Harrisburg Has Two Important Battles With Reading Leaders; Games Next Week

New Shamrock Shows Her Heels in Trial Spin

Special to The Telegraph Portsmouth, Eng., June 5.—Sham-ock IV, Sir Thomas Lipton's new challenger for America's cup, went out yesterday for her first sailstretching pin in the vicinity of Spit-head. She was accompanied by the Shamrock III.

The wind was light and fluky and the wind was light and fluky and inadequate to test the capabilities of the challenger. Under her huge mainsail and her sloop foresail, she maneuvered handily, however, and picked up way quickly after tacking.

headers will not be in order until the next trip to the towns where yesterday's games were scheduled.

Harrisburg to-day meets the one team necessary to defeat in order to get a stronger hold on first place. Reading leads by a small margin. The Meyers-Weitzel-Mack-Hoffman aggregation is some team. Seasoned players who were with big leagues in the South are doing good work for Reading and it is no easy task to win against the leaders on their home grounds.

McCarthy hoped to get into the game to-day. This will help some. It is also probable that Heist, who will be borrowed from Trenton, will play third for Harrisburg. If the Cockill pitchers are working, the chances are that a senatorial victory will come in at least one of the games.

On Monday and Tuesday Harrisburg will meet "Johny" Jackson and his Chicks. Two games are scheduled for York, Wednesday and Thursday. Manager George Washington Heckert is opposed to the one-day jumps that were so popular last season. The Teutons will close the week at Island Park next Friday and Saturday. As the Tri-State teams are closely bunched, unusual inerest is manifested in the games by the fans.

The towering mast of the new wacht dwarfed that of the old Sham-rock.

Sir Thomas Lipton was on board the challenger, together with Charles E. Nicholson, her designer, and William P. Burton, the amateur yeachts man, who is to command the Sham-rock IV during the cup races in American waters.

Although Shamrock IV made no atthempt at racing, she showed some fine turns of speed in a litful breeze. The mainsail of the challenger is of the challenger is of the Allenger is of the Allenger, together with Charles E. Nicholson, her designer, toget

The Forney boys were last season's champions of the grammar school meet. An error gave the Maclay school the honors.

Rain was a big factor in the national game yesterday. Three games were played, one in the American League and two in the Federal League.
