MORE POINT WINNERS FOR TRACK ATHLETES

Plans Were Discussed and Date Fixed for the Annual High School Meet Last Night

Plans for the eighth annual State High School track meet were discussed at length at a meeting of the Harrisburg Track Athletic committee held in the Union Trust building last night.

In order to allow the athletes to have a week longer to train it was decided to hold the meet on Saturday, May 16, one week later than usual.

The grammar school meet will be held Thursday, June 4. A resolution was passed cutting out the five mile marathons in all track meets in Harrisburg.

Owing to the lack of time to permit the board of control of the State High School Athletic Association to take up provisions for this meeting, the committee last night gave notice that they would follow the new rules as far as possible but that in the future track athletes would be under control of the State board.

In accordance with the recent change in intercollegiate rules, and following those adopted by the A. A. U., there will be five places for points this year.

Resolutions were adopted expressing regrets of the death of the late John Y. Boyd, a former member. The resignation of George W. Kehr as secretary was accepted and George Hill was elected to succeed the retiring official who has been a faithful worker for many years.

M. Harvey Taylor, superintendent of parks and public property, was elected a member of the committee. Instructions were given the secretary to send out entries for the high school meet next week.

"Bob" Gets Knockout; Fitzsimmons Barred

Special to The Telegraph New York, March 28.—Robert Fitzsimmons, once heavyweight boxing champion of the world, was knocked out yesterday by the appellate division, which affirmed a recent order of Supreme Court Justice Seabury, forbidding the ex-champion to box in this State.

Justice Seabury upheld the New York State Athletic Commission, which has jurisdiction over the ring, and which had served notice upon the Atlantic Garden Athletic Club that it must not permit Fitzsimmons to participate in a ten-round bout with "Soldier" Kearns.

This action was taken by the commission because the ex-champion is now more than 50 years of age, and that is the age which it had previously decided upon as the limit. George Norton, Fitzsimmons' lawyer, says that he will take the case to the court of appeals.
