

Winter's Chills Breed Kidney Ills

Chilly, damp, changing weather is hard on the kidneys. Even more irritating are colds, grip, pneumonia, tonsilitis, quinsy and other infections. The kidneys get congested and inflamed, and this causes backache and disordered kidney action. Though serious in its latter stages, kidney disease is not hard to conquer if a good kidney remedy is used when the first signs of kidney trouble are noticed.

The best recommended kidney remedy in the world is Doan's Kidney Pills. You hear it everywhere. Get a box.

"Every Picture Tells a Story"

Spring Is Breaking; Backs Are Aching

Backache is often the first sign of some form of kidney disease that has been coming on for months. Look for the other signs:--lame back, sharp pains when stooping or lifting, dizzy spells, nervousness or despondency, with irregular, painful or distressing action of the kidneys; if these signs exist, decide that the kidneys need attention ere the trouble turns to gravel, dropsy or Bright's disease.

Read this home testimony and then give Doan's Kidney Pills a trial.

Harrisburg People Testify

HUMMEL STREET
Mrs. G. A. Weber, 313 Hummel St., Harrisburg, says: "One of the family suffered from kidney trouble and his back ached constantly. He felt tired and didn't rest well. Reading about Doan's Kidney Pills, I got a supply and they made an improvement in every way. I can't speak too highly of this remedy."
Mrs. August Peavy, 228 Hummel St., Harrisburg, says: "Doan's Kidney Pills have been used in my home. One of the family suffered from kidney trouble and pains and lameness through the small of the back. This person also had headaches and dizzy spells. On a friend's advice, Doan's Kidney Pills were used and they brought relief at once. Several boxes removed the pains and aches and made a marked improvement."

HARRIS STREET
George W. Shank, 235 Harris St., Harrisburg, says: "My experience with Doan's Kidney Pills was very satisfactory. I suffered from headaches and pains in my back, that I could hardly bear. I used Doan's Kidney Pills and they benefited me in every way. I advised another of my family to use them and they did just as good work in his case. I am pleased to confirm my former endorsement of Doan's Kidney Pills."
W. H. Gardner, 414 1/2 Harris St., Harrisburg, says: "I gave a statement eight or nine years ago, recommending Doan's Kidney Pills after I had received great benefit from them. Kidney complaint had caused much pain in the small of my back and sides and I had to lay off from work for several weeks. Doan's Kidney Pills brought me wonderful relief and proved beneficial in every way. I hold a high opinion of this remedy."

CRESCENT STREET
Mrs. Charles Fleagle, 451 Crescent St., Harrisburg, says: "For some time I suffered from pains in my back, together with a languid feeling. Then a friend told me to try Doan's Kidney Pills. I got a supply. After using two boxes the pains and aches left me. Doan's Kidney Pills have my highest endorsement."
Mrs. S. Oberholzer, 346 Crescent St., Harrisburg, says: "Doan's Kidney Pills have been used in my family and I can highly recommend them. The one who took this remedy suffered a great deal from backache, lameness in the joints and dull pains in the back. After using two boxes of Doan's Kidney Pills the pains and aches went away and the patient felt better in every way."

SUSQUEHANNA STREET
John H. Selders, 1316 Susquehanna St., Harrisburg, says: "For years I suffered intensely from kidney and bladder complaint. My back was in awful shape; it got lame, weak and sore. The backache often practically put me out of commission. My work obliges me to do a great deal of riding and heavy lifting and this brought on the complaint. I doctored and paid out a lot of money for medicine but it was Doan's Kidney Pills that gave me relief. I got them at Clark's Drug Store and I often recommend them to other people."

BOAS STREET
Mrs. Anna Hazard, 601 Boas St., Harrisburg, says: "I don't know what I would do without Doan's Kidney Pills. They are the only remedy that helped me and I am glad to again recommend them. Doan's Kidney Pills gave me relief from kidney complaint and backache from which I had suffered for about three years. Sometimes I could not lie in bed on account of the pains and at other times I was so lame I could not move. In the morning when I first got up, it was hard for me to get around. Doan's Kidney Pills acted promptly."

SHOWERS STREET
R. L. Boyer, barber, 537 Showers St., Harrisburg, says: "I have not been bothered by any of the symptoms of kidney trouble since I was cured by Doan's Kidney Pills. It gives me pleasure to confirm my previous statements, recommending this good remedy."
SUMMIT STREET
Mrs. John Ellicker, 131 N. Summit St., Harrisburg, says: "I am still an enthusiastic endorser of Doan's Kidney Pills. I gladly confirm my former statement, regarding this good remedy. I was cured of kidney trouble and have not had any return of the symptoms. I would not be without a supply of Doan's Kidney Pills in our home, in case any of us should catch cold in the kidneys."

Blood Troubles Vanish As If By Magic

Remarkable Remedy That Drives Every Particle of Poison Completely Out of Your Entire System.

