

# COOL WEATHER FACTOR IN OPENING GAMES

### Feds Started the Season Today; Major Leagues Will Line Up Tomorrow

With a bit too much coolness, the baseball season of 1914 started today. Major leagues do not open until tomorrow and so the Baltimore and Buffalo teams of the Federal League received first attention.

Unusual interest is manifested in the big game this season because of the many different opinions as to the chances for a third major organization's making good. Neither the National or American League will show any extraordinary weakness because of the loss of players to the Feds. In their opening predictions both Governor John K. Tener of the Nationals and Ban H. Johnson of the Americans, prophesy a successful season.

Harrisburg fans who seldom miss an opening game will go to Philadelphia to see the Phillies and New York Giants get under way. Big preparations have been made for the opening game in the Quaker City. Governor John K. Tener, president of the National League, will attend. He has arranged that Mayor Blankenship toss out the first ball. In the American the Athletics start their season with the New York Yankees in New York.

### Umpires Instructed; New Rules Interpreted

New York, April 13.—With special instructions carefully stowed away with their certificates of authority, the National League umpires left for their respective fields of labor this morning.

Governor John K. Tener, president of the National League, was unable to be present at the conference held here Saturday. Governor Tener mailed his instructions to Secretary John W. Heydler, who presided over the meeting. Changes in some of the rules this season made it necessary for an official interpretation.

