4TH OF JULY PLANS COMPLETED TODAY

Military Organizations in Parade; Municipal Flagpole Big Feature

Plans for the simple but impressive ceremonies that will mark Harrisburg's Fourth of July celebration were completed today.

At 8:30 in the morning a parade will form at State street with right resting on Second. It will march down Second to Market and out Market to the highway, then countermarch and go down to the river, where (Front and Market) a flagpole and platform will have been erected.

At this point a short program will be carried out, consisting of the sounding of reveille from the bugle by Miss Irene Wagner; the flag will then be raised and at the same time signals will be wigwagged to Fort Washington, across the river, and as the flag flutters out to the breeze a salute of twenty-one mortars will boom out across the river. This will be followed by a short patriotic address by E. M. Nead.

At 7:30 the marchers will form at G. A. R. hall, 26 North Third street, and lower the flag, sing with the play taps. The Commonwealth and Municipal bands, which will take part in the parade, will then go, one to Reservoir and the other to the River Park, and play until 10:30.

Colonel Joseph B. Hutchison will be chief marshal of the parade and the Governor's Troop will act as aids.

Participating in the parade will be the Three Grand Army of the Republic posts, the Veterans of Foreign Service, Spanish-American War Veterans, Sons of Veterans, Companies D and I of the Eighth Regiment, National Guard, and Boy Scouts. The Chamber of Commerce committee having the affair in charge consists of Robert W. Hoy, A. E. Buchanan, Charles E. Covert, Royd M. Oelsby, O. P. Beckley, Carl Dean, J. H. Wallazz, J. H. Nixon, J. S. Klindinst and C. F. Hopkins. The committee co-operating with them includes Colonel Hutchison, E. B. Hoffman, commander of Post 58, G. A. R.; W. T. Bishop, commander of Post 116, G. A. R.; James M. Auler, commander of Post 529, G. A. R.; Captain Furch L. McLaughlin, Captain Jerry J. Hartman, Captain George Jack, Captain Frank E. Ziegler, Captain Ezekias Lauthenstein, Edward Mause, and Commissioners H. W. Bowman, W. L. Gorgas, William H. Lynch and M. Harvey Taylor and Mayor John K. Royal.

Rev. Long Heads Epworth League

The Rev. J. W. Long, of Dillsburg, was again elected to head the Harrisburg District of Epworth Leaguers who voted for the year's officers in the second day of the convention that is going on in the red-and-white streamer-decorated Ridge Avenue Church. The election was held as follows:

First vice-president, O. H. Clash, Harrisburg; second vice-president, A. H. Stover, Harrisburg; third vice-president, Mrs. Marie Woods, York; fourth vice-president, Ross K. Bergstresser, Harrisburg; recording secretary, Miss Mary Crane, Harrisburg (re-elected); corresponding secretary, Mrs. Jessie Spangler, Dillsburg; treasurer, the Rev. A. C. Shire, York.

Sunrise prayer and praise meeting was conducted at 6:30 this morning by T. V. Snyder, of this city, and a 45-song service by the Rev. J. D. W. Deaver, pastor of the Epworth Church; a session devoted to missions was followed by the election of officers. This afternoon the leaguers will go in groups through the Capital building. The convention will conclude to-night with a song service in charge of the Rev. J. D. Deaver, of the Epworth Church.

The session devoted to the "Awakening of the Epworth League" will be the topic discussed by the Rev. Charles E. Guthrie, of Wilkes-Barre, while the Rev. Dr. A. S. Fisk will speak of "Personal Surrender For Service."

McAdoo Wants Vaults Hunted For Income Tax

Washington, June 19.—In hunting for the \$24,000,000 "that was only dreamed" Secretary McAdoo has made his first move in his campaign against the income tax evaders.

The secretary sent a communication to Congress today recommending an amendment to the law which will give the revenue collectors broader inquisitorial power.

This is the first change to be proposed by the administration in the income tax law and it follows closely on the heels of the acknowledgment by Mr. McAdoo that the income tax on individuals will yield for the present year not much more than half the amount estimated.

The amendment is aimed chiefly at checking up in the matter of stock dividends in paying the normal tax. It is permitted to deduct such dividends because of the tax of 1 per cent. imposed on corporations.

