I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Finally I got hold of something that quickly and completely cured me. I have nothing to sell, but will give full information about how you may find a complete cure without operation, if you write to me. Eugene M. Pullen, Carpenter, 363 Marcellus Avenue, Channahon, N. J. Better cut out this notice and show it to any others who are ruptured—you may save a life or at least stop the misery of rupture and the worry and danger of an operation.—Advertisement.
