

Miracle Step Saver in 500,000 Homes

Why Not Decide This To-morrow—Once For All?

1. Do you want this NEW HOOSIER put into your Home NOW for only \$1.00?
2. Or will you wait and miss the benefits of the liberal HOOSIER PLAN?

No matter what your income—whether your husbands makes \$500 a year or \$5,000, this new Hoosier Cabinet can help you so much in your kitchen work that purchasing it now will be a big economy.

- It Saves Steps
- It Saves Time
- It Saves Health
- It Saves Money
- It Saves Good Looks

The end of this great opportunity may come sooner than we expected. Scores have stood in front of our window and admired "White Beauty" shown there. Many have already enrolled on the HOOSIER PLAN, which is as follows:

1. \$1 puts the Hoosier you select in your home.
2. \$1 weekly quickly pays for it.
3. The Low Cash Price fixed by the factory prevails strictly.
4. The sale is under the direct supervision of the Hoosier Company.

5. No interest, no extra fees.

6. Your money back if you are not DELIGHTED with your Hoosier.

THE NEW HOOSIER CABINET at the present low cash price, on this plan, is a wonderful value. This great offer naturally must be limited to a few cabinets. When these are taken the sale closes. You will then have to pay regular terms as for all other furniture.

Your problem is simply this: To-morrow you can examine at your leisure "White Beauty" and the other Hoosiers with "Oak" inside. You do not obligate yourself in any way. You can then decide at once and use your Hoosier to-morrow or later, as you choose.

Will you grasp this opportunity and come to-morrow? Or will you delay and risk coming too late?

The Only Place in Town Where Hoosiers Are Sold

Neil O'Brien Minstrels at Majestic Theater Tomorrow

Celebrated Funmaker Brings a New Aggregation of Entertainers and a New Production of Scenery

Theatergoers will have an opportunity to see Neil O'Brien and his "Great American Minstrels" at the Majestic Theater to-morrow afternoon and night. This is Mr. O'Brien's second season at the head of his own company, an organization which he and his manager, Oscar F. Hodge, promoted last year on broad gauge principles and which immediately became recognized as one of the biggest, brightest and most classy minstrel shows launched in a decade.—Advertisement.

tieth year, is remarkably well-preserved, having full possession of all her faculties, and being in robust physical condition. She has no gray hair and seems in appearance and action like a woman thirty years her junior. She has resided in that place and Washington Borough for many years.

Daniels' Order Continues to Be Main Topic For Discussion in Capital

Washington, April 7.—Secretary Daniels' order barring alcoholic liquors from American warships and naval stations continued to-day to be a topic of animated discussion at the Army and Navy Club and wherever navy officers gathered. Mr. Daniels said he has not yet considered in what circumstances he will make exceptions to the iron-clad rule, but reminded his inquirers that Surgeon General Braisted, who recommended the banishment of alcohol had suggested that exceptions could be made wherever international courtesy required. The secretary has not made up his mind what course he will pursue when the international fleet mobilizes at Hampton Roads next year to go through the Panama canal at its formal opening. "I am sure the order will meet with the approval of nearly all officers and I expect full compliance," said Mr. Daniels.

The order created no little interest among army officers, but none of the officials of the War Department would comment for publication. When the subject was mentioned to Secretary Garrison, he said: "When I was a young man my father pointed out to me a man who had made a fortune minding his own business."

To-night's the Fateful Night For M. Osquito

To-night's the fateful night, and in his marshy cave the buzzing demon must prepare to meet an untimely grave. The reference is, of course, to the mosquito, whose early extinction may be presaged following the turning of science in his direction. To-night at the Dauphin County Medical Society meeting a paper will be read by Dr. Clarence R. Phillips, in which the relation of the mosquito to local malaria will be discussed. Lantern slides will show the development of the little beast with the long and exasperating stinger. Considerable attention will be paid to a destruction of the breeding places of the pest as found in and around Harrisburg.

LABOR GROUP TO MEET

Washington, April 7.—Preparations were completed to-day for the conference to-night of the members of the "House Labor Group." It was expected that favorable reports would be received from the committee instructed by the group to urge the passage of the Barlett-Bacon bill to limit the injunction power of courts in labor disputes.

