Know Your Refrigerator If You Would Wage a Successful War Against the Deadly Fly

It is to be hoped that every family in Harrisburg will keep right on with the fight that has just begun against the filthy fly. A recent test of 414 flies, taken at random, showed an average of over a million bacteria to each fly.

In order to wage a successful war against this germ breeder, more attention ought to be paid to the kind of refrigerator you have in your home.

Suppose the typhoid fly, with its 100,000 typhoid bacteria, should deposit one-half of his germs on a dish of your food, and you put that food in an ice box that did not check their increase, and suppose one of your family were weak from a cold, wouldn't there be grave danger of those germs taking hold?

The head of every family carries on his shoulders an obligation to protect his family from inefficient food refrigeration, for prevention of disease is always cheaper and safer than the cure of disease.

No Danger of Germ Multiplication in a Bohn

Bohn Syphon refrigerators represent the highest type of efficiency that it is possible to obtain in the keeping of foods.

In the first place the Bohn maintains an unbroken temperature of 40 to 48 degrees, from 2 to 8 degrees below the temperature at which germ multiplication is checked.

Don't forget that the refrigerator is the safe in which you keep that most valuable of all valuables--THE FAMILY HEALTH. See to it then that you have a good safe in your home.

A representative of the Bohn Syphon Co. will be glad to tell you more about food keeping if you call to-morrow at the Refrigerator Section--In the Basement.

POLICE UNIFORMS ATTRACTIVE

The new suits recently purchased for the local police force and donned by them for the first time on Decoration Day have won much favorable comment on the part of the local public. The new uniforms, which were furnished by The Globe, are patterned after those of the New York police--a loose-fitting, long, blue coat, trimmed with blue braid, and standing military collars. The coats supplied for the chief of police, captain and lieutenant are braided, with a profusion of gilt buttons, which add much to the neat appearance of the garment. Advertisement.

WONDERFUL PICTURE AT COLONIAL

One of the most wonderful moving pictures ever thrown on a screen began a three-day run at the Colonial last evening, when Victor Hugo's celebrated story of "Les Miserables," was shown in a film of 9,000 feet length, presenting some of the most wonderful scenes ever depicted before a motion picture camera. The entire story in Hugo's thick novel is given in picturesque play, with a large cast and carefully selected surroundings that are in keeping with the author's descriptions. This is the largest moving picture film ever brought to Harrisburg. No increase in the Colonial's regular prices have been made on account of this special and expensive booking. There are two acts on the bill with it. Advertisement.

PHOTOPLAY

By special engagement this theater will show the comedy drama picture "Brewster's Millions," to-day, in four reels. This picture was made by the original cast with Edward Adele in the title role. Many persons have paid big prices to see this show, but here to-day you can see it for ten cents. See how hard it is to spend a million dollars in a year's time when you have to. That is the secret of the whole play and the leading man. Every hopeless line he spends money it makes money and he must spend three thousand dollars a day or he cannot inherit his grandfather's estate. See how he does it. Advertisement.

BUSINESS LOCALS

HISTORY IN THE MAKING

The advent of the motion picture films made it possible to reproduce armies and navies in action, inaugurations, ceremonies of state and the signing of documents and other events that will comprise history to future generations. Such scenes are enacted almost daily at the Victoria Theater, where the best films are always produced first.

THE DECORATIVE LAMP

For the home is popular. In almost every home, one, two, or three of the decorative table lamps are in evidence as you take a stroll or a drive during evening hours. The beauty of these lamps as well as giving a light that is restful to the eye, makes it among the desirable gifts to a bride. Dauphin Electrical Supplies Company, 424 Market street.

THE SAFE-CABINET

Just what it's name implies; a safe in the form of a cabinet that protects your files or documents against fire. The only Safe-Cabinet accepted by the National Board of Fire Underwriters and adjustable to any office requirement. No screws, no bolt, no rivets, no solder. Write for report of fire test. Cottenel, office supplies, 105 North Second street.

JACOBAN FURNITURE

Light and graceful in construction, a close reproduction of the seventeenth century furniture, the Jacobean dining room suite in Birwal should be of special interest at this time. A combination of birch, hickory and dull ebony black, the whole suite reflects to an unusual degree the rich finish and dignified lines of old Jacobean furniture. Harris, 221 North Second street.

"BLOOD IS THICKER THAN WATER" Without good red blood a man has a weak heart and poor nerves. Thinness of the blood, or anaemia, is common in young folks as well as old. Especially is it the case with those who work in ill-ventilated factories--or those who are sick up indoors in winter time with a coal stove burning up the oxygen or emitting carbonic oxide gas. This blood, or blood which lacks the red blood corpuscles, in anaemic people may have been caused by lack of good fresh air breathed into lungs, or by poor digestion or dyspepsia. Sometimes people suffer intense pain over the heart which is not heart disease at all, but caused by indigestion. Whatever the cause, there's just one remedy that you can turn to--knowing that it has given satisfaction for over 40 years. DR. PIERCE'S GOLDEN MEDICAL DISCOVERY is a blood cleanser and alternative that starts the liver and stomach into vigorous action. It thus assists the body to manufacture rich red blood which feeds the heart--nerves--brain and organs of the body. The organs work smoothly like machinery running in oil. You feel clean, strong and vigorous instead of tired, weak and faint. Nowadays you can obtain Dr. Pierce's Golden Medical Discovery Tablets, as well as the liquid form from all medicine dealers, or tablets by mail, prepaid in \$1 or 50c size. Address R. V. Pierce, M. D., Buffalo, N. Y. DR. PIERCE'S GREAT 1008 PAGE ILLUSTRATED COMMON SENSE MEDICAL ADVISER WILL BE SENT FREE, CLOTH BOUND FOR 31 ONE-CENT STAMPS.
