DR. DIXON GIVES A HOT WEATHER TALK

Tells What to Avoid and How to Go About the Ordinary Things of Daily Life

State Commissioner of Health Samuel G. Dixon issues a very timely warning to the public in his weekly bulletin. The doctor calls attention to the maimed and injured persons who are caused to remember the Fourth of July every year and makes a plea for a safe and sane observance.

Thousands of small boys have been practicing an unwonted thrill for days past in order that they may express their patriotism by a prodigious expenditure of their money on July 4.

The State Department of Health is also making its preparations by ordering a special supply of tetanus anti-toxin in the effort to prevent cases of lockjaw among these small boys.

There are a great many grown-ups, who, having been permitted to run the risk of blowing themselves up in their youth and not having succeeded, believe that their sons and their neighbors should be given the same glorious privilege.
