W. H. Lilley, of the United Evangelical Church of Mifflin, assisted by the Rev. Mr. Dube, of Mexico. Burial was made in the cemetery at Locust Run.

Mr. Graybill left home Monday afternoon and went to Harrisburg to attend the convention of the Odd Fellows' grand lodge as a delegate from Victoria Lodge, No. 911, of Mifflin. He was apparently in his usual good health, he having returned to Harrisburg attending to legal business in his office.

Mr. Graybill was about 33 years old and was born at Locust Run, near Thompsonstown, his parents being E. F. and Mary J. Graybill. His father died about ten years ago and his mother resides at Locust Run. Two brothers, Charles Graybill, of Thompsonstown, and Harry Graybill, who resides with his mother, also survive. The deceased was never married.

Mr. Graybill was a young man of Christian character and more than ordinary scholarly attainments. He was a member of the United Evangelical Church of Mifflin and was superintendent of that Sunday school at the time of his death. He was a member of Union Lodge, No. 234, Masons, also a member of Victoria Lodge, No. 911, Independent Order of Odd Fellows of Mifflin. In his lodge connection he was an active and zealous worker.

His early education was received in the public schools of his district and at Alry View Academy, Port Royal. He was a graduate of Albright College and the law department of Dickinson College. He was graduated with first honors at Dickinson law school in 1909. After graduation he was admitted to the Cumberland county bar and later became a member of the Juniata county bar association.

## Fierce Fire Destroys Two Stables at Mechanicsburg

Mechanicsburg, Pa., May 22.—A fire which destroyed two stables located at the rear of properties in North Market street, occurred about 6 o'clock last evening. The fire started in the stable soon had the blaze under control. The fire burst out in the stable of Mrs. William Fink, and quickly caught to the one on the premises of John Klinger. Several chickens burned in the former stable and in the latter a large quantity of hay, lumber and goods were stored. A quantity of carpenter work was being done in the latter out in time. The loss is estimated at several hundred dollars.
