It did not and pointed out that John Bassett Moorce, othe greatest living authority on international law, and until recently the chief adviser of the State Department, makes this very clear in his book on international law. Such selzure, like pacific blockade, is defined a sa forcible measure falling short of war. Professor Moore makes is clear, however, as do other writers on inter-national law, that whether or not these measures of force falling short of war become measures of war de-pends largely upon the attitude adopt-ed by the country against which they are taken. The nation taking them may declare that there is no war, but the nation against which they are taken would be within its rights in re-senting them as acts of hostility tanta-mount to war.

mount to war **Roosevelt Would Lead** Berlin, April 23.—Colonel Ro-burning with anxiety to get in

Berlin, April 23.—Colonel Roosevelt is burning with anxiety to get into the fray in Mexico, according to an Ameri-can official now in Berlin who saw the ex-President recently in South America. He says that the commander of the Rough Riders announced his intention in the event of hostilities with Mexico of going home at the earliest possible moment and fighting for his country. Colonel Roosevelt, who, if he car-ries out his plans, will again serve

Colonel Roosevelt, who, if he car-ries out his plans, will again serve under his friend. Leonard Wood, who was his colonel in Cuba, said that he intended to organize and lead an en-tire brigade of cavalry for service in Mexico instead of a mere regiment. He said that he had officers selected and that his command would go into action as soon as the necessary ar-rangements and dispositions of the War Department would permit. The Coolnel told the informant of the correspondent that his only pro-

fired and the form and ceremony of the salute. "It is upon that dispute." resumed Senator Root, "that this justification is sought in the resolution passed by the House and in the resolution re-ported to this body. If that is all that stands between a hundred million people and this poor, harried, distract-ed people it seems to me that the rea-"How can we justify ourselves?" "If we pass this resolution we com-mit ourselves to the exclusion of all other justification and we commit our-selves to a course that will weigh heavily upon the heart of many a good American who loves his country and should turn out to be a

Cruz. Refuses to Consider Senator Hitchcock said that to have accepted the amendment would have shown discourtesy and disrespect to the President.

By Associated Press El Paso, Texas, April 23. — Four Mexican troöp trains and one train loaded with horses and ammunition are said to have left Chihuahua last night for Juarez across the river from here. The forces, it is said, are com-manded by General Toribio Ortega. The news was telephoned to Colonel Hatfield, commanding at Fort Bilss and he has sent the information with a request for instructions to the War Department. A Juarez every effort was made to conceal news of the trains. The bare from an apparently authentic source. Colonel Hatfield received orders to re-store the embargo on arms and am-munition consigned to Mexico and it was put into effect. the President. "I refuse to consider that a reason," said Senator Lodge, pounding with his fist on a desk. "Are we sent here to be told that we are discourteous be-cause we criticise the policy of a reso-lution because it was offered by some-one or comes from the White House? We will not be held down like that. We cannot be charged with lack of manners. Presidents and policies have always been criticised here and always will be." Mexico

Senator Lodge charged that admin-istration leaders sought to restrict the scope of the resolution for the reason that they hoped to keep Carranza and Villa from any allance with Huerta. He predicted that unless the embargo on arms was applied to the Consti-tutionalists the United States, when forced to cross the border, would find which this government permitted them which this government permitted them nator Lodge charged that admin Services to U. S. Army to pro

PERKINS SAYS T. R. MAY GO

to Virginia Golf Links Washington, D. C., April 23.—Presi-dent Wilson's sleepless nights, inter-roupted by telephone calls from State and Navy Department officials, his worry over the general situation and the responsibilities of the present crisis wore him out so completely yesterday that he took a map in his office. A member of the Senate foreign re-lations committee found him there lying on a couch. The President awoke and they talked about Mexico. Pres-ently Mr. Wilson's physician dropped in. He ordered a game of golf in the Virginia hills. The President went re-luctantly. He did not want to be playing golf while the Mexican sit-uation was acute, but Secretary Tu-multy insister, saying the air and di-version would conserve his strength and clear his mind.
