

## HIGH CLASS SOLOISTS TO FEATURE FESTIVAL

**Singers of Rank Will Take Leading Part in Oratorio**  
April 14

The soloists for the Easter festival of the Harrisburg Choral Society on Tuesday, April 14, in the Majestic Theater, will be Miss Marie Stoddart, soprano, Miss Brenda Macrae, contralto, Roy Williams Steele, tenor, and James Stanley, baritone.

In addition to the New York soloists a number of Harrisburg's best singers will take a leading part in the rendition of "Elijah." In the number "For He Shall Give His Angels Charge Over Thee," written for a double quartet, Mrs. Roy G. Cox, soprano, Miss Belle McLaughlin, contralto, Sherman A. Allen, tenor and A. W. Hartman, bass, will sing with the soloists of the evening. The ladies' quartet "Holy Is God the Lord," will be sung by Miss Stoddart and Mrs. Wilbur F. Harris. The trio, "Lift Thine Eyes" will be sung by Miss Stoddart, Miss Macrae and Mrs. Harris.

In addition to these local soloists there is a very important part taken by a boy soprano. This part will be sung by Hugh Wall, son of Dr. R. J. Wall, of this city.

Crowded houses will greet the soloists at both the afternoon and evening concerts. The box office at the Majestic Theater will be open to honoratory members to-morrow morning at 8 o'clock for the reservation of seats. On Saturday morning at 9 o'clock it will be open to the general public.

Miss Marie Stoddart, the soprano, ranks among the first of the young American sopranos.

**Soloist Rank High**  
During the half dozen years of her professional career Miss Stoddart has had a broad experience in recital, oratorio and concert work and in many of the foremost cities of this country has established her position permanently. Miss Stoddart has sung with the New York Symphony Orchestra under the leadership of Walter Damrosch, the New York Oratorio Society, the Apollo Club of Brooklyn, the Minneapolis Choral Society, the Orpheus Club and the Fortnightly Club of Philadelphia, and many others.

The voice of this described as a lyric soprano of most agreeable quality, ample in size and unusually flexible.

Brenda Macrae's voice and exquisite art have won her the interest and patronage of royalty. The fortunate possessor of a delightful personality, this "gracious and goodly maiden" is

**IF SKIN BREAKS  
OUT AND ITCHES  
APPLY SULPHUR**

Use it like a cold cream and dry  
Eczema eruptions  
right up.

The moment you apply bold-sulphur to an itching or broken-out skin, the itching stops and healing begins, says renowned dermatologist.

This remarkable sulphur made into a thick cream effects such prompt relief, even in aggravated Eczema, that it is a never-ending source of amazement to physicians.

For many years bold-sulphur has occupied a secure position in the treatment of cutaneous eruptions by reason of its cooling, parasite-destroying properties, and nothing has ever been found to take its place in relieving irritable and inflammatory affections of the skin. While not always effecting a permanent cure, yet, in every instance, it immediately subdues the itching irritation and heals the Eczema right up and it is often years later before any eruption again manifests itself.

Any good pharmacist will supply an ounce of bold-sulphur cream, which should be applied to the affected parts like the ordinary cold creams. It isn't unpleasant and the prompt relief afforded is very welcome, particularly when the Eczema is accompanied with torturous itching.—Advertisement.

Physician Advises Men.**  
(From Health Record.)

A general failure of the vital organs, such as the stomach, liver, kidneys, heart, etc., to perform to the full extent their normal duties is responsible for many symptoms, often classed as "diseases" by the unlearned. However, such symptoms are not to be regarded lightly, for they are the forerunners of diseases and premature decline. These symptoms are in the nature of warnings of the approach of low vitality, dependency, brain lag, and all the more or less dreaded ailments to which mankind is heir.

**Hard Work to Raise Funds  
For Y. M. C. A. in York Co.**

*Special to The Telegraph.*  
Dallastown, Pa., April 9.—When the captains of the various local teams to raise funds to establish a Y. M. C. A. here in connection with a York county co-operative movement, reported last night that only \$222.50 of the \$700 was subscribed, Dallastown dropped out of the Y. M. C. A. problem. Three apparently enthusiastic meetings, each followed with a supper tendered by the townsmen were held. The principal reason for dropping the matter was an apparently over-taxed community for religious purposes, such as new churches and parsonages and they could not see their way clear to an additional expense at present. Red Lion was the only borough that came up to the standard asked by the county work committee, of which Vance C. McCormick is chairman, W. J. Campbell, secretary and E. J. Hockenbury, campaign manager, all of Harrisburg. The entire sum subscribed is \$1,528.50 as follows: Red Lion, \$673.50; Wrightsville, \$575.50; Dallastown, \$222.50; Mt. Wolf, \$57; York Haven dropped out the first day.

In speaking of the amount of the subscriptions State Field Secretary Hockenbury said last night that the results were very good for the four towns, and that as the plans originally called for eight towns to give the \$3,500 needed for county work, the campaign c. yesterday was the first installment, and the campaign will be continued in other towns in the county and that after this fund was secured from other towns of the county the county committee will be organized and start work. State-county Secretary Campbell will remain in this locality to carry on the work. The other workers left for their regular field of labor last night.

## FOREST FIRE BURNS OVER FIFTY ACRES

**Valuable Timberland and Orchards  
Saved by Hard Work of  
Fire Fighters**

*Special to The Telegraph.*  
Waynesboro, Pa., April 9.—A forest fire that burned over fifty acres of timberland in the vicinity of Bear-town, near Buena Vista Springs, Tuesday night, was only gotten under control by hard fighting of a large force of men who indulged in back firing.

When the fire was discovered by several women in Beartown, there were no men to combat its advance.

Two women, Mr. Charles Woodring and Miss Hattie Shockey, proved themselves heroines by quick presence of mind and decisive action. Realizing that the flames were eating their way unchecked toward the large apple orchard of Mr. Woodring, they quickly hitched horses to a plow

and turned several furrows around the fruit trees and succeeded in arresting the fire and saved the orchard.

Shortly afterward a large force of men arrived on the scene and the conflagration was gotten under control but not until the lands of Charles Woodring, D. Y. Snowberger and Harry Stouffer were burned over. Forest Ranger Thomas directed the fire fighters.
