ITCHING ECZEMA IS DRIED RIGHT UP WITH SULPHUR

Use like cold cream to subdue irritation and clear the skin.

Constant or intermittent irritation producing itching and red, angry Eczema patches on the skin is readily relieved with bold-sulphur cream.

It effects such prompt relief, even in aggravated Eczema that it is a never-ending source of amazement to physicians.

For many years bold-sulphur cream has occupied a secure position in the treatment of cutaneous eruptions by reason of its cooling, parasite-destroying properties.

Those troubled should get from any pharmacist an ounce of bold-sulphur cream and apply it directly upon the affected skin like you would any ordinary cold cream.
