Silk Dresses That Are Worth From \$10 to \$18.50 at \$4.98, \$5.98 and \$6.98

Early in this week a manufacturer of silk dresses wrote us asking if we wanted their early spring samples. They had six salesmen each carrying about fifty samples. We bought just half—almost two hundred dresses. They were put on sale yesterday and before the day ended we had sold almost half. Last night we wired them to ship one more set of samples—about fifty-five dresses. They will be on sale to-morrow at

\$4.98 \$5.98 and \$6.98

The materials are silk crepes, silk poplins, pure silk messalines, black Jap silks, pussy willow, Shantung pongee and taffeta. Plenty of black—plenty of navy and Copenhagen—and all the wanted colors.

None will be sent on approval—none will be sent C. O. D.—none will be reserved on part payments—none can be exchanged.

Tomorrow, Choice of any Spring Suit for \$9.98
And that's going some, as the boy would say. There are suits among them from Schwartz's that were \$30.00, \$32.50 and \$35.00. And lots of suits that were \$25.00—and not one in the whole lot that was less than \$20.00, and only a few of those. For an extra suit—or a suit to finish out the season this is an opportunity that will appeal to thrifty women. And no old styles—all spic and span and up-to-date. Black, navy—and all the popular fancy colors.