The internal revenue men apparently feel that some deduction may not be warranted. Now they purpose to open the stock lists of all corporations subject to the tax and also to give the collectors other powers which will enable them to trace a taxpayer's securities even into a safe deposit vault.

Would-Be-Suicide Takes French Leave of Hospital

While physicians and nurses were busily engaged in another ward at the Harrisburg Hospital late yesterday afternoon, Charles F. Krebs, of 558 Woodbine street, who was admitted to the hospital yesterday morning after making his several unsuccessful attempts to commit suicide, quietly walked out of the institution. He has not been heard of since.

Shortly before 5 o'clock yesterday afternoon a doctor walked up to the bed which Krebs occupied and was surprised to find that the patient had gone.

Man Who Stole Hens Now Held For Thief of Two Dressed Hogs

Charged with felonious entry and larceny, William Green was committed to jail by Alderman Murray last evening to await the next term of court. Green is charged with breaking into the butcher shop of L. J. Stober, 2100 State street, and with stealing two dressed hogs belonging to Herbert F. Smith, 2007 Briggs street. At the hearing Green refused to plead guilty. Witnesses testified that they saw the hogs in the prisoner's possession. Green had just served a three months' term in Lebanon for stealing chickens.

WANTS STANDARD RAISED

Saratoga, N. Y., June 19.—The elimination of "fake" music teachers is the object of proposed legislation outlined today before the New York State Music Teachers' Association by John C. Freund, of New York city, who urged the need of raising the standard of the profession by requiring registration with the Secretary of State of all persons who desire to give instruction in any branch of music.

HARVARD'S MOMENT OF MORNING EVENTS

Two Minor Races Developed Into One-Sided Contest in Each Case

By Associated Press
 New London, Conn., June 19.—Harvard crews opened the annual regatta against Yale to-day in a most auspicious manner from a Crimson standpoint by winning both forenoon races from the Blue oarsmen in an impressive fashion. The Cambridge rowing scholars of Coach Jim Wray won the eight-oared event for junior crews by seven lengths and the freshman eight-oared contest by four lengths of open water. If the Harvard varsity could continue the victory through the four-mile event late this afternoon it meant another clean sweep for the Crimson crews.

The minor events developed into a one-sided contest in each race. Once the Harvard crews had gained the lead they set the pace for the full two miles and the Eli sweep swimmers never proved dangerous although they challenged gamely at the half-way mark. In each case, however, the Harvard oarsmen responded and held their lead, crossing the line in better physical condition than their rivals. The official times taken on the regatta committee boat show clearly the superiority of the Crimson crews at the finish.

Second varsity eights, two miles, Harvard, 11 minutes 43 second; Yale, 12 minutes 02 second. Freshman eights, two miles, Harvard, 11 minutes 45 second; Yale, 12 minutes 04 second.

Weather conditions were not favorable to fast times, for a drizzling rain fell and the wind and tide roughened the water.

The Harvard second eight leaves for England to-morrow to compete in the English Royal Henley regatta.

Wilson Will Be Asked to Withdraw Treaty

Special to The Telegraph
 Washington, June 19.—Opposition to the ratification of the proposed treaty with Columbia bulked so large in the Senate that a Southern Democrat, who is regarded as an Administration leader, has determined to ask President Wilson to withdraw the treaty pending an investigation by a select committee into the circumstances of the acquisition of the Panama Canal zone by the United States.

This Senator proposes that Theodore Roosevelt, William Nelson Cromwell and others who played a prominent part in the initiation of the canal project shall be called upon for information.

The phrase "deeply regrets" occurs in a communication presented to Senator Urrutia, of Columbia, by Minister Dubois on February 15, 1913. The note was written in connection with an attempt made by President Taft and Secretary of State Knox to achieve a settlement with Columbia in the last hours of their administration. In this Mr. Dubois presented certain definite suggestions for a compromise.

New York, June 19.—Major Barrett is one of the greatest players in the game to-day, and can hardly be equaled in his position. He is a very tricky player and is constantly doing the unexpected.

She Slaps Old Man, But It Wasn't an Offense

Among the small defendants in June juvenile court to-day was a 14-year-old Highspire girl whom an aged neighbor accused of slapping him in the face. She was charged with calling her a "redhead" and that her "face would stop a clock."

