PLAY BALL! STHE CRY HEARD TODAY [Continued from First Page] With a New Line-up; Dubuc on the Mound By Associated Press Detroit, Mich., April 14.—The Detroit Tigers, remodeled, if not rejuve-nated, faced St. Louis to-day in the opening game of the American League season, with a line-up which contained only three men playing the positions they occupied in last season's initial contest. Stanage behind the bat; Bush at shortstop and Crawford in rightfield to-day, was a holdout a year ago; Moriarity, who started his 1913 career in leftfield, returned to his regular position, third base. The choice for pitcher was the greatest problem which confronted Jennings and Rickey. The Detroit manager named Jean Dubuc, dean of his hurling corps. Rickey originally intended to use Hamilton, but the southpaw jumped to the Federal League last week. Therefore the pitching task was assigned to Weil-man.

Fully 500 persons are expected to attend. The committee of arrangements has altered and program of tangos alternating with plain dances. The affair will be for Shriners and their ladies.

Coal Is Cheapest and Best Now

To buy coal now is to buy it at the cheapest price for which it can be obtained during the year. And then you gain in quality, too, for the coal sent from the mines at this time of the year may be thoroughly screened before delivery, a difficult matter in cold weather when frost will cause the dirt to cling to the coal. So to buy Montgomery coal now is to buy the best quality of the best coal at the lowest prices. Place your order.
