

WILLIE WERTZ' WOE YESTERDAY'S STORY

Cockill's Crew Plays in Championship Form, and the White Roses Fade

BY "UMP"

"Cunning Chabek's Curves, or Willie Wertz's Woe," is the title of an interesting baseball story in nine chapters. Lacking only in romance, this tale describes a battle at Island Park yesterday. Cockill's Crusaders were winners against the White Roses, score 7 to 2.

Perry county's protegee had a team back of him that played indifferently. Oll the old-time "pep" was with Harrisburg. York hit Chabek for extra bases, but the fast and snappy fielding by the Senators left very little space where a ball could have dropped in safety more than twice in an inning, except in the sixth.

Wertz was wild, and his former teammates found plenty opportunity to make their hits count. Whalen, McCarthy, Crist and Emerson were the chief swatters for Harrisburg. Crist and Crulshank led in sensational fielding. York's line-up was the best seen this season. The only weak spot was at first, where "Pop" Foster is trying to break into the game.

York's two runs came in the sixth. Hooper placed a punt single toward third and beat it out. Bill Clay walked and Hopke singled, scoring Hooper.

Harrisburg hit the Newport boy for three singles and a double in the second. With the aid of a wild pitch three runs scored. Miller was hit on the ribs with a pitched ball. Crulshank bunted and went to first faster than the ball. Whalen singled. McCarthy sent long fly to left, Crulshank coming home ahead of the throw. With one out in the fifth, Whalen was walked. McCarthy went out at first, putting Whalen on second. Emerson singled, scoring Whalen. In the sixth, a hit by pitcher for Crist, Cockill's single and Miller's sacrifice fly added another run. The seventh came on Whalen's triple and McCarthy's single. The score:

Most everybody in Williamstown and Millersburg will be somewhere within eyeshot of the baseball diamond at Millersburg Thursday evening when the two upper county will get together for the first of the series of three games.

That the clash will be a memorable one goes without saying—in Millersburg the thrill will tell you it's a safe bet that Millersburg will easily win, all Williamstown, on the other hand, will pass you the straight tip that there's really nothing else to it, it's all over but the shoutings for Williamstown.

And both the Williamstown and Millersburg nines are busily getting ready for the fray.

Heckert Smiles and Talks; Does Not Fear the Knockers

Will Strengthen the White Roses and Hopes to Be Up in the Race Soon; Doings at Trenton

George Washington Heckert is still manager of the York team. According to Heckert's own statement he will continue to be the leader. Manager Heckert smiled yesterday when asked about the trouble in his town. He said:

"There is some trouble, but it is confined to a half dozen knockers who are trying to put the game to the bad by antagonizing me. I am ready and willing to get down and out when they pay me for my interests. Those folks with the hammers will all be on their knees before the season is much further on. I am getting a team and lack only pitchers.

"York is picking up in attendance, in spite of the reports to the contrary. The crowds will get larger. The Tri-State race is of unusual interest and when York gets up a few more games there will be a great race until the close of the season. I could place York in another good town to-morrow.

I want to show the people in my home town that they have a ball team, and that it is up to them to do the right thing."

Trenton is another town that is making a game fight to get up in the race. The announcement was made yesterday that baseball would not be permitted to lag. Businessmen are boosting the Tigers and the president, William J. Morris is doing his part to get the team in winning form.

President Morris is determined that Trenton must be up in the race and will make changes until he gets a winning combination. He has always been a thorough sportsman and has done more, perhaps, than any man in Trenton to keep Trenton on the professional baseball map. He is willing to conduct the club at a loss, but his efforts to give Trenton a winning ball club will be appreciated by all true fans who will stand by him in his efforts to place Trenton where the team belongs in the baseball world.

America's Cup Yachts Ready For 30-Mile Race

Rye, N. Y., June 23.—The three America's cup yachts—Resolute, Vanitie and Defiance—were made ready to-day for the thirty-mile race arranged by the Indian Harbor Yacht Club. All three sloops have been re-rigged and overhauled since the contests of Sandy Hook ten days ago.

Resolute appeared to-day with a double head sail and a new club top-sail, while Vanitie has a lighter boom and a new main sail. Defiance has been completely re-rigged. She had lost her bowsprit and has the appearance of an immense knockabout. Her sail area has been cut down and she will receive a time allowance from both Vanitie and Resolute.

With the change in Resolute's head rig and sail area the time allowance which she has been receiving from Vanitie has been reduced to a minute and 30 seconds over a thirty-mile course. The race to-day was twice around a triangular course of fifteen miles.

Voting For Nominees to Directorships in Reserve Banks Ends

By Associated Press

Washington, D. C., June 23.—Voting for nominees to directorships in the twelve new Federal reserve banks was concluded yesterday. The organization committee was showered with belated ballots from the various member banks and it will be several days before the committee will be able to supply lists of nominees to electors.

A statement was issued some time ago that June 22 would be the last day the committee would receive nominations. Each bank belonging to a Federal reserve bank has selected an elector through whom it will cast its vote for directors in the reserve bank for its particular district.

Y., June 23.—The discovery in a coal yard of a large number of feed bags and blocks of cement similar to those used to wrap and weight the part of a woman's trunk which was found in the Mohawk river, near here, Friday, leads the police to believe the murder was committed in the settlement of foreigners in that neighborhood.

Battleship Utah Reaches New York From Vera Cruz

By Associated Press

New York, June 23.—Officers and men of the battleship Utah, unburned by their long stay in Mexican waters, attracted much attention on the streets to-day. The Utah arrived off Staten Island last night and was prepared to tie up to-day at the New York navy yard for a three months' overhauling. Each officer and man will get a month's leave to compensate them for not having enjoyed a shore leave since the Utah left New York six months ago.

The 300 men on shore leave to-day appeared to be in the best of health and expressed pleasure at being able to escape the heat at Vera Cruz.

WOMAN TERRIBLY CUT BY MOWER

face and body this morning shortly after 11:20 o'clock, when she was caught in the blades of a mower driven by two mules while helping to cut hay on her husband's farm at Dillsburg and Mechanicsburg Junction.

Mrs. Joseph Williams is the mother of Miss Marion Williams, teacher in one of the city's open-air schools. Mrs. Williams, who was alone on the farm at the time the accident occurred, was sitting on a large mower driven by two heavy mules. Suddenly the animals became frightened by a locomotive and ran off. Mrs. Williams was thrown underneath the blades of the machine.

Her cries attracted the attention of several railroaders, who ran to her aid. The frightened animals were caught after running several hundred feet and Mrs. Williams was taken from the knives. She is now at her home in a serious condition. She will likely be brought to the Harrisburg Hospital.

Mr. Williams is a Reading Railway engineer.