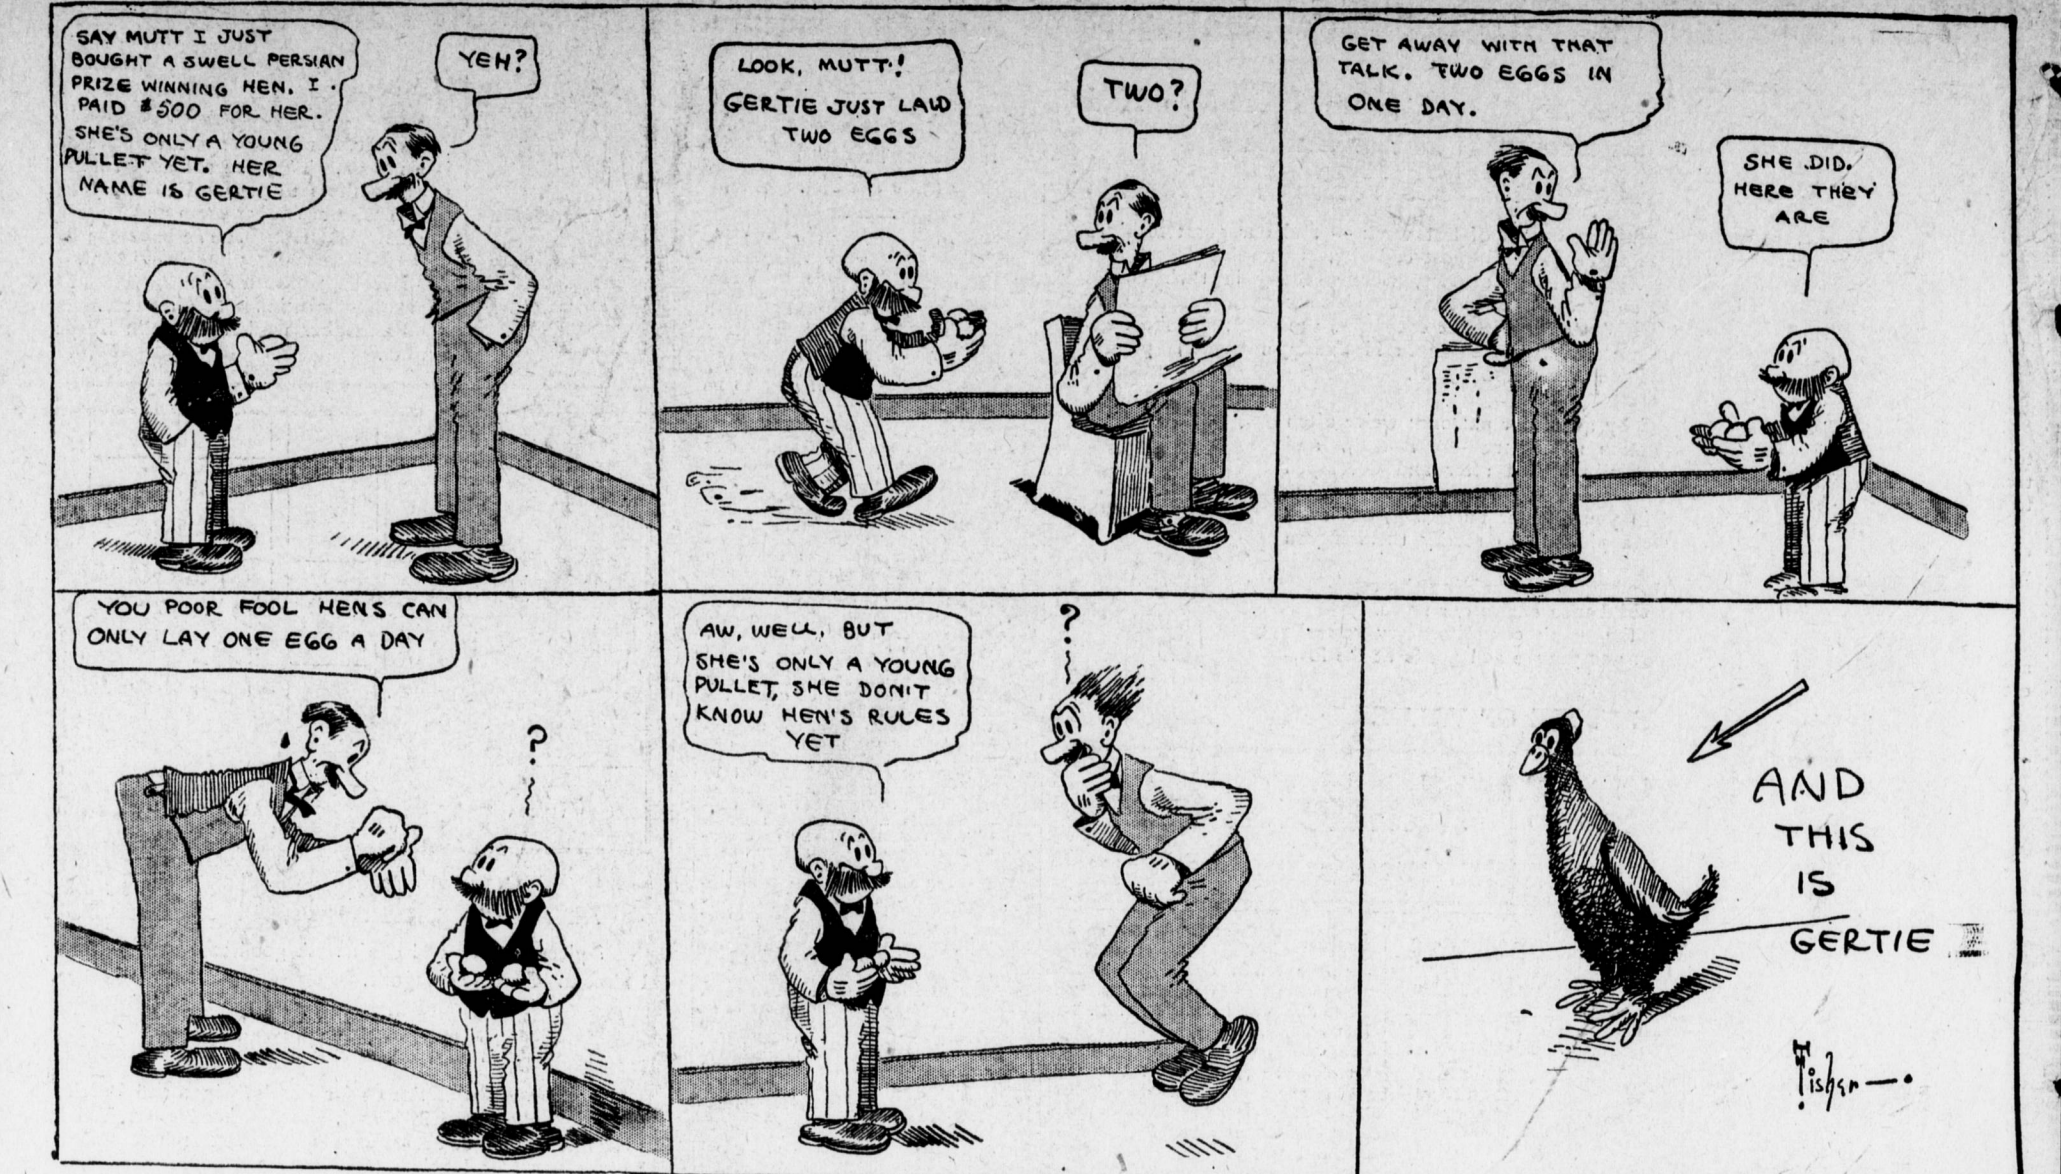

It was decided to enforce the so-called infield fly rule in the same manner as it had been interpreted by National League executives for several seasons past. The ball rule will also be enforced as last season in those cases where pitchers, with men on bases, drop that ball, either by intent or accident, while in the act of delivering the ball to the batter or in throwing to first base. The umpires were also expected to enforce strictly the new rules preventing a coacher at third base from touching a base runner. A runner trying for or rounding that base, who either through accident or design, comes in contact with the coacher, will be declared out.

The pairing of the officials and their assignments for the opening games are as follows:

Klem and Hart at Brooklyn, Eason and Quigley at Philadelphia; Orth and Byron at Cincinnati and Rigler and Emslie at St. Louis. Johnson will act as substitute for the time being. Lincoln will be ready to assume a major league assignment at any time, though he will be attached to President O'Rourke's staff of the Eastern Association.

The umpires in attendance were Robert D. Emslie, of St. Thomas, Canada; William J. Klem, of Lakewood, N. J.; Charles Rigler, of Cleveland; Al Orth, of Lynchburg, Va.; W. J. Byron, of Detroit, Mich.; E. C. Quigley, of St. Marys, Kan.; Harry Johnson, of Chicago; Will Hart, of Bond Hill, Ohio; and Fred H. Lincoln, of Worcester, Mass.

# TROUT SEASON OPENS SUNRISE WEDNESDAY

### Local Anglers Are Prepared For a Busy Time; Fly Fishing Will Be Popular

Unless it starts to rain to-day and keeps up until Wednesday there will be no colored or swollen streams to lessen the ardor of the trout fishermen who will have their first day out on Wednesday. The season runs from April 15 until July 15.

