## MORE FAIRS WILL BE HELD IN 1914

Deputy Martin Says That the Attendance and Premiums Are on the Increase

Announcement that seventy-one county fairs, horse and cattle shows or agricultural and horticultural exhibitions of the state was made to-day by the Pennsylvania State Department of Agriculture. This is one of the largest lists ever announced and the dates run from the Hogestown Horse and Cattle Show in Cumberland county, June 17-18, to the exhibition in Horticultural Hall, Philadelphia, November 2-6.

In transmitting the list of fairs to Secretary of Agriculture N. B. Critchfield, A. L. Martin, deputy secretary, in charge of farmers' educational work and exhibitions, says that gambling and games of chance have been eliminated from the fairs and that "the midway exhibition, where shows of doubtful propriety have been in evidence, are rapidly disappearing and in their stead we find high-class art exhibits, models of improved machinery, household utensils and agricultural demonstrations."

Mr. Martin notes that practically all fairs have expert judges only and says "not only are the larger fairs demonstrating the best agricultural methods and practices, but there have been organized within the last few years a number of societies that, in a local way, are accomplishing much for their communities in the branch of animal industry; that is, breeding of better horses, sheep and swine. Among such societies could be named, without reflecting upon the good accomplished by others, the Pen-Mar County Agricultural Association, Warren County Farmers and Breeders' Association and Hogestown Horse and Cattle Show.

The report shows that the attendance at the fairs last year was 1,776,600, against 1,568,500 in the year before, a gain of over 200,000. The membership jumped 724, going to 16,069. The amount paid by the State to encourage fairs last year was \$45,833.62, against \$33,563.22 in 1912. Premiums paid last year aggregated \$157,961.77, as compared with \$124,377.74, an increase of \$23,584.03. The offering in premiums for this year are \$192,000, an increase over the offerings of last year of \$67,622.

The dates for Dauphin county are Middletown September 1 to 4, and Gratz September 15 to 18. Cumberland 24 to 29 and Carlisle September 22 to 25. Juniata will have Port Royal September 8 to 11 and Perry, Newport October 15 to 16.

## 150 TO GO ON TRIP TO HEAR STOUGH

Arranging For Special Train With Pullman For the Women Folk

At least 150 persons interested in the coming Stough evangelistic campaign to be held here in November will make up a party to travel on a special train to Hazleton, Thursday, June 4, and get a first-hand impression of methods of the evangelistic party.

E. F. Weaver, executive secretary of the campaign, who initiated the movement, has had an enthusiastic response from religious workers, who thought the idea of going to Hazleton and meeting Stough and his party and watching the workings of the campaign at close range not definitely laid as yet. The plans include a trip on a special train to Hazleton, attendance at two tabernacle meetings and a conference with Stough and members of the party.

According to the tentative plans, the special will leave Harrisburg about 7:30 o'clock in the morning, arriving at Hazleton at about 11. The party will then attend one of the noonday shop meetings, take dinner and go in a body to the afternoon tabernacle meeting. A conference with Stough and his party will occupy the interim between the afternoon and evening meetings. After supper the party will attend the evening meeting at the tabernacle and return here about 11, arriving at about 2:30 o'clock Friday morning.

As a number of women, it is understood, are desirous of going with the party, the committee is endeavoring to secure a Pullman reservation so as to make the trip as comfortable as possible.

To Go To Africa.—Under the auspices of the General Synod of Lutheran Churches, Mr. and Mrs. Frank Traub, Dennis D. Swaney and the Rev. Mr. Rhoades will leave on Monday, June 8, for the west coast of Africa, where they will enter the missionary field. Before leaving the city a farewell reception will be given at the Messiah Lutheran Church on Friday evening, June 5, at 7:45 o'clock.

Orphans' Day, June 4.—Thousands of Lutherans from all parts of Pennsylvania are expected at the Treasurer's annual Lutheran reunion of the Harrisburg district will be held Thursday, June 25, at Reservoir Park. The Loy-

## DURBAR II, OWNED BY AMERICAN, WINS

(Continued From First Page)

with Black Jester, Hapsburg, Dan Russel and Durbar II close up. Round-up Tattenham corner Durbar II jumped in on the rail and took up the running. He held the command to the finish, easily stalling off several challengers. Dan Russel was fourth.

The time of the race was 2 minutes 38 seconds, a fraction of a second quicker than the average.

Mr. Duryea had great faith in his horse, which was backed by large amounts by the American contingent. The jubilation among the big crowd of trans-Atlantic visitors was distinctly noticeable as the winner was led into the paddock.

King George and Queen Mary were both present as well as most of the staff of the United States embassy, while distributed about the course were large numbers of Americans from the resident colony as well as from the other side of the Atlantic.

The past glories of the journey by road from London to Epsom departed with the advent of automobiles and the high spirits usually characterizing the crowd on Derby day were in some degree dampened by the presence of an army of police encamped about the ground and forming lines along the course to prevent any attempt at violence by militant suffragettes. It would have required an alms to circumvent the precautions taken by the police.

The last American race horse owner to win the English Derby was Richard Croker, who carried off the classic race with Orby in 1907.

The Derby stakes was established in 1750, but races had taken place on the same course as early as 1540. The stakes is valued at \$22,500 and is for entire colts and fillies of three years old. The course is about one mile and a half in length.

Duryea Already Had String of 8 Victories

By Associated Press  
 New York, May 27.—H. E. Duryea, one of the most prominent American turfmen, has already a string of eight victories to his credit. The chief of these was the race at Newmarket in 1912, where Sweeper II broke away from the field in a spectacular finish and won by a length. Mr. Duryea bred Bugler, Manthorpe, Banche and a number of other favorites in English and French races.

Duryea and Harry Payne Whitney have jointly owned a number of horses. He has stables both in England and France and accompanied by Mrs. Duryea has been a familiar figure at most of the important races of the last ten years.
