not buy the golden fluid.

nized for fifteen years as the standard skin remedy. It always helps, and if used according to directions, it should cure in a short while. All druggists sell this standard remedy, but if you come to us, we will offer you the first full size bottle with the guarantee that unless it stops the itch at once we will refund the purchase price.

CHORAL SOCIETY'S SPRING FESTIVAL

Will Sing Mendelssohn's "Elijah" at Majestic Theater, April 14

An announcement that will attract unusual attention this year is the notice by the Harrisburg Choral Society that the Spring musical festival will be held in the Majestic Theater on Tuesday, April 14. This is in Easter week and will add to the musical and social activities of the week.

The choral society has been rehearsing Tuesday evenings all winter in Fahnestock Hall, the work studied being Mendelssohn's "Elijah," which has not been sung in Harrisburg for fourteen years. The society is the largest by far in the history of the organization, numbering 275. Every member is enthusiastic about the society's new conductor, Dr. J. Fred Wolfe, of Bethlehem, famous as the conductor of the Bach festival choir. Dr. Wolfe has made a deep impression upon the members of the society and has created intense interest.

The society will be accompanied by the Russian Symphony Orchestra, Nodest Altschuler, conductor. This orchestra is one of New York's famous musical organizations and it is only 37 miles from Harrisburg. The society was able to secure it for April 14. The orchestra will give a symphony concert in the afternoon at 3 o'clock in the Majestic Theater. Distinguished soloists will assist the society. These will be announced shortly.

The society will endeavor to make this year's festival the best in its history and it expects to see the Majestic Theater crowded at both performances on Tuesday, April 14.

STOP CATARRH!

Use Hyomei—You Breathe It

Unless properly treated this disease often leads to a serious if not fatal ailment. It is needless to allow catarrh to ruin your health—use Hyomei—it is certainly effective relief for catarrh of the nose, throat and lungs.

Hyomei is a combination of antiseptic oils—you breathe it—using a small inhaler. The air laden with health-restoring Hyomei soothes, heals and vitalizes the sore, raw and inflamed membrane of the breathing organs almost immediately. There is no other remedy that benefits so surely or so quickly. Money refunded by H. C. Kennedy.

Do not be without Hyomei another day. Druggists everywhere sell it. Get the complete outfit—\$1.00 size—this contains the inhaler and bottle of liquid.—Advertisement.

Simple Home Treatment for Objectionable Hairs

(Toilet Talks) Here is a toilet help you should remember, because it may at some time be the means of saving you from embarrassment: To quickly and painlessly remove hair or fuzz from chin, lip or cheek, apply a thick paste made by mixing together powdered delatone and water. Let this remain on the hairy surface about 2 minutes, then rub off, wash the skin and lo! the hairs have vanished. This treatment is entirely harmless, but caution should be used to see that you get delatone.—Advertisement.
