As an All 'Round Man the Rev. Dr. Mudge Is a Leader

THE REV. DR. MUDGE

There are exceptions to all rules, even college traditions, and the Rev. Dr. Mudge, who came here recently as pastor of the Pine Street Presbyterian Church, is one of them. College tradition says that a first honor man doesn't usually get very far in his business or profession after leaving school, but while Dr. Mudge did pull down first honors at Princeton, instead of subsiding into innocuous desuetude, he has been hitting the high spots ever since and is considerable of a live wire. TO PROTECT THE BABIES How Thousands of Mothers Keep Their Children Well and Strong Mothers should know that the safe medicine for their children is Father John's Medicine because it does not contain alcohol or dangerous drugs in any form. It is best for colds and coughs and to give new strength. It is a pure and wholesome tonic and body builder. Miss Ellen O'Leary, matron of the Children's Home in Lowell, Mass., says: "I have 40 or 50 children here at the Children's Home constantly. When they are weak or run down, I always give them Father John's Medicine under the treatment the medicine affords. The Reliable House For Switzerland in America Glacier National Park

Glacier National Park is in Northwestern Montana. It is the most talked about region in the country to-day. It seems to be the one place most desired by Summer Tourists who delight in the outdoor life. It's a curious thing how one can be induced to visit Switzerland, beautiful as it is, before exploring the wonders of Glacier National Park, and particularly in this so as that luxurious train the "Oriental Limited" takes one through from Chicago to the Glacier Park without change. Within the Park comfortable quarters are to be had at Glacier Park Hotel and elsewhere; and the Glaciers, the lofty mountains, the crystal lakes filled with gamey trout; the atmosphere of bigness ruling everywhere, are wonders never to be forgotten. These in charge of Glacier Park have seen to it that the cost of visiting and living there is not excessive, and I would like to send you some of our illustrated booklets which tell you all about it, and about the cost of going there and seeing all there is to see. If you will send me your address, I will gladly send you copies free of charge, and will be glad to answer about the Park that you may wish to ask. Wm. Austin, General Agent Passenger Dept. C. & Q.
