THREE YOUTHS START 'CROSS COUNTRY

David E. Zorger, 409 Kelker street, Vesper E. Smith, 1723 North Fourth street, Roy Nebinger, 1434 North Fourth street, and a four-wheeled horse-drawn cart are the factors in the latest cross-country stunt. The boys left here yesterday afternoon at four o'clock and got into Dauphin at 7.30, where they were given a reception by friends. They plan to make about twenty miles a day and to reach the Frisco exhibition before May 1, 1915. They will cross the river at Clark's Ferry, then make Altoona, Johnstown, Allegheny, Pittsburgh and the west via Ohio, Indiana, Illinois, Missouri, Kansas, Colorado and the bee line to the coast after passing the Rockies. The wagon contains bedding and compartments. The boys will keep a diary of the trip which they will store in the wagon. They intend to earn their way by doing farm chores in exchange for meals, also they will do a vaudeville stunt in some places and sell post cards of themselves.
