## Can't Help But Admire Babies

Every Woman Casts Loving Glance at the Nesting Cuddled in its Bonnet.

A woman's heart naturally responds to the charm and sweetness of a pretty child, and more so to-day than ever before since the advent of Mother's Friend.

This is a most wonderful external help to the muscles and tendons. It penetrates the tissues, makes them pliant to readily yield to the body's demand for expansion so there is no long period of pain, discomfort, straining, nausea or other symptoms so often distressing during the anxious weeks of expectancy.

Mother's Friend prepares the system for the coming event, and its use brings complete relief to the mother. It has a most marked influence upon the baby since it thus inherits a splendid growing system of nerves and digestive function.

And particularly in the mothers it is this famous remedy of inestimable value. It enables her to preserve her health and strength, and she remains a pretty mother by giving added all the sunning and danger the world overthers seems on such an occasion. Mother's Friend thoroughly lubricates every nerve, tendon and muscle, and is a sure preventive for caking of the breast.

You will find this splendid remedy on sale at all drug stores at \$1.00 a bottle, and it will be recommended for the purpose.

With Bradford Retailers, 131 Larch Street, Atlanta, Ga., and they will mail you sealed, a very instructive book for expectant mothers.

## Thousands More Civil Service Appointments

The establishment of the Parcel Post has greatly increased the work at the Postal Department. Thousands of additional Civil Service appointments will be necessary.

The opportunities for position in the Civil Service were never better.

Civil Service positions are desirable because the hours for work are not too long, salaries are good and certain and promotions are frequent.

The greater number of appointments will be made in the Postoffice Service, paying from \$600 to \$1,700 and more per year; the R. F. D. Service, paying \$1,100 per annum to standard routes; and the Railway Mail Service, paying from \$900 to \$1,800 per year.

Any American over 18 years of age who passes the U. S. Civil Service examination is eligible to one of these positions. The I. C. S. Civil Service Course instructs you how to meet the requirements of the Civil Service examination in any branch of the Government work.

Mark and mail the coupon below names of L. C. S. students who are now and we will send you a booklet giving holding Civil Service Positions at good pay. We will also tell you how you, too, can enter this profitable field of employment.
