Senate Adjourned at Midnight, Failing to Endorse Wilson's Plans

Washington, D. C., April 21.—(Ob.)-jection to the form of the resolution passed by the House last night to endorse the President's plan had prevented action in the Senate until today, and that body after a spectacular midnight session, had recessed until noon to take up a substitute measure by its foreign relations committee.

Huerta Says Mexicans Bear No Animosity Toward People of United States

Mexico City, April 21.—President Huerta, replying to queries from the newspapers, said last night: "Mexico awaits with tranquility the developments of events growing out of the controversy with the United States and in the remote case of friction between the countries the people of this republic will bear no animosity toward the people of the United States, whose neighbors they are."

City Families Represented in Army and Navy at Front

Harrisburg families are represented in both arms of Uncle Sam's service at the Mexican front. Aboard the Arkansas, Rear Admiral Badger's flagship, speeding toward Tampico, is Edward Clifford Kalbfus, son of Dr. Joseph Kalbfus, the State Game Commissioner. Mr. Kalbfus is a lieutenant commander and on the staff of the flag officer, Mrs. Thomas H. Lowe, daughter of United States Commissioner Leroy J. Wolfe, and the Twenty-eighth Infantry, at Camp Taylor, in Mexico City are Mr. and Mrs. Richard Grey and her sister, Mrs. Mary Kerr Blake, is anxiously awaiting word of her husband. Mr. Grey is a Mexico City businessman.

Gen. Maas Carries Out Huerta's Instructions to Protect Americans

Vera Cruz, April 21.—General Gustavo Maas, commander at Vera Cruz, appeared optimistic last night and was occupied more in carrying out President Huerta's orders to give guarantee of safety to all Americans rather than planning any method of resistance.

Believe Rebels Will Join in Fight Against U. S.

El Paso, Texas, April 21.—Six Americans, eight Germans and nine French men and women arrived here today from Chihuahua. The Americans confirmed the statement they were instructed to leave by Marlon Letcher, the American consul. They said Mexicans in Chihuahua held the belief that the rebels would be unable to remain in the Huerta-Washington conflict and added that rebel leaders felt compelled to accept the view that the blockading of Tampico and Vera Cruz would be a national disaster.

Foreigners Are Leaving Mexico City For Vera Cruz

Vera Cruz, April 21.—A large number of Americans and other foreigners are in their way here from the capital to-day. The regular train is being run in two sections and a special train is still on route. Everything remains quiet in this section.

5,000 Men at Galveston Are Prepared to Embark

Galveston, Texas, April 21.—Five thousand men, who, army officers say, would be the first to be dispatched should the United States army be ordered into Mexico, were ready here this morning to embark in less than six hours. They are the fifth brigade of the second division, hurriedly recalled from Houston yesterday by orders from Washington. While the fifth brigade of practically half the division, was returning to Galveston by train, four army transports waiting here were being provisioned for a thirty days' voyage.

France Is Pleased With Action of U. S. in Mexico

Paris, April 21.—The French foreign office although no official announcement has been made of its attitude toward the Mexican situation is understood to regard the action of the United States with a feeling of relief. The French government has long been embarrassed by the difficulty of protecting adequately French interests in Mexico and considers that the phase now beginning must end in constitutional order and peace.

U. of P. Men May Fight if Guardsmen Are

Philadelphia, April 21.—Several hundred students of the University of Pennsylvania will be compelled to go to the front if the National Guard is called out to service in the Mexican trouble. Many undergraduates are members of Company H, Third Regiment, N. G. P., and about 300 others are members of National Guard organizations at their homes and are attending the university on leave as expected, the Pennsylvania and New York guardsmen will be the first commissioned for service, Company H is moving to the Mexican border.

\$100 Reward, \$100 The readers of this paper will be pleased to learn that there is a new and dread disease that science has been unable to cure. It is called Catarrh. It is a disease of the bladder, and it is Catarrh. It is a disease of the bladder, and it is Catarrh. It is a disease of the bladder, and it is Catarrh.

Americans Are Leaving City in Small Bodies

Chihuahua, Mexico, April 20.—(Via El Paso, Texas, April 21).—Consul Letcher, on instructions from Washington, is notifying Americans in this city and other towns of the State of Chihuahua to leave the country as a precaution against possible unfortunate eventualities growing out of the decision of the Washington government to seize Tampico and Vera Cruz.

Not Many Patriots Here Who Want to Go to War

The Mexican war talk hasn't thrown this section of the country into much of a furor, at least there is no rampant desire on the part of patriots to go to the front. The Harrisburg recruiting station has not experienced the rush of men to enlist that is reported from some sections, notably in Chicago.

Hall's Catarrh Cure is a new and dread disease that science has been unable to cure. It is called Catarrh. It is a disease of the bladder, and it is Catarrh. It is a disease of the bladder, and it is Catarrh. It is a disease of the bladder, and it is Catarrh.

Huerta Letter Shows Mexican Dictator's Plan

New York, April 21.—La Lucha, a daily paper published in Havana, under date of April 16, explains the situation in Mexico, according to information obtained in that city. The Mexican professor, J. Gonzalez, it says, "an intimate friend of Huerta and the other functionaries of Mexico, has in his possession a letter which is an actual communication from the President of the Aztec republic to the United States, in which he reveals the knowledge of his closest advisers, that he will provoke intervention by the United States in Mexico before permitting Villa and Carranza to take the capital."

Locomotive Engineers Offer Their Services

Chicago, April 21.—Temporary headquarters of the Brotherhood of Locomotive Engineers here yesterday telegraphed an offer of locomotive engineers to man trains in Mexico to President Wilson and to the Secretary of War. The telegram read: "Woodrow Wilson, President of the United States: The Brotherhood of Locomotive Engineers stands ready to furnish locomotive engineers to handle all troop trains that may be needed in Mexico. These men are thoroughly familiar with Mexico and know every foot of railroad there. They, like the rest of us, are Americans and may be relied on."

Farmer's Wife Too Lull to Work

Kaota, Minn.—"I am glad to say that Lydia E. Pinkham's Vegetable Compound has done more for me than anything else, and had the best physician here. I was weak and nervous that I could not do my work and suffered with pains low down in my right side for a year or more. I took Lydia E. Pinkham's Vegetable Compound, and now I feel like a different person. I believe there is nothing like Lydia E. Pinkham's Vegetable Compound for weak women or young girls, and I would be glad if you could influence anyone to try the medicine, for I know it will do all much more than it is claimed to do."—Mrs. Clara Frank, R. F. D. No. 1, Maple Crest Farm, Kaota, Minn.
