

GLASSY CHABEK CORNERS CHICKS

Joe Jolts Jimmy Jackson's Jokers Whitewashing Wilmington

Cunning Joe Chabek had his sizzling spitters working again yesterday. The Iron Man of the Harrisburg team won by a score of 8 to 0. This whitewash victory was the sixth for the veteran twirler. It should also be remembered that the Chicks did not win a game from Chabek last season. They will have to do better than two hits to do it this season.

Jimmy Jackson tried out Ralph Stickell, the Lebanon Valley College pitching star. The boy was a little nervous and lost control in the second inning. Mahaffey who took his place was pounded hard. "Rah Rah" Snavelly, another Lebanon Valley star, made his debut and was sent to center field. When Cruikshank hit out a speedy skyscraper, Snavelly made a great chase, landing the ball safely on a jump.

It was a brilliant catch. Had it got by the young man, three men as well as Cruikshank would have scored. Another feature of the game was the cunning of Jimmy Jackson. Umpire Appelgate was a real official. When Jackson used vile language and "sassed" the indicator man the Wilmington manager was ordered from the field.

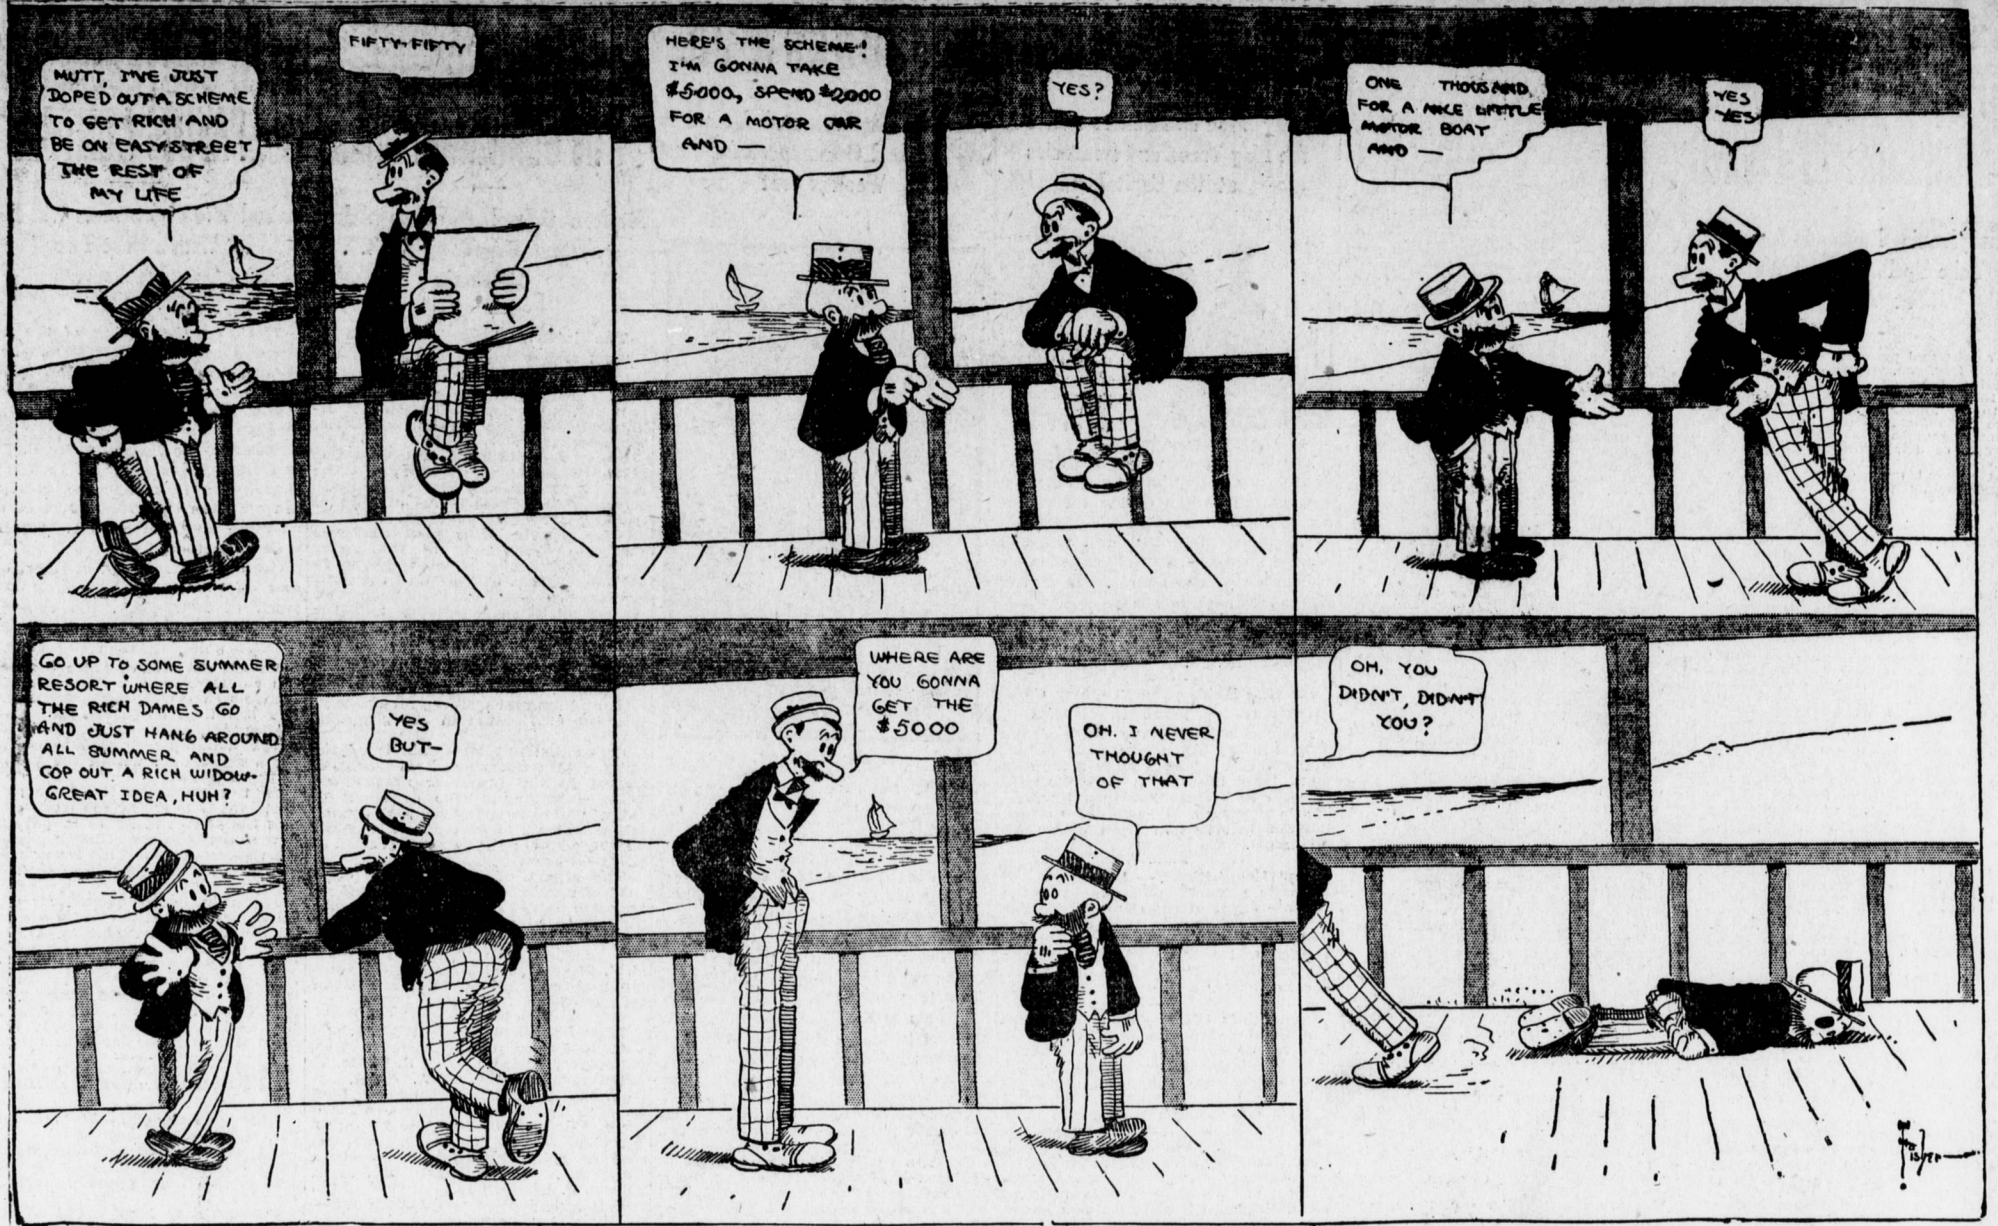

The Chicks had their two hits in one inning. Both were clean drives to center. In the third four singles, a double, stolen base by Cockill and errors by Sharpe and Jackson, gave Harrisburg six runs. Two of the hits were off Stickell. In the seventh three singles and Crist's triple added two more runs to the Senatorial score which follows:

International Jury to Judge Olympic Events

