## FUN FOR EVERYONE AT DISTRICT SCHOOL

Liberal Education Promised For an Hour's Work by Y. W. C. A. Club

Writes Characteristic Letter Regarding Loss of Appetite.

'Vinol is just the thing For summer, winter, fall or spring. Follow directions, take it right,

'He says

It will save your lagging appetite. It will save your lagging appetite.

"I know for I have tried it. For weeks I could scarcely eat enough to keep a snake alive. I have taken three bottles of Vinol and now it looks like I will eat my head off. I am at the table three times a day eating as I did in the good old days when I split rails, dug wells, toped trees, plowed corn and hoed cotton. Try Vinol and see how good it feels to be real hungry."

I did in the good old trees, properly and see how good it feels to be real hungry."

When you ought to be hungry and are not it is because your stomand does not feel strong enough to ask for food—a sure sign of impaired general health. Better than dosing the atomach with pepsin for temporary relief is taking Vino, our delicious tonic, blood—asking power of iron, and the building up value of ced liver oil. It quickly restores appetite and perfect digestion. If Vinol does not help you it costs you nothing. George A. Gorgas, Drugsist Harrisburg. Vinol is sold in Stedion by John L. Porr.
