 him.

EF you want a feller Lt' think thet you're a smart man, agree with

Most men agree on VELVET, the Smoothest

Dauphin Deposit Trust Company 213 Market St.

He started to invest his sav renewing it every 4 months This gave him the benefit of
compound interest, and he also added something each time to the amount. Recently he reached his goal, and with the $\$ 4,000$ to his credit bought the house. "The first $\$ 100$ was the hardest to save!" he declared.
Why Why don't you profit by this
plan? ${ }^{\text {The }}$ Certificates pay 3 per cent for periods of four months and longer.

New Series of Building and Loan Association Stock
