

HAIR CAME OUT BY COMBEFOLS

Scalp Itched So Couldn't Sleep. Head Sore. Coat All White With Dandruff. Eruption on Scalp. Cuticura Soap and Ointment Cured.

1117 Dartmouth St., Scranton, Pa.—“My hair was coming out by combfuls every time I combed it so that I thought I would have no hair on my head. My scalp itched so that I could not sleep at night and I was glad for morning to come. My head felt awfully sore and itchy and I scratched it till I had it bleeding. My whole scalp was all covered with dandruff and it was peeling off. I was ashamed to go out for my coat would be all white with it. My scalp was full of eruption and my hair was lifeless looking.

“I used remedies and they didn't help at all. Then I heard of Cuticura Soap and Ointment so I got a sample and they seemed to do good. Then I got a box of Cuticura Soap and Ointment and some Cuticura Soap and kept putting them on morning and night. Altogether it was only one week and I used Cuticura Soap and Ointment and I was cured.

“My arms chapped awfully badly if I went out in the cold. My skin would crack all to pieces and pimples came and they were awfully sore. I was restless at night. But now since I used the Cuticura Soap and Ointment my arms are fine and do not chape any more.” (Signed) Miss Alvina Lucas, Nov. 14, 1913.

For treating poor complexion, red, rough hands, and dry, thin and falling hair, Cuticura Soap and Cuticura Ointment have been the world's favorites for more than a generation. Sold everywhere. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card “Cuticura, Dept. T. Boston.”

“Men who shave and shampoo with Cuticura Soap will find it best for skin and scalp.”

DON'T TRUST CALOMEL

Thousands Experience Bad After Effects From This Dangerous Drug

A Safe Vegetable Substitute Is Dr. Edwards' Olive Tablets for the Liver.

Dr. F. M. Edwards, a prominent physician of Ohio, has discovered a laxative and liver tonic in a combination of vegetable materials mixed with olive oil, which is in fact almost exactly like calomel, except that there are none of the bad after effects.

Dr. Edwards has found that a foe of calomel, though he recognized its value along with its dangers.

His distrust of the uncertain drug eventually started him, years ago, towards experiments with the view of discovering a substitute for calomel, which has been for several years in possession of the long-sought-for combination, which is in fact almost exactly like calomel, except that there are none of the bad after effects.

The results of 17 years' experience and practice in the use of these marvelous little tablets.

They are called Dr. Edwards' Olive Tablets. And the reason for this is that they have been the means of relief to many of Dr. Edwards' regular patients as well as to thousands of others who have suffered and were afraid of calomel.

There is no necessity, when you take Dr. Edwards' Olive Tablets, by following them up with nasty, sickening, griping salts, or castor oil, as you do after taking calomel. Try them. 10c and 50c per box. The Olive Tablet Company, Columbus, O. At all druggists.

PENROSE GOES BACK AT PALMER

Charges That Inspectors in Government Got Gentle Reminders, Too

Congressman A. Mitchell Palmer got a hot retort for his heated statement in reply to statements on the York-Adams post office scandal from Senator Penrose yesterday. The senator's comments on the scandal were amplified by charges that inspectors employed on United States government work in Pennsylvania are being asked to support Palmer for the Democratic nomination in the return for his promise to obtain them a 20 per cent. increase of pay, in the course of an interview in which he accepted the challenge of Congressman Palmer for an investigation into the political activity of Pennsylvania postmasters.

The statement of Senator Penrose follows: “I have noticed Mr. Palmer's challenge in the morning papers and cheerfully accept the same. I will co-operate with him to have a congressional investigation beginning at once as to the charges that inspectors employed on United States government work in Pennsylvania are being asked to support Palmer for the Democratic nomination in the return for his promise to obtain them a 20 per cent. increase of pay, in the course of an interview in which he accepted the challenge of Congressman Palmer for an investigation into the political activity of Pennsylvania postmasters.”