CITY SPENDS \$30,000 FOR EASTER FLOWERS

Many Churches Will Not Make Lavish Expenditures For Decorations This Year

With the approach of Easter committees in the churches which have been named to take in charge the adornment of chancel and altar and nave for the Easter services, are busy themselves in getting together the flowers and potted plants that will convert the interior of each church into a sea of living green. In past years, what with the churches and the large amounts spent by private individuals it is estimated that Harrisburg annually spent for Easter flowers about \$30,000, but, according to a well-known florist, it will be extremely difficult to say what amount will be expended this year. Florists are prepared for the onslaught on their "wares" by flower-lovers, and many have sent to Philadelphia to add to their stock.

In regard to decoration in the churches the tendency seems to be to spend less in this way than formally, the money being kept for missions and the poor, and the decorative effects eked out by plants loaned by parishioners. Some churches make a few flowers go a long way by proper and sensible arrangement.

The Easter lily is of course the favorite flower. The Bermuda lily has almost faded away. It came up suddenly a decade ago. Now ninety per cent. of all Easter lilies are raised from bulbs imported from Japan, and American growers not only supply America but most of Europe as well. The standard price all over the country is twenty-five cents per bloom. The florists buy them from growers at ten to twelve cents per bloom; but this year the price asked by the growers is said to be higher.

Organize Boys' Club.—Organizing along lines similar to that which governs the Tadpoles, a boys' club of the Pine Street Presbyterian church, an organization called the Badgers last night was formed at Bethany Presbyterian chapel, Cameron and Cumberland streets. While the club was being organized last night half a hundred boys were royally entertained with games and refreshments. C. C. Johnston, teacher of the Tadpoles, is leader of the movement. Officers elected last night to serve a year are: President, Charles Heiney; vice-president, William Metzger; secretary, Jerald Dye; treasurer, Frank Noble. A baseball team will take the field with John Brown manager and William Metzger, captain.

At Harris St. U. E.—Special services are being held every evening of this week at the Harris Street United Evangelical Church. Special Lenten sermons are being preached by the pastor, the Rev. George F. Schaum.

[All Easter church music should reach the Telegraph editorial rooms not later than 3 o'clock Thursday afternoon. Because of the great number of special concerts and recitals to be given throughout the city it is absolutely necessary that no program be sent in after this hour.]

NEW SCHOOL DIRECTOR

Special to The Telegraph. Dillsburg, Pa., April 7.—At the regular meeting of the Dillsburg school board held last night Charles W. Gross, of Gettysburg street, was appointed a member of the board. Mr. Gross was elected as director last Fall, but he could not serve at the time, as he had not been a citizen of the borough for a year previous to his election, as required by the law. This will be the first time in several years that the Dillsburg school board has had a full membership, as removals from the borough and other causes have been keeping a vacancy almost continually.

WOMEN'S MISSIONARY MEETING

Anville, Pa., April 7.—The thirty-sixth annual meeting of the Woman's Missionary Association of the East Pennsylvania Branch of the United Brethren in Christ, will be held in the United Brethren Church, April 21, 22 and 23. The opening session will be Tuesday afternoon at 2.30 o'clock. Two noted speakers have been obtained for the convention. Dr. William Ellis, of Swarthmore, Pa., and Mrs. Mary R. Albert, of Dayton, Ohio.

Amateur Photographer Falls Into Antietam Creek

Special to The Telegraph. Hagerstown, Md., April 7.—Mrs. W. T. Bacheller, of Wilkes-Barre, Pa., who is visiting this city, had a thrilling experience by falling into the Antietam creek near Funkstown, where she had gone with a party of friends to inspect a camp of gypsies. After visiting the camp the visitors proceeded down the stream to Hoffman's Rock, where they prepared to pose for a picture. Mrs. Bacheller, who had the camera, stepped backward to get the proper range for the picture when suddenly she gave a scream and slipped over the edge of the rock, falling into the creek.

RED MEN INSTALL OFFICERS

Special to The Telegraph. Anville, Pa., April 7.—Deputy Grand Sachem Samuel Mann, of Lebanon, last night installed the recently elected officers of Cayuga tribe, No. 102. He was accompanied by a delegation of Swatara tribe, of Lebanon. The ceremony was witnessed by a large number of Red Men. Following the ceremony refreshments were served. The officers are: Prophet, John Hartline; sachem, Leroy Bowers; senior sagnore, Reuben Boltz; junior sagnore, Amos Fordney; chief of records, Charles E. Miller; keeper of wampum, H. A. Loser; trustee, H. Lenich Meyer; representative to great council, John A. Wood; alternate, Robert W. Speck.

