PERSONAL PADEREWSKI PLAYS HERE ON MARCH 30

Inquiries Coming in From Hundreds of Music Lovers in City and Vicinity

The announcement of the Paderewski recital to be given Monday, March 30, has been received with much favor throughout Harrisburg musical circles, for no event in the musical line for years of more importance has been scheduled here. Many inquiries are being received from adjoining towns, and provision is being made to accommodate all who come. The subscription list, already largely signed, will be found at C. M. Sigler's music store. All subscribers as well as those sending mail orders will have the privilege of reserving seats a day in advance of the regular sale, which opens Wednesday, March 25.

Regarding Mr. Paderewski's appearance in Philadelphia on Monday evening last, the Inquirer says:

"There was a great crowd at the Academy of Music last evening and no wonder. The Boston Symphony Orchestra, which was giving its last local concert of the present season, is generally able to attract a capacity audience upon its own merits, and as it had Paderewski for its assisting arpeggiator, interest naturally centered in Paderewski of whom many musical experiences in the Far West something has been reported. His face showed some signs of the unpleasant ordeal through which he was made to pass, but not a trace of it could be recognized in his playing.

"That was as eloquent and brilliant and masterly as ever and the storm of applause which it elicited bespoke the admiration of a most intelligent and appreciative audience. Paderewski played his own concerto in A minor, op. 17, and while there are other things any one of whose masterly performance there is much of value and of beauty in this poetic and skillfully constructed composition. It has not been heard for many years, so that it possessed the attraction of a quasi-novelty and it was wonderfully well interpreted, with a captivating touch and a sympathetic sentimentality which is the most noteworthy and appealing characteristic feature of Paderewski's art.

HOW TO PREVENT ACID STOMACHS AND FOOD FERMENTATION

By a Stomach Specialist
As a specialist who has spent many years in the study and treatment of stomach troubles, I have been forced to the conclusion that most people who complain of stomach trouble possess stomachs that are absolutely healthy and normal. The real trouble, which causes all the pain and difficulty, is acid in the stomach, usually due to, or aggravated by, food fermentation. Acid irritates the delicate lining of the stomach and food fermentation causes wind which distends the stomach abnormally, causing that full bloated feeling. Thus both acid and fermentation interfere with and retard the process of digestion. The stomach is usually healthy and normal, but irritated almost past endurance by these foreign elements—acid and wind. In all such cases—and they comprise over 90 per cent. of all stomach difficulties—the first and only step necessary is to neutralize the acid and stop the fermentation by taking in a little warm or cold water immediately after eating from one to two teaspoonfuls of Bismuth Magnesia, which is doubtless the best and only really effective antacid and food corrective known. The acid will be neutralized and the fermentation stopped almost instantly, and your stomach will at once proceed to digest the food in a healthy normal manner. Be sure to ask your chemist for the Bismuth Magnesia, as I have found other forms utterly lacking in its peculiarly valuable properties.—F. J. G.—Advertisement.

MINISTER RUSHES WEDDING CEREMONY

Taken From Conference Committee to Parsonage Where Couple Waited

The Rev. B. H. Hart, pastor of the Fifth Street Methodist Church, made a record-breaking trip to perform a marriage ceremony last evening at 10 o'clock for Miss Caroline J. Kliney and Paul E. Snyder, both of this city, who are going to housekeeping at 1839 North Fourth street.

The popular pastor, who is attending conference this week, was assigned by the bishop to a special committee yesterday and compelled to stay in secret session for many hours.

Last evening a physician was called to the parsonage by the illness of one of the family just as a couple came to be married. The doctor told the young folks to wait and then hurried off to Grace Church in his auto, forced his way past the doorkeeper and, finding the Rev. Mr. Hart, told his errand.

Urgently requesting leave of absence for a couple of an hour, the minister and the doctor speeded off to the parsonage, where the wedding ceremony was performed and the trip made back to the church in exactly ten minutes.

Mrs. Sanford D. Lent, of Allentown, is spending the week among old friends in the city.

Miss Margaret McLain, of Pine street, is able to be out after an operation for appendicitis.

Fine Russian Program at Lenten Organ Recital

A program of Russian music will be played at the Lenten organ recital to-morrow afternoon at 5 o'clock in St. Stephen's Episcopal Church by Alfred C. Kuchwa Master Hugh Wall, boy soprano at St. Stephen's, will sing.

Following is the program: "Prelude in C Sharp Minor," Rachmaninoff; "Barcarolle," Tchaikovsky; "Berceuse," Tchaikovsky; "Scherzo in D," Volodinski; solo, "O Divine Redeemer," Gounod; "Largo," from "New World Symphony," Dvorak; "Alla Marcia," Rebkoff.

RESISTANCE TO DISEASE

Why is it that one person can work all day standing in cold water, slush and snow with no harmful effect, while another with less exposure contracts colds, pneumonia, rheumatism, sciatica or something equally distressing and dangerous?

Because in the first case the body was in such perfect balance that there was "resistance" to disease. In the second there was lack of tone that invited ill health.

Keep your system toned up with Dr. Williams' Pink Pills and foods that once distressed you will be harmless, exposure will bring on no fears of rheumatism and neuralgia and even germ diseases need hardly be dreaded.

Dr. Williams' Pink Pills assist digestion, correct the lassitude, the palpitating of the heart, shaky nerves and the pallor of face and lips that are the results of thin, impure blood.

Try Dr. Williams' Pink Pills for anaemia, rheumatism, neuralgia, nervousness. Take them as a tonic if you are not in the best physical condition and cultivate a resistance that will keep you well and strong. Get a box from the nearest drug store and begin this treatment now.
