This Home-Made Cough Syrup Will Surprise You

Costs Little, but there is Nothing Better at any Price. Fully Guaranteed.

Here is a home-made remedy that takes hold of a cough almost instantly, and will usually conquer an ordinary cough in 24 hours. This recipe makes a pint—enough for a whole family. You couldn't buy as much or as good ready-made cough syrup for \$2.50. Mix one pint of granulated sugar with 1/2 pint of warm water, and stir 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents) in a pint bottle, and add the Sugar Syrup. It keeps perfectly and has a pleasant taste—children like it. Braces up the appetite and is a slightly laxative, which helps end a cough.

On probably know the medical value of pine in treating bronchial asthma, bronchitis, spasmodic cough and whooping cough. Pinex is a most valuable concentrated compound of Norway white pine extract, rich in galic acid and other natural healing pine elements. Other preparations will not work in this combination. The prompt results from this inexpensive remedy have made friends for it in thousands of homes in the United States and Canada, which explains why the plan has been imitated often, but never successfully. A guaranty of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex or will set it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.

A WARNING TO MANY

Some Interesting Facts About Kidney Troubles

Few people realize to what extent their health depends upon the condition of the kidneys. The physician in nearly all cases of serious illness makes a chemical analysis of the patient's urine. He knows that unless the kidneys are doing their work properly, the other organs cannot readily be brought back to health and strength. When the kidneys are neglected or abused in any way, serious results are sure to follow. According to health statistics, Bright's disease, which is really an advanced form of kidney trouble, caused nearly ten thousand deaths in 1912, in the State of New York alone. Therefore, it behooves us to pay more attention to the health of these most important organs. An ideal herbal compound that has had remarkable success as a kidney remedy is Dr. Kilmer's Swamp-Root, the great Kidney, Liver and Bladder Remedy. The mild and healing influence of this preparation in most cases, is soon realized, according to sworn statements and verified testimony of those who have used the remedy. If you feel that your kidneys require attention, and wish a sample bottle, write to Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper, enclose ten cents and they will gladly forward it to you by Parcel Post. Swamp-Root is sold by every druggist in bottles of two sizes—50c and \$1.00.—Advertisement.

The Key to the Door of Business is The Telegraph

Love at first sight does not happen often, even in novels. It seldom happens in real life, and never in case of a newspaper. You must learn to love a newspaper, just as you learn to love a woman. The Public Ledger does not want fickle readers—here today and gone tomorrow. It does not want any man to continue to read the Public Ledger who is not convinced that it is the best paper he can buy. It does want you to read it long enough to find out.

BACHELORS BETTER AVOID THE ORPHEUM

The "Bride's Shop" Will Get You if You Don't Look Out; a Crackerjack Bill

This is "brides' matinee" at the Orpheum. More than twenty sweet brides were present as guests of the management, in honor of the appearance of "The Bride Shop," a headliner in which the bride is queen.

If "The Bride's Shop" does not put an irreparable crimp in the ranks of Harrisburg bachelors,—well, take it from Max, nothing ever will. You will, of course, pardon the inability of an unmarried critic to describe the wonders of the bride's trousseau, but all the ladies said, oh! and ah! and all the men seemed satisfied that everything was o. k. Yes sir, "The Bride's Shop" is some show and the eight models who work therein are most surely worthy of mention in the time of year when the fancy of young men is supposed to do an impassioned swoon.

A false count is to marry the bride who once was in love with "Billy," the head salesman of the shop, and that's the plot. While the count is being found out and Billy is busy winning back the bride occasion is given for the singing of several clever songs and the showing of the lingerie. Undoubtedly this last was the most engaging feature of the act. How a chap could sit through the ten minutes wherein the pretty models portrayed to the count and his fiancée the beautiful things that can be made of lace without wondering how soon he'll be lucky enough to get her to say yes is beyond imagination.

One of the most striking parts of the little one act musical comedy was a showing of new Spring gowns by the models wearing hair to match the shade of the garments in accord with the latest craze. And green, purple and tango haired maidens didn't look so queer as you might think, at that. Andrew Tombs as "Billy" furnished the humor while Lola Wentworth as the bride furnished the sweetness and tenderness and all those other things that are so acceptable in a very dainty and exquisite pretty little lady.

Good All Around Bill From a point of general excellence it is hard to pick a law in the bill this week. The show is worth seeing from "The Peers," comedy bar gymnasts, to the headliner itself. Bessie Le Count, a mimic comedienne, is as good as when she mimics, but she shouldn't try to sing. Her imitation of a man dressing in a hurry was
