"Do-Do" Ball no More; Bowlers Get Equal Chance

Special to The Telegraph
Atlantic City, N. J., April 20.—After three years of unsuccessful efforts the National Bowling Association yesterday voted unanimously to abolish the loaded or "do-do" ball. The settlement of this question ends a long and bitter struggle between factions and places the sport generally on a more even plane for all.

It was recommended by delegates that playing rule No. 10 be amended so that in addition to limiting the weight of the ball to sixteen pounds and the size to twenty-seven inches, the weight should be so distributed that at no point on its surface shall the weight effect exceed three ounces of the point directly opposite. It was explained that when manufacturers had been given sufficient time to regulate possible imperfections in manufacture or overcome other mechanical problems the excess could be reduced to two ounces or even less. This amendment was unanimously adopted.

The changes go into effect immediately and once for all settle the argument for and against the so-called artificial hook, which has been claimed gives the expert the advantage over the less experienced bowler.

Peter Billiken to Try For High Wheel Record

Philadelphia, April 20.—Peter Billiken, 2:10 1/4, the big trotter in the stable of Vance Siskole, will be specially prepared for an attempt against the world's record, over a half-mile track, hitched to an old-fashioned high wheel buggy. The attempt will be made at Goshen, N. Y., in the meeting of the Orange County Driving Park Association, the week of August 18.

Peter Billiken is admirably suited for such an attempt and it will not be a tremendous surprise if the big chestnut stallion establishes a new mark. Horsemen believe that if any horse is able to turn the trick Peter Billiken is the one. He is one of the most powerful trotters in training.

Amateurs Get a Poor Start; Many One-Sided Scores

Rain Interferes With Practice and Teams Were Too Green For Special Work in Opening Game

Amateur and semi-professional teams got a poor start Saturday. Better work will come after a week of warm weather, and after an opportunity for twilight warming up exercises is afforded.

New Cumberland presented a promising bunch, the cross river nine had an easy proposition in the Aircliff baseball team, winning by a score of 12 to 2. Another Central Pennsylvania league team, the Steelton A. C. did not fare so well, losing to Susquehanna by a score of 9 to 1. Highspire also showed a weak team, Keener A. C. winning by a score of 11 to 4.

At Progress the season opened with a victory for the Crescent A. C., score 18 to 5. The Methodist boys walked all over the Camp Curtin Feds, winning by a score of 20 to 3. A new aggregation that looks like a real baseball team, is the Morris A. C. This team defeated Cameron A. C., score 13 to 3.

Harrisburg's star P. R. R. Y. M. C. A. nine opened the season with Juniata losing by a score of 4 to 2. The Garnet A. C. had an easy time with the Pennsylvania railroad Apprentices taking the game by a score of 20 to 1. Other scores were:

Fulton A. C., 8; Wallace A. C., 3; Lebanon high school, 4; Duncannon high school, 2; Lebanon high school, 17; New Bloomfield, 8; Hamilton Tigers, 6; Maclay A. C., 5.

INJURED LOON FOUND ON BRIDGE AND ITS CAPTOR

Lemoine, Pa., April 20.—The above photograph is that of Allen E. Anderson and a loon which he caught recently on the east end of the Cumberland Valley railroad bridge on returning to his home in Lemoine after work. He found the fowl on the bridge injured. A heavy fine prevents the shooting or catching of loons when uninjured. The bird weighs about twenty pounds and is extra large. Mr. Anderson immediately inquired at the State Game Warden's office for advice and was told to keep and take care of the bird until it was able to fly. Mr. Anderson is taking the best of care of the bird and many people call to see it.

BLUE MONDAY WILL START SECOND WEEK

Things Have Not Been Breaking Satisfactorily Thus Far; Managers Grouchy

BY UMP
Heart to heart talks in baseball clubhouses were in order to-day. Managers started the second week of the major league season with a double coated grouch. There was reason. The players in doubt found out before they took the field for practice to-day.

Not in years has there been so much unsatisfactory work at the go off as this year. Rain, lack of form, and recent contract jumpers hold the center of the stage. With a probability of another rainy week it looked like a real Blue Monday throughout the baseball world to-day.

Thus far the pace set by the Federals is attracting attention. The "outlaws" as they are called are handing out the kind of baseball that brings excuses from the small boy about "grandmother" dying.

If the Feds keep up the game play-

ed last week, until the close of the season, major league towns with tail-end teams are sure to lose prestige.

The general feeling among baseball fans is that there will be some changes this year, and that neither the Athletics or New York Giants will have a runaway race. There have been many expressions of disappointment over the showing of the McGraw and Mack contingents.

Renewed interest in the baseball game will come this week because all the Tri-State teams will be cavorting about their respective fields by Wednesday. Allentown and Wilmington have been busy for four days, each team trying out a bunch of youngsters. The stars and vets were scheduled to report to-day and in addition watching the score boards, baseball fans will size up the future greats in the Tri-State.

Annual Call to Amateur Managers

Future greats are warming up for the coming baseball season, and will soon be in the field for honors. The Harrisburg Telegraph desires to keep in close touch with all amateur teams and games. Managers are requested to send in at once the names of their team, manager and captain, with their addresses.

Harrisburger Stars in Saturday Game; Lebanon Valley Wins

Annapolis, Pa., April 20.—Coach Guyer's Lebanon Valley College nine won over the Philadelphia College of Pharmacy on Saturday afternoon at Annapolis field by the score of 12 to 0. Philadelphia could not hit White's curves, the latter's work being the best seen on the local field for years. He had eight strikeouts, two singles and a home run, besides allowing but one hit.

The work of John Lyter, a Harrisburg boy, was spectacular, catching two fouls after hard tries. Richard Kitzmiller, another Harrisburger, played on Philadelphia's nine, doing good work at shortstop. The line-up:

Mercersburg Wins From Harrisburg; Colts a Bit Wild

Harrisburg's colts, under the direction of "Chick" Emerson, lost to Mercersburg Academy Saturday; score, 6 to 2. It was a great game for five innings. Adams pitched and he had everything needed.

Wertz succeeded the former Southern League twirler and was not able to hold the sluggers. The game had some good points and there is no kick coming on Harrisburg's fielding. It was the first game out for the Cockkill youngsters. They were a little too green. The score:

WILLIE RITCHIE

The lightweight champion of the world, whose failure to knock out "Harlem Tommy" Murphy in their recent twenty-round bout at Los Angeles has caused many to reiterate their declarations that the champion does not possess a real knockout wallop. They argue that Ritchie had Murphy helpless at several stages of the fight and yet he was unable to "lock out" his reeling opponent. Murphy, a veteran who is popular from coast to coast, is being praised all over the country for the gameness he displayed in taking all that Ritchie had to send over and rushing in for more.
