The End of a Great Offer: **Tomorrow Your Last Chance to Have** the New Hoosier Put in Your Home for \$1

The Hoosier Plan Is Simply This:

- \$1 puts any Hoosier you select in your Home.
- \$1 weekly quickly pays for it.
- The Low Cash Price fixed by the Factory prevails strictly.
- The Sale is under direct super-
- vision of the Hoosier Company.
- No interest. No extra fees. 5
- Your money back if you are not delighted with your Hoosier.

What Possible Reason can remain to deprive you of the use of this Hoosier? Only the small number of Hoosiers left and the certainty that more women will come than we can supply. Every day we have enrolled more women on the Hoosier plan than we expected. There are fewer cabinets left for tomorrow than we have sold on any one day. These few undoubtedly would be taken without this ad, but we make this final announcement to keep our promise to advise you of the last day.

We Now Have Kept Our **Promise to You**

Please remember, if you come too late, that we have told you every day of the progress of this sale, and that we now give you the final date in time for you to still enroll if you act early tomorrow.

These 40 Features

which we have described in detail this week, are backed by the full guarantee of the Hoosier Company. For 16 years this com-

pany has built the famous HOOSIER

and in all that time has never added an "improvement" that proved a failure. But unless you sit down in front of this beautiful cabinet and see its wonderful conveniences yourself you cannot hope to realize how much labor this new Hoosier would save you.

(1) See for instance, how the big, roomy, metal table, slides out 16 inches over the base. Notice how an exclusive Hoosier patent prevents this table from warping.

(2) Observe especially how cleverly the table is utilized to bring things you need often nearest your hand. The sliding table enables you to open the doors without removing anything from the table, and the insides of the doors save any danger of knocking things over by reaching across the table for those supplies you use scores of times daily.

Our window, displaying these features in "White Beauty," has caused more talk than any window display we've ever had. SEE IT. Tomorrow is the last day.

(3) "What shall we have for Dinner?" If yours is one of the millions of homes in which that is an eternally per-plexing problem, Mrs. Christine Fred-erick's Food Guide — now an exclusive part of the Hoosier Cabinet, will save you enough time and money to pay for the Cabinet in less than a year. Simply turn the dial until you see the meat you want and a choice of several perfectly balanced economical menus is before you. Don't fail to examine this feature tomorrow.

(4) Every woman has favorite recipes. If you're like most women, you have (1) If you're like most women, you have difficulty remembering where you put the one you want. The Metal Recipe Card File has 50 cards and ten index guides. You can paste or write the recipe and file it always at your fingers' ends. A special holder is provided so you can keep any recipe you are using at level of your eyes—without holding or soiling it.

It cannot grind grit or dirt through. It makes flour fluffy and light. The only thing of its kind. An absolutely new helper in your kitchen.

These and 35 other conveniences are worth examining tomorrow -even at some personal effort on your part. Tomorrow is your last chance to decide whether you want them now on the easy Hoosier Plan.
