PERSONAL ENTERTAINMENTS TO OPEN THE SEASON

Colonial Club Annual Meeting Held Last Night; Board Members Elected

It was decided at the annual meeting of the members of the Colonial Club last night that the summer season should be opened with two out-door entertainments of the highest class. A contract was authorized with the Frank Lea Short company for double performance on the afternoon and evening of June 16th on the club grounds. Both of the productions will be along comedy lines—one the "Pomander Walk" and the other "Rain Hood."

On this occasion the stage will be erected upon the gentle slope on the west side of the club building so that the spectators can view the plays from the porches of the clubhouse and the terrace. There will be twenty-five high-class actors in the company and the fact that these plays have been given with great approval at the West Point Military Academy and on the grounds of a number of prominent country clubs, indicates that the entertainments will be largely attended by the members of the club.

Market Square Choir Sings Gounod's "Gallia"

The choir of Market Square Presbyterian church under the leadership of Mrs. Wilbur F. Harris will sing Gounod's short cantata, "Gallia," next Sunday evening, March 15.

The organ numbers by Miss Conckling will be: Meditation, Capocci; Melody, Lemaigre; Finale in F, Capocci.

Ohev Shalom Sisterhood Gives Dance Next Week

The Ohev Shalom Sisterhood announces a Bal Masque for Tuesday evening, March 17, in the Chestnut Street Hall. Prizes will be awarded for the best and most original costumes and the guests are making elaborate preparations for the event.

Dr. and Mrs. J. Edward Dickinson gave a dinner of eight covers last evening to their brother-in-law, Joseph A. Clement, in celebration of his birthday.

RETURNS FROM THE SOUTH

Mrs. Isabelle Damm has just returned from a delightful southern trip to 1911 Park street, where she resides with her niece, Mrs. H. B. Whittall. Mrs. Damm preferred St. Petersburg, Florida, to many of the other resorts she visited.

Mrs. Charles A. Kunkel and Mrs. Frank A. Robbins returned to-day after a trip to Atlantic City. Mr. and Mrs. George F. Watt, of the Elphinstone Apartments, have returned from Florida where they spent several weeks.

Miss Margaret Stackpole left yesterday for Sharon where she will visit her sister, Mrs. Walter Bruce Caldwell, until early in April.

Members of the Gala Club gathered at the residence of Miss Marlon McCormick, 334 Harris street, last evening and marched to the home of Miss Mina Crawford, who resides at 1615 North Third street, where a regular celebration took place in honor of her birthday.

The Crawford residence was decorated in plants and flowers and during the evening musical numbers were given by Miss Reese, Miss McCormick, Mr. Yetter, Mr. Shuder and Dr. Warner, with P. J. Shellenberger accompanist.

A course supper was served at 11:30 o'clock to the following people: Miss Marlon McCormick, Miss Mina Crawford, Miss Mary Reese, Miss Mable Johnson, Mr. and Mrs. Kirby and Miss Ann Mehrling. Dr. Warner, Hamilton Shuder, John Yetter, Peter J. Shellenberger and Mr. Diffendaffer.

MAKES RHEUMATISM PROMPTLY DISAPPEAR
Chronic, Crippled-up Sufferers Find Relief After Few Doses of New Remedy Are Taken

It is needless to suffer any longer with rheumatism, and be all crippled up, and bent out of shape with its heart-wrenching pains, when you can surely avoid it.

Rheumatism comes from weak, inactive kidneys, that fail to filter from the blood the poisonous waste matter and uric acid; and it is useless to rub on liniments or take ordinary remedies to relieve the pain. This only prolongs the misery and can't possibly cure you.

The only way to cure rheumatism is to remove the cause. The new discovery, Croxone, does this because it neutralizes and dissolves all the poisonous substances and uric acid that lodge in the joints and muscles, to scratch and irritate and cause rheumatism, and cleans out and strengthens the stopped-up, inactive kidneys so they can filter all the poisons from the blood and drive it on and out of the system.

Croxone is the most wonderful medicine ever made for curing chronic rheumatism, kidney troubles and bladder disorders. You will find it different from all other remedies. There is nothing else on earth like it. It matters not how old you are, or how long you have suffered. It is practically impossible to take it into the human system without results. You will find relief from the first few doses, and you will be surprised how quickly all your misery and suffering will end.

An original package of Croxone costs but a trifle at any first-class drug store. All druggists are authorized to sell it on a positive money-back guarantee. Three doses a day for a few days is often all that is ever needed to cure the worst backache or overcome urinary disorders.—Advertisement.

FLAT CHESTED FOR 15 YEARS SHE DEVELOPED HER BUST 6 INCHES IN THIRTY DAYS

ANY LADY CAN NOW DO THE SAME BY FOLLOWING THE SIMPLE DIRECTIONS GIVEN BELOW

Why Exercise, Massage, Creams, Prescriptions, Apparatus, Appliances and Similar Methods Can Never Develop the Bust
No longer need any woman suffer the humiliation of a flat, scraggy chest, nor endure the thoughtless shafts of ridicule or pity which pierce the hearts of those unfortunate members of her sex who lack that distinguishing and essential attribute of perfect feminine beauty—the Perfect Bust. For fifteen years I vainly longed for this alluring attraction that Nature had denied me, and the lack of which overshadowed every other attraction I possessed. I foolishly and vainly tried worthless and harmful pills and medicines, also massage, creams, exercises, vacuum appliances, apparatus, electricity, prescriptions and every device I could ever hear of, but only harm resulted, so I was finally obliged to give up in despair and conclude that my condition was hopeless and must be due to hereditary causes, like being too tall or too short.

The miracle working discovery which finally released me from this condition was purely accidental, and one which I never cease to regard as a wonderful gift. I discovered that by gradually increasing the size and firmness of my bust, I could develop it to the point where it would be a source of pride and admiration. I felt like a butterfly burst from its cocoon. In a single month my bust was developed six inches in the hollow places. These pictures show the wonderful bust development referred to in this article.

These pictures show the wonderful bust development referred to in this article. I have, therefore, decided to have a full description of my method printed in the form of a small booklet for free distribution to any ladies sufficiently interested to send me two two-cent stamps for return postage. I have nearly a thousand of these booklets left and this offer is made in the belief that they may prove of interest to the general public, as well as to my personal acquaintances. Simply send your name and address to Margarette Merlain Suite, 1176-C Pembroke House, Oxford street, London, W, England, and while they wait, a regular copy of my booklet will be sent you by return post, sealed and in plain wrapping. Postage on a letter to England is only two cents and no money is to be sent me for I have nothing to sell and that is not my object in consenting to have this article published.

NOTE—On referring this new method of bust development to Dr. Colonna, of the Faculty of Medicine, Paris, for a disinterested opinion of its efficacy, his report is as follows: "No matter whether a woman be young or old, nor what her condition of health may be, I firmly believe that in this treatment she has an infallible method for developing and beautifying her bust." In view of this praise from the highest medical authority, rendered after careful examination of the treatment, there can be no cause for hesitation in recommending it to every reader who requires anything of the kind.
