TEMPER AND PRIDE BY DOROTHY DIX

Good Time Now

The Skin is Working Hard to Cleanse the Body

Take Full Advantage of This

When you perspire freely see that your ood is assisted by S. S. S. the famous

blood is assisted by S. S. S. the famous blood purifier.

The action of S. S. S. in its rush to the surface of the body causes the process of nutrition to so prepare all those impurities in the blood that they are easily expelled. And as fast as they are removed new materials from a purified blood stream are supplied to make a clear, smooth, outer skin of fine texture.

It is in the summer time, by the aid of S. S. that you naturally and quickly get rid of those harmful irritants that gather to cause rheumatism, catarrh, blood risings, eczema, boils and other forms of impure blood.

In a splendidly illustrated book, "What the Mirror Tells" you will learn about the wonders of the skin and what is required to keep it healthy. But first get a bottle of S. S. S. at any drug store and then write for the book to The Swift Specific Co., 104 Swift Bldg., Atlanta, Ga. Beware of any attempt to sell you something in place of S. S. S.

Miss Fairfax

DEAR MISS FAIRFAX:

FLOUNCINGS LIKED

FOR CORSET COVERS

These Dainty and Important Garments

8278 Corset Cover, Small 34 or 36, Medium 38 or 40, Large 42 or 44 bust.

DEAR MISS FAIRFAX:

I am sixteen and am living with my stepmother. She -tells me that she hates me and wishes I would get out of her sight where she will never see me again. Would you advise me to leave home?

You are far too young to leave home. Try to win your stepmother's love. Go to her and tell her that you are just at the age where you need the advice and cympathy of a mother or older sister. Ask her is she won't stand in the place of one of these? Tell her you want to deserve her love and that if she will tell you of any offense you have ever given her you will strive to avoid that in future. If by your sweetness you can win her affections it will be a triumph of which you may be proud. If this fails, write me again. Pretty corset covers may safely be counted among the garments of which there is never a sufficient supply. This one is so simple and can be made so easily and quickly that it is an easy matter to add a generous number to the supply on hand. There is just a straight strip to which shoulder straps are attached and the lower edge can be finished with a belt, or with beading threaded with ribbon or slits can be worked through which ribbon is passed. Flouncings of lace and embroidery are well adapted to the model but any material can be cut into a straight strip and finished at the edges. In one view, net is shown with ribbon straps and the combination is an attractive one. **FRECKLES**

For the medium size, the corset cover will require 1½ yds. of material 18, ¾ yd. 36 or 44 in. wide or 1½ yds. of flouncing 14 in. wide, with 3½ yds. of ribbon.

The pattern 8278 is cut in three sizes, small 34 or 36, medium 38 or 40, large 42 or 44 inches bust measure. It will be mailed to any address by the Fashion De-partment of this paper, on receipt of tea-centa.