Reports from local dealers of large sales of tackle indicate much interest in trout fishing this year. That there will be a great rush of Isaak Walton followers to nearby streams on Wednesday is not doubted. Trout should be plentiful, according to many old-timers. The State has been stocking streams with trout for several years and this season many of these trout will be large enough to catch.

Harrisburgers will, as usual, be found throughout the Cumberland valley along mountain streams, in and about Newville and Carlisle and near Pine Grove. Some of the local trout enthusiasts will go to the mountain streams in Perry, Millin, Huntington and Blair counties. Others will take an eastward course and will be found in Lebanon and Berks counties. The majority of the anglers, as in the past, will leave Tuesday night so as to be on the job bright and early Wednesday morning.

# Harrisburg Bowlers at Atlantic City

Harrisburg bowlers who will participate in the National Bowling Association Tournament at Atlantic City, left Saturday night for Philadelphia, where they met their manager, Miles D. Fry, and early yesterday morning departed for Atlantic City.

The contests in which the local stars are entered start with the five-men teams' races to-night. To-morrow morning the two-men teams will compete and in the afternoon singles will be bowled. The local stars hope to bring home one or more prizes. On the Harrisburg team will be: First team—A. Elack, Howard Thorne, Thomas Montgomery, Charles Morrison and Roy Atticks.

Second team—Charles Bowers, Montgomery Trace, Luther Batdorf, Richard Krall and Frank Jacoby.

# STILL TALKING LAW FOR FEDERAL LEAGUE

New York, April 13.—Within an hour after his arrival in New York James A. Gilmore, president of the Federal League, began communication with the league's attorney, E. E. Gates, of Indianapolis, regarding action in a damage suit for \$45,000 which Gilmore proposed to bring against William Killifer and the Philadelphia National League club. The president of the Federal League insisted that the new factor in baseball had gained more than was expected as a result of the decision in the Killifer case.

