Henry Wilson Bergey, Democratic member of the Legislature from the Third Montgomery district, has pre-ferred charges of violation of the civil service laws against New Row on Josevh Knox For-hance, of Norris-town, a deputy ap-praiser of merchan-dise under William W. Roper. The principal charge is that Mr. Fornance in November last received and disbursed moneys, obtained from Federal employes, mostly postmasters, and filed no account thereof, as re-quired by law, and that if he is found guilty under this allegation the pen-alty can be \$5,000 fine or three years in fail, or both. The charges are addressed to Stew-art Wilson, secretary of the Civil Ser-vice Commission, Philadelphia.
