DANCING CONTEST AT LAWN FESTIVAL

Sphinx Scientific Club Will Purchase Stereopticon Lantern For Academy

The Sphinx Scientific Club of the Harrisburg Academy will hold a big lawn festival at 2109 North Third street on Friday evening, May 22, from 7 to 10 o'clock. The proceeds of this festival are to be used in purchasing a stereopticon lantern to be presented to the Academy.

Many interesting and novel features will be introduced, among them a "hit-the-nigger-baby" whose occupant, it has been promised, will be one of the most popular students at the academy and will furnish great amusement.

Another booth will contain a fortune-teller, one of the most beautiful girls in Harrisburg, whose identity will not be disclosed until after the affair. Then there will be a fish pond, a Punch and Judy show, a sleight-of-hand performance and even a side show where all the latest freaks will be exhibited.

A feature appealing to all the young people and lots of the older ones will be a dancing contest. This contest will be for the best couple dancing the castle walk, the hesitation and the tango and will be run as follows: Trial contest at 8:30 o'clock; semifinals at 9:15; finals at 9:45.

All these features are, of course, in company with the festival, where ice cream and cake may be purchased by the admission ticket of 15 cents. Candy also will be sold. Remember the night, May 22.

Mr. and Mrs. Nathan E. Hause and the Misses Hause will move early in June from 232 Boas street to their new country place in Bellevue Park.

Charles Aronson has returned from New York city where he was called by the death of his father.

Mr. and Mrs. George B. Fink, of Wilmington, Del., are guests of Mr. and Mrs. Frank L. Cook, of the Etter apartments, Pine street.

Miss Caroline Pearson's paper told of the formation of Harrisburg chapter, D. A. R., in 1894 at the residence of Mrs. Francis Wyeth, the first regent, with the following charter members: Mrs. Francis Jordan, Miss Ellen W. Hall, Mrs. Hugh Hambley, Mrs. B. B. Vainick, Mrs. Francis Wyeth, Miss Caroline Pearson, Mrs. M. W. McAlarney, Mrs. Caleb Carlton, Mrs. George Wolf Buehler, Miss Mary Buehler, Mrs. John C. Kunkel and Mrs. Jacob B. Vainick. But six of these are now living.

Miss Pearson, who held the position of chapter historian for ten years, told of the historical research made in papers for the meetings, of the distinguished men who have addressed the chapter at various times and of meetings of varied literary interest. She spoke of the beautiful memorial gateway erected in 1906 at old Paxton churchyard by this chapter and of two state conventions of the order, meeting in this city, as well as of the memorable visit of the President General Mrs. Donald McLain, of New York, a few years ago.

The chapter offers prizes each year to the girls of the senior class of the Central High school for the three best essays on a given patriotic subject, and also to the girls of the Central High school and the Berry school of Georgia.

After the program, tea was served and a social hour enjoyed with reminiscences of the past and wishes expressed for another decade of patriotic work and pleasure for the organization.

SAYS SULPHUR IS SURE TO RELIEVE ITCHING ECZEMA

Get an Ounce of Bold-Sulphur Cream and Heal Skin Eruptions Right Up

Any breaking out or irritation on the face, arms, legs or body when accompanied by itching, or when the skin is dry and feverish, can be readily overcome by applying a little bold-sulphur cream, says a noted dermatologist.

He informs us that bold-sulphur instantly allays the angry itching and irritation and soothes and heals the Eczema right up leaving the skin clear and smooth. Bold-sulphur has occupied a secure position for many years in the treatment of cutaneous disorders because of its parasite-destroying property. Nothing has ever been found to take its place in treating the irritable and inflammatory skin affections. While not always establishing a permanent cure it never fails to subdue the itching irritation and drive the Eczema away and it is often years later before any eruption again appears on the skin.

Those troubled should obtain at any pharmacy an ounce of bold-sulphur cream which is applied to the affected parts in the same manner as an ordinary cold cream. It isn't unpleasant and the prompt relief afforded, particularly in itching Eczema, proves very welcome.—Advertisement.

Fly Swatting Contest Started by Civic Club

At the meeting of the Municipal Department the Civic Club held the Country Club yesterday afternoon. Mrs. Robert H. Irons was appointed chairman of the fly-swatting campaign. Arrangements were completed for the contest beginning the first of June and the first of August. Five cents a pint will be paid for all dead flies brought in on measuring days.

There will be six prizes; two prizes of \$5 each for the greatest quantity, two of \$2.50 each for the next, and two prizes of \$1 each. The days for measuring these flies will be announced later. Civic Club fly traps will be placed throughout the city in the stores.

There is urgent need of a curfew law in Harrisburg and a committee from the Civic Club has been urging the passage of such a law by City Councils.

Superfluous Hair Disappears Like Magic

New Wonder Makes It Unnecessary to Use Dangerous, Disfiguring Electric Needle or Barley Pastes, Powders or Liquids

Every woman in this vicinity who suffers the deep humiliation and embarrassment of superfluous hair and who has used any of the worthless advertised depilatories in a frantic search for lasting relief, will rejoice to learn that an entirely new method has been found which eradicates every hair, eradicating all signs of ugly repulsive hair growths and produces positive, complete and certain results in every instance. This remarkable master-stroke of modern chemistry can now be obtained by sufferers through the enterprise of a well-known woman who succeeded in permanently removing every trace of her own hairy growths after all else had failed. In her honor it is called Mrs. Osgood's Wonder. It is the only effective remedy for superfluous hair smoothly and painlessly in the hair roots, without any irritation or complexion. In a surprisingly large number of cases it has succeeded in killing the hair roots, securing all growth, so that it has never returned.

Kennedy's Medicine Store has been fortunate in securing a supply of Mrs. Osgood's Wonder, which you can secure on the guarantee of money-back if it fails; or any other up-to-date Drug or Department Store can supply you. Get it for you. Ask for it by name, Mrs. Osgood's Wonder. A signed guarantee comes with every package, but do not forget that while there is no danger of applying this amazing discovery to even the most sensitive skin, it should not be used except where total destruction of the hair wherever applied is desired.—Advertisement.