# BITS OF SPORTS

The big baseball week starts today. The Methodist club lost to Bloomfield on Saturday, score 16 to 8. York players start practice to-day. The Hershey nine defeated Palmyra High School Saturday, score 16 to 15.

Gus Dundon has signed to play second base with York.

The Central Pennsylvania League will meet at Steelton Tuesday night to arrange a schedule.

Joe Tinker says he will win the pennant in the Federal League.

# Earl Hamilton, Pitcher, Taken by the Federals

When Ban Johnson, president of the American League, learned that George Stovall, manager of the Kansas City team of the Federal League, had taken Earl Hamilton, who was signed to pitch this year for the American League club of St. Louis, he declared war. "The American League will stop Hamilton if it takes every dollar in the treasury," said Johnson. "He signed a most liberal three-year contract with the St. Louis club of his contract."

Stovall's taking of a player from the St. Louis Americans was done with the sanction of the Federal League, President Gilmore said. "Organized baseball tried to wreck Stovall's Kansas City club and took away Blanding and Baumgardner, who had signed legal contracts with him," said Gilmore. "Therefore, I gave the Kansas City club permission to deal with members of the St. Louis team, whether they had signed contracts or not. If organized ball goes into court over Hamilton's jumping and the courts give him back to the Browns then the same decision will return Blanding and Baumgardner and Hogue to us. Besides Hamilton there are four or five members of the St. Louis Americans wanted by Stovall and he has my full sanction to get them if he can."

# Scoreless Contest With New Cumberland

New Cumberland and Susquehanna opened the season Saturday at New Cumberland with a ten-inning scoreless game. It was a pitchers' battle. Both teams put up a good game. The score:

# Baltimore Feds Star; Big Crowd on Hand

Baltimore, Md., April 13.—Fair and cool weather was the outlook for the opening game of the new Federal Baseball League championship season here this afternoon with Baltimore and Buffalo as the contenders.

Indications pointed to an attendance that will tax the capacity of Terrapin Park.

Mayor James H. Preston will put the ball into play. Mayor Louis Fuhrman, of Buffalo; Governor Goldsborough, of Maryland; President Gilmore, of the Federals; Charles Weegman, of the Chicago club; Robert B. Ward, of Brooklyn; William Watkins, of the Indianapolis club, and other Federal League officials are expected to be present.

The day was declared a half-holiday by the Legislature in honor of the occasion.

# Harrisburg Plans Are Again Changed; Line Up at Bucknell

Plans for preliminary work by the Harrisburg Tri-State aggregation have been changed. Instead of starting work in Harrisburg to-morrow, Manager Cockill notified his youngsters to report at Lewisburg to-morrow and Wednesday. The stars will line up on Monday next.

This change in plans has caused much disappointment among the fans. The new orders came about after a conference between Manager Cockill and his backers late Saturday afternoon. One reason advanced was that the Island Park grounds is not in condition for baseball practice.

Manager Cockill also stated that playing at Lewisburg would give his candidates an opportunity to play against the Bucknell squad and better results will follow. The squad will not be home until April 30, when practice will start at Island Park at 10 o'clock in the morning.

The first game will be played Friday, April 24, with Bucknell at Lewisburg. On Saturday the team will play at Scranton with Bill Coughlin and his teammates. Monday and Tuesday, April 27-28, Wilkes-Barre will entertain the Senators; and on Wednesday, April 29, the team will play at Bloomsburg with the Normal School team. The first game at home will be with Buffalo, N. Y., on May 2, unless present plans are changed. Not until he is able to count noses will Manager Cockill officially name his line-up.

# NEWLYWEDS ESCAPE RECEPTION

Special to The Telegraph  
Sunbury, Pa., April 13.—D. Emery Gochnaur, a Sunbury business man, and Miss Mae B. Eldire, of Lancaster, were married at the home of the bride. Their friends here learned that they were returning yesterday and had

handbills prepared, telling of their coming and passed them about Sunbury. The couple, however, succeeded in getting to their homes without their friends learning of their presence.

**MEAT INJURIOUS TO THE KIDNEYS**

Take a tablespoonful of Salts if Back hurts or Bladder bothers

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.—Advertisement.
