The Rev. Stephen Schweitzer, Lancaster County Minister, Dies at Home of Friend

THE REV. STEPHEN SCHWEITZER

Ephrata, Pa., April 20.—The Rev. Stephen Schweitzer, pastor of the Reformed Church at Swamp, Muddy Creek, Lincoln, Ephrata (First) and Adamstown (St. Paul's), known as the Muddy Creek charges, and one of the best known clergymen in Lancaster county died on Friday at the home of Martin F. Wolfskill, a Blainsport, from the effects of a paralytic stroke, which he sustained at Mr. Wolfskill's home on Sunday, April 5. On that morning the Rev. Mr. Schweitzer had held a reunion of the class of thirty-two catechumens of the class of 1913 at Swamp Church and following the service took dinner with Mr. Wolfskill and family. At the conclusion of the meal the members of the family noticed that he was ill. He was placed in bed and Dr. H. S. Dissler, of Denver, was summoned, who found that he was suffering from paralysis, the left side of his body having been affected. The Rev. Mr. Schweitzer was 72 years old and was a native of Wurttemberg, Germany. When he was a young man he came to this country with his father, his mother having died in Germany, and a sister and a brother and located in Long Swamp, Berks county. He was ordained a minister of the gospel in 1868 and in 1869 was called to the Schaefferstown charge. In 1871 he became pastor of the Reamstown charge, which consisted of Reamstown, Muddy Creek and Centre congregations. He later organized the Reformed church in Bowmansville. In 1886 the charge was divided into what are known as the Reamstown and Muddy Creek charges, the latter of which he served until his death. Under his able and untiring supervision the charge became one of the largest rural parishes in Lancaster county, during a remarkably long pastorate of forty-three years. In this time he received into church membership considerably over 2,000 people, officiated at approximately 2,300 infant baptisms, married more than 1,700 couples and officiated at more than 2,000 funerals. The Rev. Mr. Schweitzer enjoyed the love and high regard of the people whom for so many years he served as minister. He is survived by his wife, who prior to her marriage, was Miss Susan E. Weidman, of Clay township, Lancaster county; one son, the Rev. Martin W. Schweitzer, pastor of the Reformed church at Union Bridge, Md., and one daughter, Dr. Marcella L. Schweitzer, at home. The funeral will be held on Thursday morning, April 23, at 10 o'clock, at the house, and at 10:30 o'clock in Zion Reformed Church, Lincoln, with burial in the Lincoln Cemetery.

OLD PEOPLE GAIN Strength by Taking Vinol. Here Is Proof. So many cases like this are constantly coming to our attention that we publish it for the benefit of others.—Mr. John Widmayer, of Jackson, Mich., says: "I am nearly 70 years of age, and was in a feeble condition but Vinol has done wonders for me. It is the best medicine to create strength I have ever seen and I have taken a good many of them. Last Spring I was run down and worn out but I took Vinol and soon regained my strength. Vinol is certainly an invigorating tonic for old people. It is the medical curative elements of the cod livers without oil aided by the blood-making and strength-creating properties of tonic iron which are contained in Vinol that makes it so efficient in such cases. If you have an aged father, mother or anyone in your family who needs a strength-creating tonic, try Vinol on our offer to give back your money if it fails to benefit. George A. If Coffee Don't Agree Much of to-day's nervousness, indigestion, languor, kidney and liver trouble, come from indiscretions in eating and drinking, so commonplace that they are seldom considered till Nature pulls one up with a sharp jerk. More often than is suspected, coffee is the cause of these troubles. A simple, easy way to discover the real cause and relieve one's self of a lot of discomfort is to quit coffee for ten days and try POSTUM This beverage contains none of the coffee drugs (caffeine, tannin, etc.) which are responsible for many human ailments, big and little. Postum is a food-drink made from prime wheat and a bit of molasses. It is pure and contains only the wholesome goodness of the grain. Postum comes in two forms: Regular Postum—must be boiled. 15c and 25c packages. Instant Postum—a soluble form. A teaspoonful stirred in a cup of hot water dissolves quickly and makes a most delightful beverage, with cream and sugar added to taste. 30c and 50c tins. The cost per cup of both kinds is about the same. Thousands who have changed from coffee to Postum know "There's a Reason" Grocers everywhere sell Postum.
