Simple Way to End Dandruff

Stop Falling Hair and Itching Scalp.

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely.

By morning most, if not all, of your dandruff will be gone, and three or four more applications will completely remove, and entirely destroy, every single sign and trace of it.

If you value your hair, you should get rid of dandruff at once, for nothing destroys the hair so quickly. It not only starves the hair and makes it fall out, but it makes it stringy, straggly, dull, dry, brittle and lifeless, and everybody notices it.

Famous French Recipe For Gray or Faded Hair

CLEAN SWEEP MADE AT CARLISLE SCHOOL

Indian Commission Accepts Resignations of Superintendent Friedman and Clerk Nori

Washington, D. C., May 19.—Moses Friedman's resignation as superintendent of the Carlisle Indian School and that of Secen J. Nori, chief clerk at the institution, charged with alleged criminal irregularities, were accepted yesterday by Commissioner of Indian Affairs Sells.

In concluding the inquiry of more than two months into the affairs at the Carlisle school, Commissioner Sells made a clean sweep, removing and transferring all those involved in any way with the disorganization and irregularities. One exception was made, in that Mr. Matthews, cook, charged with the case of football Coach Warner, who was brought into the matter in connection with the football fund account.

Another sensation developed at Carlisle when Commissioner Sells, acting upon a report from a special liquor traffic agent, notified the Department of Justice that evidence had been obtained against the action of Carlisle yesterday afternoon with orders to arrest the violators.

Mr. Friedman came here yesterday to learn of the action of his superior. He sat in the commissioner's outer office more than two hours while the latter conferred with Secretary Lane and the lawyers.

After he had read the commissioner's letter, which removes him from the service and indicates possible criminal or civil action, Mr. Friedman was asked whether he had any statement to make.

"Not at this time," he replied. "I may make one very soon."
