## Three Generations of Soldiers in McLain Family

Here are shown three generations of soldiers, living in different sections of the State, headed by Captain G. A. McLain, of Indiana county, who served during the Civil War, in Company B, Eleventh Reserves, and a second lieutenant in the Seventy-Fourth Pennsylvania Volunteers. He was twice wounded and served three and a half years. His son, Captain Charles C. McLain, served as captain in Company A, Fourteenth Pennsylvania Volunteer Infantry, during the Spanish-American War and as captain of Company B, Forty-seventh United States Volunteer Infantry, during the Philip-

pine insurrection. He was mustered out in the islands and remained six years in the government service. He is at present captain of Company F, Tenth Infantry, National Guard of Pennsylvania, located at Indiana. Charles L. McLain, his son, enlisted in Company F, Tenth Infantry, National Guard of Pennsylvania, as a private and has served from corporal to first lieutenant. Only a short time ago he was promoted to second lieutenant. The three generations are busy discussing the Mexican situation and all are willing to go to the front, including the aged grandfather.

### How to Keep Well in Winter

Do not let your blood get thin this winter. For people who have a tendency toward anemia, or bloodlessness, winter is a trying season. Lack of exercise and fresh air, the more restricted diet, many things combine to lower the tone of the body and deplete the blood.

As soon as you notice the tired feeling, lack of appetite and shortness of breath that are warning symptoms of thin blood, take a short course of Dr. Williams' Pink Pills. Do not wait until the color has entirely left your cheeks, until your lips are white, your eyes dull and your ears like mother lode. It is so much easier to correct thinning of the blood in the earlier stages than later.

Dr. Williams' Pink Pills build up the blood and strengthen the nerves in this way the general health is improved, the appetite increases, the digestion is strengthened and new ambition and energy developed. Work becomes easier because it does not cause exhaustion.

Keep your system at its highest efficiency with Dr. Williams' Pink Pills. The greatest blood builder and nerve tonic. Your own druggist can supply you. A booklet "Building Up the Blood" will be mailed free on request by Dr. Williams' Medicine Co., Schenectady, N. Y. It is well worth studying by all who do not enjoy complete health.—Advertisement.

If you will leave the planning part to me I will take care of you. It's part of my work and I will be glad to do it. Don't forget to ask about the low excursion rates when you inquire for your copy of our Colorado booklet.