Lyons, France, June 10.—The rules committee of the International Amateur Athletic Federation yesterday adopted a suggestion originating with Franz Reichel the French delegate, that the referee at the Olympic games should be replaced by an international jury of five members. It is to be recommended to the Olympic committee at Paris.

The referee is not, however, to be abolished altogether, but the power of decision in cases of protest is to be transferred to the jury which is to be nominated by the council of the International Amateur Athletic Federation. The jury must remain on the infield during the games.

Another step tending to internationalize the Olympic games was the adoption of the American suggestion that judges should be international. The committee recommends the appointment of the world's greatest authorities in particular events to judge those events. Thus America suggested that Richard Combes of Australia, should be appointed judge of walking.

"Dick" Weaver's Boys Down the Federals

"Dick" Weaver's Post Office team smothered Longenecker's "Federals" last evening on the island grounds, score 16 to 0. Flowers, a former Post Office twirler, was on the mound for the Feds. His former teammates made fourteen hits off his delivery. Two home runs and a triple drove

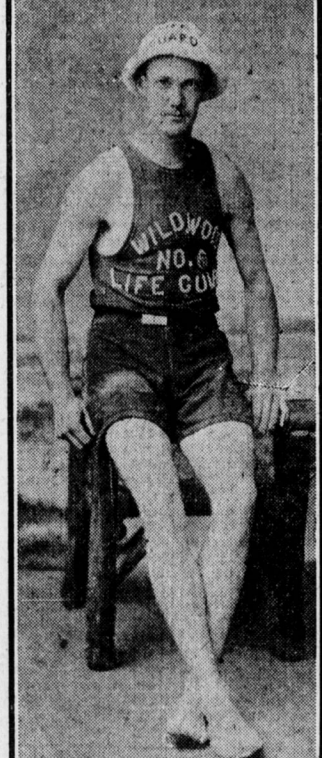

Flowers from the game in the seventh.

Davis for the Post Office allowed the Federals but two hits, one being a triple by Catcher Schang. Stutzman and Schang started for the Federals, while the whole Post Office team put up a fast game. Manager Weaver would like a good fast game for July. The score by innings:
