RAILROAD NEWS

BROTHERHOODS WILL PAY TRIBUTE TO DEAD

Special Services Will Be Held in Augsburg Lutheran Church Sunday Evening

Memorial service of all the railroad transportation brotherhoods in Harrisburg in remembrance of brothers who have died during the year will take place in Augsburg Lutheran Church at Fifth and Muench streets next Sunday at 7.30, and the Rev. A. M. Stammers will preach an appropriate sermon.

An anthem by the choir will be followed by the invocation, "Gloria Patria," a hymn and the Scripture lesson. The Rev. Mr. Stammers' sermon will follow. A poem especially written for the occasion by N. A. Cruz, entitled "Our Heroes," will be read by the author. Singing of an ode, "Graciously Father," and benediction will close the services.

The general committee in charge of the services includes: From B. of L. E., W. L. Green, E. A. Nessinger, G. M. Stoner, H. F. Huber; E. of W. L. E., 705, George E. Keeter, W. E. L. Harm, H. E. Teaching Foreigners by Mail

To improve the condition and raise the efficiency of its Italian employees, which number 11,000, the Pennsylvania Railroad has established an English-Italian educational correspondence course, the primary object of which is instruction in the English language. Two thousand men have enrolled in the course. Italians have become an extremely important labor element on the Pennsylvania system in recent years. They now constitute about 8 per cent of the total employees. Twenty years ago they were few. The Italians have proved versatile workers, and while the great majority are still classed as simple laborers, not a few have risen to the skilled positions.

Steel Cars on Increase

The Pennsylvania Railroad yesterday made public figures showing that at the opening of the present year it had 2,554 all-steel passenger cars in service on the system, with 375 others in process of construction. These figures, which exclude sleeping and parlor cars, make the Pennsylvania the owner of more than one-third of all the steel passenger equipment in use in the United States. Of steel sleeping and parlor cars the Pennsylvania system operates 750, which, again, is more than one-third of the total number in use in the country.

LOWER DAUPHIN GETS TROLLEY LINE

Public Service Commission Approves of the Application For the New Company

The petition of the Ephrata and Lebanon Traction Company for the approval of its incorporation, and the petition of the Elizabethtown and Deodote Street Railway Company for the approval of an amendment to its charter, allowing it to make an extension and change in its route in Elizabethtown and Mt. Joy in order to avoid certain grades and curves, were approved by the Public Service Commission today.

The petition of the Elizabethtown and Deodote Company for the approval of five grade crossings over highways, three of which are located in Conewago township, Dauphin county, and the petition of the Deodote and Hershey Street Railway for permission to construct five grade crossings over highways, all of which are in Dauphin county, were considered by the commission, but no action will be taken until the commission's engineering investigation of the routes to be traversed.

HOISTING SAFETY RULES DISCUSSED

Committee Goes Over the Proposed Standardization of Precaution at Capitol

FINAL TELEPHONE HEARING

President Bethel on the Witness Stand a Good Part of the Day—Capitol News

Representatives of various hoisting machinery concerns and plants having cranes and other devices held their meeting to arrange for standards of safety in establishments having such apparatus at the Department of Labor and Industry today and discussed suggestions. A further meeting will be held at which the details will be come over and the report sent to the State Industrial Board.

Another meeting is to be held shortly by the committee in charge of drafting of rules and regulations for safeguarding electrical machinery. A large number of suggestions were made at the meeting and they will be digested. Owing to wide-spread effect of the rules it is probable that this committee will not report its recommendations for some weeks to come.

The foundry practice, theater and other committees will meet later in the month at the department.

Dr. Montgomery—State Librarian

Thomas Lynch Montgomery was yesterday made a doctor of literature by Muhlenberg College.

Act Enforced

The State private bank board has secured the conviction of the City of Harrisburg with bonds in the amount of \$10,000 required by the private bank act.

SENATORS PROTEST AGAINST BRYAN GIFT TO COLUMBIA

Washington, June 18.—The Columbia treaty, the latest surrender by this administration which, in an effort to please the public, Theodore Roosevelt and make the public believe the nation's course in Panama has heretofore been dishonorable, proposes to expend \$25,000,000 of the Senate's money, is now before the Senate.

It was presented to the foreign relations committee by Secretary of State Bryan, who made a statement urging that it be favorably reported by the committee and ratified by the Senate.

The proceedings were secret, but enough has been learned to show that Mr. Bryan encountered decided opposition among the committee members. He was subjected to an examination which indicated no friendship for his extrajurisdictional proposal.

It is asserted by members of the Senate, according to the information collected by Senators, that \$10,000,000 of the \$25,000,000 it is proposed to pay to go to attorneys who have made the fight for this big sum.

Some of these attorneys are friends of Secretary Bryan.

One of them is Hannis Taylor, who has high standing as an authority upon international law, and political standing chiefly as a personal friend of the Secretary of State.

NATURALISTS OUTING SATURDAY

The second summer outing of the Natural History Society will take place Saturday. This one will be a half-day excursion, such as are to be held throughout the summer. The trip will be to New Cumberland. The party will leave Market Square on the 1.15 car.

STEELTON MIDDLETOWN CAR WORKS TO ENLARGE

Contemplated Expenditure of Possibly a Million Includes Improvements

Details of plans to greatly enlarge the plant of the Middletown Car Company at Middletown and to extensively improve several parts of the present plant, will be made public within a few weeks, declared officials of the company this morning.

Recently the company has secured title to several large plots of ground adjoining its big plant at Middletown. Among some of the new shops to be built will be blacksmith shop, a machine shop and paint shop. The improvements may cost nearly a million. "Whether we start next week or not depends upon the conditions about the works," said an official.

An order effective to-day places the plant in the plant of the Middletown Furniture company on full time, ten hours a day, instead of nine as for several months past. The last biennial Middletown stove works has not been so prosperous and has issued orders for an indefinite suspension. This order will be blacksmith shop, a machine shop and paint shop. The improvements may cost nearly a million. "Whether we start next week or not depends upon the conditions about the works," said an official.

Endeavors to Meet at Lykens Next Year

The biennial United Brethren Christian Endeavor convention in session at Oberlin since Tuesday ended this afternoon. The annual convention and hereafter it will be held every year. It will meet in 1915 in Lykens.

The convention passed a resolution which pledged to continue its attacks against the liquor traffic in which it "hailed with delight" the nation-wide tide of opinion which will result in driving out the saloon within a few years.

More Than 1500 Attend Picnic at Mt. Gretna

More than 1,500 persons are attending the annual picnic of the Steelton Sunday schools at Mount Gretna today. Promptly at 7.45 the two special trains, twenty-four cars in all, pulled out from the Pennsylvania station for the park. The town was left nearly deserted. Many business places are closed and there are many absences at the big steel works. A program of athletic sports and other events was run off at the park. The picnickers will return to the borough this evening, leaving the park at 7.45.

FINED FOR CRUELTY

Charged with cruelty to animals, S. A. Barley, manager of the Steelton Transfer Company, was fined \$10 and ordered to pay costs of \$5. A program of athletic sports and other events was run off at the park. The picnickers will return to the borough this evening, leaving the park at 7.45.

GRADUATES FROM STATE

S. Nissley Whitman of 249 Lincoln street is a member of the class graduating at State College with honors in the civil engineering course. He will become an instructor at State.

MIDDLETOWN NOTES

Paint Council Chamber.—The Middletown Council Chamber has been given a fresh coat of paint and has been newly papered.

Gold Medal Reception.—A "dolls' reception" will be held by the Junior Epworth League, of the Methodist Church, this evening. A silver collection will be lifted.

To Deliver Address.—The Rev. Dr. H. E. Penzler, of the Church of God, will deliver an address at the Pleasant View Church of God, Sunday afternoon, June 21, 9 o'clock.

On Motor Tour.—Postmaster John A. Kramer, E. L. Shireman, C. Z. Moore, and others, left yesterday for a five day motor trip to Mauch Chunk, Wilkes-Barre, Scranton, Pocono Mountains, Delaware Water Gap, Philadelphia and Willow Grove.

Steelton Snap Shot

Many Attend Concert.—The first open-air concert of the season given by the Steelton band last evening was attended by a large crowd. Dionisio Zala, the director, presented a varied program of classic and popular music.

Charges Wife-Beating.—Charged with beating his 19-year-old wife Mary, Misko Zinic was arraigned before Squire Gardner last evening. The charges were preferred by Jaga Terdinic, the girl's mother, who asserted that her son-in-law took a broomstick and severely beat his wife. Zinic was held under bail for his appearance in court.

Lawsuit Over Wedding.—Charged with stealing the collection which is taken at the foreign weddings, Frank Capin was arraigned before Squire Gardner last evening. His son-in-law, Jura Pozaric, preferred the charge. Jura says his father-in-law stole ever \$100 which had been placed upon a plate in one of the rooms during the wedding ceremony. Squire Gardner discharged the case after the daughter testified that she had presented the coin to her father.

Police in New Borough.—Chief of Police H. P. Longaker has completed the annual count of the taxable poles in the borough. He found there are 1,775 poles used for various purposes. At 25 cents per pole that means the borough will receive just \$443.75.

Tender handed stroke a nettle, and it stings you for your pains; Grasp it like a man of mettle, and it soft as silk remains.—Aaron Hill

Beautiful Homes Just Completed

When C. L. Long completed a number of homes of the semi-bungalow type, at Green and Woodbine streets, last year, he gave to Harrisburg a new and distinctive type of dwelling that met with instant favor on the part of the local public. The sale of the entire group was a matter of but a few months. Immediately building operations were started on six more homes of the same type on Woodbine street, and although completed only a few weeks ago, two of them have already been sold and are occupied.

The remaining four houses are now being offered for sale at reasonable prices and on attractive terms. Not only are these homes distinctive in general outline, an idea of which can be gathered from the illustration, but in their construction, complete in detail, and excellent finish, as well.

The walls are of substantial brick and stucco construction. The interior is laid out in spacious, well-lighted rooms, consisting of large reception hall, open stairway, dining room, parlor and kitchen on the first floor, with four bedrooms and tiled bath on the second floor. Hardwood floors, open fireplaces, artistic combination gas and electric fixtures, beautiful papered walls, excellent wood finish, and art glass are employed in beautifying the interior, while steam heat, laundry and toilet in cellar, spacious closets, built in linen closets and the best type of kitchen ranges, are among the many modern conveniences which they possess.

Individual porches with grass plots and yards provide an opportunity for exterior as well as interior enjoyment. The homes are located at the corner of Green and Woodbine streets, one of the most desirable residence sections in Harrisburg, and every day the sample house, is the mecca for many who are loud spoken in their praise of the thoroughness with which modern substantially, convenience and beauty have been carried out.

A visit to the sample house, which is always open for inspection is indeed worth anyone's time, if only to become acquainted with the completeness of these houses, which have set a new mark in home building in Harrisburg.—Advertisement.

MOUNTAIN HOUSE RELICENSED TODAY

Hostelry Burned Down Before License Court to Do Business Again

Following a hearing this morning before Additional Judge S. J. McCarroll, H. E. McLaughlin, Jackson township, was granted a license for the Mountain House, one of the well-known hostelrys on the pike on the mountain side in Jackson township.

McLaughlin's hotel has been a regularly licensed hostelry for some years and the usual application for re-licensing had been made for the 1914 license at February license court.

Just a few days before the hearing, however, the hotel mysteriously burned down. While Mr. McLaughlin declares he doesn't believe firebugs were responsible, he has never been able to solve the mystery.

In the meantime the hearing for an application had to be postponed until the structure could be rebuilt. This has been done and an up-to-date commodious building, well equipped, including the bar that stood for years in the old Russ hotel at the station entrance by the way, purchased by Mr. McLaughlin, replaces the old hotel.

County Commissioners.—Dauphin county's board of commissioners began special sessions to-day to consider the county tax exoneration lists. These special meetings will be continued until the lists are completed.

No Word From Boschelli.—Sheriff H. C. Wells has not yet received word from Chicago relative to the missing Angela Boschelli, who is wanted on charges of conducting a disorderly house at the "Rosegarden" and for forging a \$400 note on his bondsman, M. P. Johnson. Boschelli was last heard of as ill in the Windy City.

To Appeal License.—Following a brief hearing this morning before Alderman Caveny the city license tax appeal case raised by W. H. Bushnell, an insurance representative, was appealed in such a way as to bring the question of law before the courts. A date for argument will be arranged in the near future. Bushnell contends the act of 1911 doesn't permit the licensing of insurance agents; the city contends the act of 1913 requires this.

At the Register's Office.—Letters of administration on the estate of William Reese, formerly of Pennock, were issued to-day to Sarah Reese.

On Motor Tour.—Postmaster John A. Kramer, E. L. Shireman, C. Z. Moore, and others, left yesterday for a five day motor trip to Mauch Chunk, Wilkes-Barre, Scranton, Pocono Mountains, Delaware Water Gap, Philadelphia and Willow Grove.