"Did you call her a redhead?" asked counsel for the child of C. M. Bowers, the plaintiff.

"Take off her hat and see for yourself," said Bowers.

The child has a wealth of bright red hair. She was discharged and both she and Bowers were cautioned about their future behavior.

The usual sob and smile stories were told during the day and some of the small defendants were placed in the care of Mrs. Elsie V. Middleton, of the Children's Aid Society. Mrs. Simonetti, the probation officer, or to various children's homes or corrective institutions.

Empress of Ireland Hearing Continues

By Associated Press
 Quebec, June 19.—The Empress of Ireland wreck inquiry opened to-day with explanations and apologies by C. S. Haught, of "Connell's" for the owners of the collier Storstad, which sank the Empress. He said that he had not meant to imply yesterday that the Canadian Pacific Railroad owners of the Empress, had tried to spirit witnesses away. This was the impression made by Mr. Haught yesterday when he placed on the stand James Galway, a quartermaster of the Empress, who testified that the ship's crew was defective. Galway had told him he said, that he was about to be sent to England.

Westinghouse Strikers Sign Monster Petition

By Associated Press
 Pittsburgh, Pa., June 19.—Thousands of Westinghouse strikers assembled at the Turtle Creek playgrounds to-day and signed a monster petition demanding that the day the officers of the Allegheny Congregational Industrial Union planned to present to E. M. Herr, president of the Westinghouse Electric and Manufacturing Company. The petition sets forth that the strikers stand for the demands made upon the company two weeks ago. The purpose of the petition was to convince the management that fully 100 per cent. of the working force was affiliated with the union.

Wilson Insists Trust Bills Must Be Settled

By Associated Press
 Washington, D. C., June 19.—Representative Underwood conferred with President Wilson today on the legislative situation in Congress, and told the President there was a strong sentiment in the House for early settlement. Mr. Wilson insisted that the trust bills must be disposed of at this session and the majority leader thought not only that would be done, but that the administration conservation bills would be disposed of.

Frank Hohl, the Altoona bandit fugitive, and his wife, known as Iva Ormsby, of Salem, Ohio, were in Harrisburg yesterday, believe Captain of Police Joseph P. Thompson and the department sleuths.

Information given the police department yesterday was that Hohl and his wife were on the streets dressed in khaki uniform. They had with them a bull dog.

When shown a picture of the Salem woman to-day, three different persons were positive the picture was that of the woman in khaki uniform yesterday.

U. S. IS BECOMING AN INSANE ASYLUM DECLARES SPECIALIST

There Are More Insane Than Feeble-Minded Persons in Country Than in Army

ALCOHOL SAID TO BE CAUSE

Corsets Are Responsible For Most Women's Illness Another Doctor States

By Associated Press
 Indianapolis, Ind., June 19.—Alcohol is the chief cause of insanity, according to Dr. T. D. Adlerman, a specialist in nervous and mental disease, of New York, who in addressing the National Eclectic Medical Association here yesterday declared that the United States is rapidly progressing towards the stage where it will be one large insane asylum.

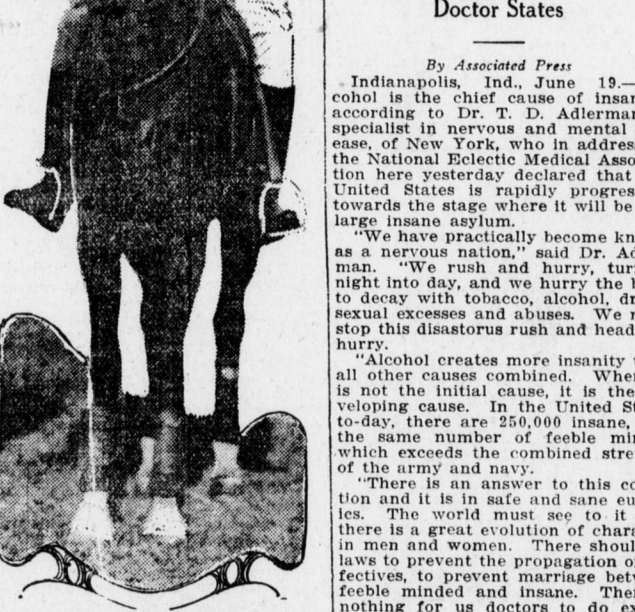

"We have practically become known as a nervous nation," said Dr. Adlerman. "We rush and hurry, turning night into day, and we hurry the body to decay with tobacco, alcohol, drugs, sexual excesses and abuses. We must stop this disastrous rush and headlong hurry."

