Prothonotary's office for the last quarter, January 1 to April 1, 1914, and the total in exact figures is \$3,989.70. The plan of paying in the money quarterly is a precedent established by rPothonotary Holler in order to give the county the advantage of the revenues of his office during the year. Heretofore it has been customary for the Prothonotaries to pay over the money due to the county at the, end of each year.
