Reservoir Tennis Club Is Near Possibility

Harrisburg tennis enthusiasts who frequent the Reservoir park courts are planning to formally organize a club similar to that of the golfists and a petition is now being circulated to obtain members.

The boosters want provision for a comfortable clubhouse with lockers and baths and have asked the park authorities' co-operation. At least 100 members who will agree to pay \$3 per year will be needed and it is

All business cares will be forgotten for a time to-morrow afternoon at Steelton. Even the big steel plant will be closed down. Steelton is scheduled for the Central Pennsylvania Baseball for the Central Pennsylvania Baseball League opening and nothing will be permitted to Interfere with this great event.

Due to the efforts of Steelton business men and ardent baseball fans, the Central league is a certainty. Steelton helped Highspire to start last Saturday and to-morrow afternoon New Cumberland will be on hand to participate in the big time at Steelton.

No detail that belongs to a real baseball opening has been overlooked by the Steelton magnates. Governor John K. Tener, president of the National League, has promised to be on hand if he is not called elsewhere. That alone is an indication that something unusual is going to happen at Steelton.

There are also in the busy town an army of baseball fans who have been anxiously awaiting this opening event. There will be very little doing outside of baseball from 1 o'clock until the first game is over. The parade will be two bands, the Citizens band and the New Cumberland band.

Players, baseball magnates and distinguished guests will ride in autos. Already thirty automobiles have been and at 3 o'clock Burgess Wigfield the ewill be a flag raising, band convert, and at 3 o'clock Burgess Wigfield the will be played on the new Steelton Harrisburg on both Steelton lines of the Harrisburg Railways Company, stopping at Swatara street.

Fit Up Shelter For Lockers of Reservoir Tennis Players Scores of Yesterday

Plans have been completed by Su-perintendent M. Harvey Taylor, of Parks and Public Property, to fit up little frame shelter in Reservoir Park near the Whitehall street tennis courts for the accommodation of the lockers of the tennis players.

of the tennis players.

For years the question of a convenient place to store racquets, shoes, and so on, adjacent to the courts to obviate the necessity for carrying all this equipment to and from the park, has been a puzzler for park authorities. In fitting up one of the smaller shelters close to the courts this problem will be solved.

JACK COOMBS IS WELL; WILL RETURN TO GAME

Special to The Telegraph

Philadelphia, May 8.—Jack Coombs is once more physically sound.
Mack's great pitcher, who was stricken with typhold of the spine in the Spring of 1913 and mended very slowly, was examined yesterday by Drs. J. B. Carnett and Frank H. Macfarland yesterday and the result surpassed their expectation.

Coombs told the physicians that he never felt better, and his appearance verified it. He weighs 188 pounds and has a fine color. He was put through a number of tests to determine the condition of his spine. They were all satisfactory.

"Will Coombs be able to pitch again?" the doctors were asked.

"That's something that time alone will determine," was the answer. They were very hopeful, however.

Whether Coombs will at once put on a uniform and start light practice is a question that Manager Mack will decide. In any event, Coombs will not attempt any serious baseball for many weeks. Special to The Telegraph
