**Overhaul Your Rollermobile Yet? Races on Memorial Day**

**Second Big Event For Youthful Enthusiasts Being Planned For on May 30**

If you're a nine to fourteen year old  
 boy and haven't taken out your rollermobile  
 this season, you had better  
 overhaul it and try out its racing  
 possibilities.  
 The second annual electric iron rollermobile  
 race will be held on May 30,  
 Memorial Day, and plans are now being  
 made for receiving entries. The  
 races will be held under the auspices  
 of the Harrisburg Light and Power  
 Company and the entries will be re-  
 ceived at the company's offices. The  
 time limit for filing applications to the  
 lists will be announced within a day  
 or two.  
 Prizes of most everything a fellow  
 of nine to fourteen or thereabouts  
 would want—from canoe paddles to  
 roller skates—will be awarded.  
 The first electric iron rollermobile  
 event was held May 29 of last year  
 and some forty-odd enthusiasts par-  
 ticipated and 2,000 people saw the  
 races. The same course over which  
 the racers sped last year—Front street  
 from State to Locust streets—will be  
 the racing stretch again.  
 for injuries he alleges, he received  
 when he fell down the steps leading to  
 the pedestrian subway at the railroad  
 crossing in Dauphin. The steps were  
 in bad repair and the passage way was  
 badly lighted Bogner contends.

**"FUNDS MISUSED" SAYS BONNIWELL**

**Democratic Firebrand Makes New Charges Against Men Connected With the Machine**

The Democratic war is growing  
 worse every day. Here are a few ac-  
 counts of battle.  
 The Philadelphia Record of to-day  
 says:  
 "Sensational charges that the funds  
 of the Democratic State committee had  
 been 'misused in the grossest fashion'  
 by the Palmer-McCormick leaders  
 during the national campaign of 1912  
 were made by Judge Eugene C. Bonni-  
 well in an address before the Demo-  
 cratic city committee last night. Ac-  
 cording to the speaker, huge funds  
 were drawn from the treasury by these  
 leaders, who have so far failed to ac-  
 count for the expenditure. Judge Bonni-  
 well gave the challenge direct to  
 State Chairman Morris to account for  
 \$4,816.27 given to the Woodrow Wil-  
 son League of this city, and also cited  
 James I. Blakslee, William W. Roper  
 and Dr. W. Horace Hoskins among  
 those drawing on the State committee  
 funds. Judge Bonniwell declared that

his accusations were based on the  
 statements of the State committee,  
 filed with the Secretary of the Com-  
 monwealth at Harrisburg. He said, in  
 part: 'There is one thing in which I  
 am in entire accord with the orators  
 representing the so-called reorganiz-  
 ers' ticket; that is that the issue in  
 this campaign between Ryan and Mc-  
 Cormick is purely one of honesty and  
 capacity. The desperate contest that  
 Palmer, McCormick, Blakslee, Creasy  
 and Berry are making to retain their  
 control of the State organization is due  
 to the fact that in that capacity they  
 have the handling of its funds. And  
 they have misused these funds in the  
 grossest fashion.'  
 After Palmer at Home  
 A Stroudsburg dispatch says: "In  
 court to-day Prothonotary Samuel E.  
 Correll presented a petition to court  
 asking that a rule be granted on Con-  
 gressman A. M. Palmer, a member of  
 the bar and candidate for United  
 States Senator, to show cause why he  
 should not return his expense account  
 for the general election of 1910. In  
 the petition it is averred that the ac-  
 count was in connection with Palmer's  
 candidacy for Congress, that for the  
 last two months the account has been  
 missing from the office of the pro-  
 thonotary, that a receipt was found  
 showing that Mr. Palmer had the ac-  
 count, that numerous requests have  
 been made for the account, which  
 could not be granted for the reason  
 set forth, that on the second of April  
 petitioner had written to Mr. Palmer  
 asking for the return of the account,  
 which he has failed to do. The court  
 granted the request and fixed May 23  
 as the date on which the rule is re-  
 turnable."

North Sixth street, will take place  
 Thursday afternoon at 2 o'clock. The  
 funeral services and burial will be  
 private. Burial will be made in Har-  
 risburg Cemetery. Mr. Boughter, who  
 for a number of years was foreman  
 for the Shoemaker Granolithic Com-  
 pany, died suddenly following an at-  
 tack of neuralgia. Besides Mrs. Mrs.  
 Boughter, three sisters survive, Mrs.  
 John Lerner, Mrs. Charles Border and  
 Mrs. Edward Hart.

**Soft, Fluffy Hair Aids Beauty and Personality**

Girls and women of all ages want  
 to be charming, beautiful and attrac-  
 tive—it's their birthright—but stringy,  
 thin and lifeless hair destroys half the  
 beauty of a pretty face.  
 If your hair is not beautiful, is fall-  
 ing out, streaky, full of dandruff, too  
 dry, or if the scalp itches and burns,  
 use Parisian Sage. Rub it well into  
 the scalp. It will go right to the hair  
 roots, nourish them, and stimulate  
 the hair to grow strong and luxuriant.  
 Parisian Sage removes dandruff with  
 one application and cleanses the hair  
 of dirt, dust and excessive oil. It will  
 cool and invigorate the scalp and  
 make the hair doubly beautiful.  
 Parisian Sage is a scientifically  
 made preparation that gives the hair  
 just what is needed to make it soft,  
 fluffy, thick and gloriously radiant.  
 It is delicately perfumed, is inexpen-  
 sive, and can be had at all drug and  
 toilet counters or from H. C. Kennedy,