Strength, Power, Accomplishment are all Typified in S. S. S.
Blood troubles often become so deeply rooted in the glands and interstices of the tissues, that only a most searching remedy will dislodge them. There are many reasons why S. S. S. is this remedy. To begin with the ingredients of which S. S. S. is composed are of vegetable extraction. For this reason they are readily passed through the walls of both the stomach and the intestines. Thus it goes directly into the blood circulation and its action is relatively the same as that of the other blood materials.
THIS IS IMPORTANT.
We derive all sustenance from our food whether solids such as meats, grains, fats, salts and sugars or in liquids, as the elements of oxygen, hydrogen and nitrogen combined, or in the free, or gaseous, state as in the air we breathe. All of these various food materials are converted into substances which are selected from the blood stream to make up the constructive tissues and frame work of the body. And as fast as they keep building up, just as rapidly do all of these materials turn into body wastes to be excreted. But with a goodly share of humans, these wastes are not properly thrown out and they thus remain
A PERIL TO HEALTH.
Here is where S. S. S. enters to assist the blood stream to more adequately perform the function of supplying pure blood in the arteries and carrying off the waste material through the veins. Naturally an assimilable remedy, S. S. S. not only has a prompt medicinal effect, but unlike food, it is not changed, it is not converted by the liver, it is not burned up in the lungs or tissues by oxidation. On the contrary, it continues to circulate in the myriad of cells in the interstices of the tissues until it gradually works its way out through the skin or the kidneys. And all the time it is an active agent, it remains a medical influence, it keeps steadily at work preserving the natural function of the blood to give healthy material for that which has broken down.
KNOWN BY RESULTS.
This is not a theoretical essay. It is a simple statement of physiological laws and known results. There is scarcely a community in the entire United States but what has its staunch supporter of S. S. S. There is a host of men and women who struggled for years with some form of skin trouble such as eczema, psoriasis, or acne; there is a legion of people who cured themselves of some chronic sore or ulcer. And the number who have overcome catarrh, poisoned blood from various causes, malaria, anemic conditions and all forms of rheumatism, is sufficient to convince anyone that S. S. S. is a natural blood remedy and bound to drive out all impurities.
There isn't a well stocked drug or department store anywhere in America but what has sold S. S. S. continuously year after year. It is the most generally recommended remedy known.
Not a drop of minerals is used in this famous preparation and it is thus a remedy that anyone can safely use and can honestly and conscientiously urge his best friend to use it. For this reason when you ask for a bottle of S. S. S. do not be talked into something "just as good," as you will certainly be fooled and deceived.
S. S. S. is prepared only in the laboratory of the Swift Specific Co., 468 Swift Bldg., Atlanta, Ga.
And anyone who is afflicted with any form of blood trouble, may write for free advice on the best method of using S. S. S. together with helpful advice on other matters. This department has been of incalculable benefit to a host of thankful people during the past half century.

PERSONAL Little Girl Star

One of the very best performers in last night's concert given in the West Fairview Methodist Church for the benefit of the West Fairview Free Library was little Miss Wilhelmina Wohlfarth. Miss Wohlfarth is a reader of quite some note throughout Harrisburg social and literary circles and her work of last night was as good as her very best.
ENTERTAINS CLASS

West Haven Inventor Is Victim of Circumstance

By Associated Press
New Haven, Conn., April 1.—That he is the victim of circumstance and false accusations is the claim to-day of John J. Hogan, of West Haven, an inventor, widely known as an authority on marine and automobile engines, who is awaiting a hearing on April 11 on a charge of attempted murder.
It is alleged that recently while Miss Margaret Williams, of this city, was taking tea at the Hogan home the inventor put poison in Miss Williams' tea and that of his wife and that his presence was discovered as Mrs. Hogan began to sip the tea. Hogan's arrest followed an investigation by the authorities and he is now held under \$5,000 bonds for his preliminary hearing. Hogan to-day insisted that he knew nothing about the allegations and his wife denies them.

Boy Locked in Box Car 3 Days Sees Food, But Is Unable to Reach It

By Associated Press
Cranford, N. J., April 1.—In magistrate's court here yesterday Benjamin Wickham, 14 years old, told of his experiences for three days locked in a refrigerator car filled with fruit that he could see through a grating but could not reach.
The boy lived in New York city, where his uncle, Charles Wickham, still resides, but a year ago his parents moved to Florida. He said he longed to be back in New York and had climbed into a refrigerator car in Jacksonville, Fla., and started north. The doors were locked and sealed upon him.
He tried to get to the fruit, but found that it was locked in compartments where it would be cooled by ice on the trip north. In that manner he starved and thirsted for the juicy fruit for three days, until the car was opened near here and he was found. His uncle was notified and came and got the boy, Magistrate Trimmer releasing him.