Miss Sarah Brown Honored on Her 89th Birthday

Columbia, Pa., April 7.—The home of Mr. and Mrs. George H. Wike, 318 Walnut street, this place, was the scene of an unusual event, when a public reception was held for Miss Sarah Brown, on the occasion of her eighty-ninth birthday. Scores of her friends called at the Wike home to tender congratulations and a number brought with them suitable gifts. Some were present from Lancaster, Harrisburg and other points. Miss Brown, although in her nine-

Recent Deaths in Central Pennsylvania

Special to The Telegraph.

Elizabethville.—Mrs. George A. Harner died at her home in East Main street on Sunday afternoon of a complication of diseases and after a long illness. For many years the family resided on their farm east of this place, but her latter years were spent in town, where she had many warm friends. She was 62 years old and is survived by her husband and one daughter, Mrs. Harvey D. Romberger, of Harrisburg. Funeral services will be held on Friday morning and burial will be made in the Maple Grove Cemetery.

Elizabethville.—Mrs. Amanda M. Ebersole, 64 years old, died very suddenly from an attack of heart disease. Several weeks ago, her son, Oliver, had his right arm torn off at the Kreider Shoe Factory, and he was her only support. Only a few hours before her death she visited her son at the Lancaster General Hospital.

New Holland.—Mrs. Susan Raeder died from heart disease, very suddenly yesterday. She was 61 years old. Her husband survives.

Progress.—Alfred H. Cornprobst, of Progress, died yesterday morning while visiting his sister, Mrs. James Snow, 614 Oxford street, Harrisburg. He is survived by his wife and six children. Funeral services will be held Friday afternoon at 2 o'clock from his home in Progress.

Clay.—Mrs. Susan Kline died at her home after a long illness. She was 67 years old. Three children, five grandchildren, two brothers and a sister survive.

Shippensburg.—John Seanners, of East King street, died Sunday evening from neuralgia of the heart. He is survived by his wife and the following children: William, Stella, Nellie, Clyde, Mary and Esther.

Mountville.—Elias H. N. Neucomer, 64 years old, a retired flour and feed merchant, and member of the wholesale firm of Gohret and Neucomer, died very suddenly on Sunday, while seated in a chair at the home of his son, in Reading. He was a resident of Lancaster county all his life and his wife and one son survive.

Sunbury.—Jesse Cable, a well-known railroad man, died at his home at Weigh scales, of a complication of diseases, aged 66 years. He was employed at Weigh Scales as weighmaster for many years and saw hundreds of thousands of tons of coal pass out of the mining district of Northumberland county. He entered the employ of the Pennsylvania more than thirty years ago.

A Human Match Factory

The body contains phosphorus sufficient to make 483,000 matches. Phosphorus is one of fourteen elements composing the body—divided among bones, flesh, nervous system and other organs. The perfect health of body requires a perfect balance of the elements. These elements come from the food we eat—the stomach extracts and distributes them.

But if stomach is deranged—the balance of health is destroyed and the blood does not carry the proper elements to the different organs, and there is blood trouble—nerve trouble—heart trouble. Pain is the hungry cry of starved organs. Put the liver, stomach and organs of digestion and nutrition into a condition of health. That is just what is done by

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY

which has been so favorably known for over 40 years. It is now put up in tablet form, as well as liquid, and can be obtained of medicine dealers everywhere or by mail by sending 50 cents in 1c stamps for trial box—address R.V. Pierce, M. D., Buffalo, N.Y.

THE COMMON SENSE MEDICAL ADVISER is a book of 1008 pages handsomely bound in cloth—treats of Physiology—Hygiene, Anatomy, Medicine and is a complete Home Physician—Send 31c stamps to R.V. Pierce, Buffalo, N.Y.

Cutting Down the Heating Cost

This weather requires fuel that contains the maximum in heat value. Fuel that possesses the most heat units will give the desired result with the least possible consumption. You can't cut your coal bill by cheaper prices—they are uniform, but you can reduce your heating expense by using less coal. Our coal is the cheapest because it goes the farthest.