"Alcohol creates more insanity than all other causes combined. Where it is not the initial cause, it is the developing cause. In the United States to-day, there are 250,000 insane, and the same number of feeble minded which exceeds the combined strength of the army and navy."

"There is an answer to this condition and it is in safe and sane eugenics. The world must see to it that there is a great evolution of character in men and women. There should be laws to prevent the propagation of defectives, to prevent marriage between feeble minded and insane. There is nothing for us doctors to do except to become ardent advocates of eugenics."

Dr. M. A. Carricker, of Nebraska City, denounced the corset as responsible for most women's illness. Dr. F. E. Hufnagel, of Minneapolis, said he did not see so much harm in corsets as he did in high heeled shoes.

Eighty Girls Turn Out For First Swimming Lesson

Eighty girls of various ages and sizes turned out for the first swimming lesson at the Island bathhouse yesterday afternoon. The swimming pool has been dredged and deeper water is thus afforded, and this offered the chance for some of the adult women to don a bathing suit and try the water. They liked it so well that inquiries were made as to whether it will be permissible for the grown-ups to attend. Playground instructor J. K. Staples said to-day that this will be allowed.

The hours on the island for the girls' swimming lessons are from 1 to 4 o'clock Thursdays. Next Tuesday the Seneca bathhouse will be in shape, when the girls' swimming lessons will be started there. Tuesday afternoon from 1 to 4 will be the hours.

Placing Reservoir Tennis Courts in Good Shape

Cast-iron pipe backstops and some new screening is being placed for the backstops on the Reservoir tennis courts.

Clay has been placed on the upper tier court and by a week from Saturday the court will be thoroughly rolled and ready for playing. It is expected that the open space between the two upper tier courts is to be filled in and rolled and an additional five feet of court will be added to allow plenty of space between court and backstop.

Vudor Porch Shades

Summer Pleasures without Summer Discomforts! Indoors it's sticky and moist. On the porch it's cool--when the Vudors are down.

Why not eat, sleep, live there this summer? Thousands do it. The cool air gives appetite and forces you to dreamless sleep because it bathes the nerves while you sleep. It cures them.

Vudor Porch Shades cost little. They give air but keep out glare. You can look out through Vudors but not in through them. They last--they keep "that new look," for they're stained, not painted, nor dipped.

Got Divine Inspiration That Hall Would Murder Slater

And He Received It Quite a Few Years Before That Same Colored Youth Was Born

Some years before Pascal Hall was born David L. Hoffman, a farmer living near Halifax, got divine inspiration to the effect that Pascal would slay Henry Slater but that the murderer would be mentally irresponsible at the time.

That at least is what Hoffman wrote on a post card he sent to W. J. Carter, counsel for Hall, to-day.

Hoffman is considered more or less of a religious fanatic among his neighbors. Here is the post card note to Mr. Carter:

Halifax, Pa., R. F. D. No. 1, June 18, 1914.

Dear Sir:--In 1881 I crossed the river on the ice when the ice commenced to move. It was night then and God and the Son of God came with eight of His servants and stayed the ice. And the Son of God told me about Pascal Hall killing Slater and furthermore, to tell you that Hall, is and was, demented when he killed Slater. Now if you use this evidence, then let me know.

For reference S. J. M. McCarrell, William B. Meetch and A. Fortenbaugh.

Yours very truly, DAVID L. HOFFMAN.

Pascal Hall, the young negro who is to be hanged Wednesday for the murder of Henry Slater, is only 24 years old.

Japanese Aviator Hides Behind Clouds While Constable Hunts Him

Los Angeles, Cal., June 19.—T. Kashiara, said to have been formerly an aviator in the Japanese army, hid in the clouds when Deputy Constable Myers tried to attach his biplane yesterday for a \$125 fine, according to Myers.

With the aid of a field glass Myers finally located a rapidly vanishing speck in the heavens, which he decided must be Kashiara's biplane. After waiting several hours he gave up, to try again to-day.
