OLD MAN CHABEK WINS IN ED. PLANK STYLE

Lets York Down With Three Binges; Game Had Many Sensations

Joe Chabek, the veteran twirler, got into the Eddie Plank class yesterday, winning his game from York, score 5 to 6. Hine, the York pitcher had a good supply of everything but support. The fielding of Harrisburg was at times sensational. In nine innings but three York hitters sent the ball to the field clean. Only one member of the White Rose bunch reached third base and he was helped there by an error. Chabek's puzzlers were working all the time, but it was in the pinches that the veteran pulled off a few things that made the spectators squirm. Wildness on the part of Hine, two stolen bases and hits by Emerson and Cockill started the trouble in the third, which scored four runs for Harrisburg. Miscues were also a part of York's fall down. A base on balls, stolen bases, out at first and Hopke's error at third added the fifth run. Harrisburg's fielding and hitting by Miller and Cockill were interesting features. Yale and Dundon were York's best bats. The score:

Manager Cockill Cuts Forces; George Therre Is Let Out

Charley Miller Will Do Most of the Catching Barring Accidents; Young Howe Hopes to Come Around Soon

Harrisburg will be away from home for a few days starting to-day. The Teutons will entertain the Cockill crowd to-day and tomorrow. Then will come another visit to Trenton. Harrisburg returns for two games with Reading on Monday and Tuesday. In the opinion of Manager Cockill the team will be going better from now on. A few minor details must be looked after to get the proper team work. The hitters are coming strong, and the only weak spot that is giving Manger Cockill any concern is the pitching staff. Wyckoff was sent back to Reading as Whalen is showing the best work of the season in the shortstop position. Harrisburg still holds the option on several good men including a former twirler and there is a probability that one or two changes may be made if necessary.

CHAMPIONSHIP SERIES AT ISLAND PARK

Three important games are scheduled for Island Park. The Harrisburg Giants start the championship series with the Pittsburgh Giants to-day. These games promise to be of unusual interest. The Pittsburgh Giants, managed by Frank Grant, the first colored baseball player who ever made good, are the champions of the United States. Harrisburg Giants are champions of the East. George Therre, the pitcher who decided the world's championship as far as Harrisburg is concerned. If Harrisburg wins they must play the Cuban Giants at New York.

HIGH SCHOOL MEET

Saturday's State inter-high school track and field meet netted just \$181.50 for the park department. The sum was obtained from the sale of grandstand tickets and was turned in directly to the general city fund. In a resolution offered yesterday M. Harvey Taylor, commissioner of parks and public property, had the sum transferred from the general fund to the fund for maintenance of parks.

QUIMET ELIMINATED BY "YOUNG" TUBBS

Defeat of Favorite Casts Gloom Over American Contingent; Englishman Never in Danger

Sandwich, Eng., May 20.—Francis Ouimet, open golf champion of the United States, was eliminated as a contender for the British amateur championship to-day. He was defeated with apparent ease by "Young" Tubbs, a boy player from a nearby course at Littlestone-on-Sea.

There was a huge crowd of spectators on hand for the Ouimet-Tubbs match, including of course, a large delegation of Americans. The enthusiasm of the American gallery was soon sharply cooled by the way in which Tubbs handled their favorite. Ouimet got into difficulties on the fourth hole, taking seven strokes, which Tubbs made it in a clean four. The Englishman was never in danger thereafter, although Ouimet made a sensational three to his five on the eighth hole and fought desperately all the way in. At the turn Ouimet was one down and Tubbs finished the round with 2 up and 1 to play.

The defeat of Ouimet cast a gloom over the American contingent, but the cloud was partially dispersed shortly afterward by the brilliant victories of Frederick Herreshoff, New York, and by Harold Weber, Toledo. Herreshoff beat J. R. Platt, of the Royal North Devon Club by 4 up and 3 to play. Weber beat K. M. Carlisle, of Sunningdale, by 7 up and 6 to play.

BITS OF SPORTS

Chabek was some pitcher. Bill clay has not had a hit in seven games.

Yale may be a veteran but he plays the game harder than any man on York's team.

—When Harrisburg players do anything at York the scores and newspapers are afraid to tell it.

Already there is talk about George Washington Hecker playing the old-time game of getting players and ignoring the salary rules.

Eddie Hooper is a clean cut player. A team made up of players of the Hooper type is a big asset.

Harrisburg has a bunch of players who are in to win every game.

"Jimmy" Clark, late of Trenton, was here yesterday to talk over business matters with Hecker. He has a dental practice at Pittsburgh and may not get into the game.

Home Run Johnson is now with the Tigers. A good man with the proper person to handle him.

Byron Houck, one of Connie Mack's staff, refused to go to Baltimore and will join the Feds.

"Doc" Kerr is doing great things in the Federal League.

Walter Johnson, Catcher Ainsmith and Outfielder Clyde Mylin of the Washington American team, are scheduled for a jump to the Feds.

Odd fellows were out in force at yesterday's game.

TENTH INNING VICTORY

Special to The Telegraph Allentown, Pa., May 20.—"Izzy" Hoffman and his Reading squad pulled a victory from the Teutons in the tenth inning yesterday, score 6 to 5.

It was a pitcher's battle, but neither twirler scored a strikeout. Errors by each team were costly. The score by innings:

Reading 0 0 0 4 1 0 0 0 1—6 8 5
Allentown 0 2 0 0 0 0 0 3 0—5 9 3
Batteries: Ramsey and Boelzie; Scott and Monroe.

TIGERS ADDED ONE MORE

Trenton, N. J., May 20.—In a hard-fought battle which included spectacular plays, Trenton defeated Wilmington yesterday, score 8 to 6. The score by innings:

Wilmington . . . 0 4 0 0 0 0 0 2—6 10 2
Trenton 2 4 2 0 0 0 0 8—8 10 2
Batteries: McHaffie and Foye; Rasmussen and Cassell.

City Converts Its Island Ballground Into Clay Diamonds

Island playground ball fields are to be "skinned" of turf and converted into clay diamonds. Under the direction of Commissioner of Parks Taylor the sod on all the island diamonds is being carefully removed, the ground scraped, and a clay bed is being added. Over this the rollers and run so that hard firm earth surfaces may be obtained.

TENNIS FAR MORE EXHAUSTING THAN FOOTBALL

It is difficult to convince the man who does not play tennis that it is a game of endurance as well as skill. In spite of the fact that there is no physical contact I think I am safe in saying that the man who has been through a well-fought five-set match is closer to actual exhaustion than the average football player, says Herbert Reed ("Right Wing") in Harper's Weekly. It is wonderful staying power as much as anything else that has brought Anthony F. Wilding to the top of the heap. Here is a man who is in anything in better physical shape in the fifth set than in the first. Despite the remarkable overhead work and courageous play of Maurice McLoughlin, Wilding is the commanding figure in tennis to-day. The big, powerful New Zealander is an all-round athlete, a tactician, a court general of the highest caliber, and also a successful aviator.
