the reason that it is harder to imbue new life into a civic or commercial body than to allow to fall into decay or corrupt than it is to begin and build an organization on virgin soil, but that is past history and we are now interested in what the future holds forth. COMMERCE CHAMBER **URGES EARLY ACTION Build Up Present Industries**

Interested in what the future how interested in what the future how interested in what the future book interested in what the future is observed in the first Page] The chamber of Commerce is not in a sense a civic body, being rather de voted to the business development of harrisburg, the board of directors hat believed it proper to pass a resolution and frame an ordinance for presenta-tion to City Council looking to the vacation of the buildings in the Hafdi scrabble district, on the west side of the strabet district, on the west side of provement will be eventually made and that it can never be done say prevenent will be eventually made and that it can never be done say speedy action as is possible with dus resard to the rights of the propert owners along the thoroughfare named. Mr. Herman also said that the busin easy interests of the city proper and for hose most interested, looking to the Hill district, and urged the mem-metrs to be thinking about a proper subway will be no longer adequate for her Hill district follow: The resolution and ordinance for the Hill district follow: The Resolution Micreas, the the proper to for the individual merchants and business men who are already located here. It goes increase their number of same is quivalent to obtaining a new indus-tion so be thinking about a proper solution will arge and size of or the individual merchants and business men, both large and in surance, all add and are neces-ary to the activities of the city, they must obtain good for the individual in surance, all add and are neces-ary to the activities of the city, and insurance, all add and are neces-ary to the activities of the city, and insurance, all add and are neces-ary to the activities of the city, and insurance, all add and are neces-ary to the activities of the city, and insurance, all add and are neces-ary to the activities of the city, and insurance, all add and are neces-ary to the activities of the city, and insurance, all add and are neces-ary to the activities of the city, and i

or individual that we wished empha-sized. For instance one of the most impor-tant in any business is sales. Without sales we have no distribution prob-lems, we have no accounting prob-lems. First of all then comes sales, for old Uncle Rastus says. The most important thing about cooking a rab-bit is to get the rabbit.' It may be of interest to members to have brought out here topics that could be taken up that would interest any con-siderable number of the members of this chamber. You may say, 'what's the use of coming to the meetings, I can get that all out of the Business Men's Magazine?' 'What's the use of going to church, I can get that all out of the Bible?''

going to church, I can get that all out of the Bible?"" Topics Suggested Mr. Herman suggested these topics: Sales—"Modern Sales Analysis"; "How to Compensate the Salesmen, Salary, Commission"; "The Value of Friendly Contest in Your Sales Or-ganization"; "Blue Printing Your Market." Advertising—"How to Determine the Essentials of Good Copy"; "The Advertising Department—How It Af-fects the Firm's Good Will"; "An Ad-vertising Campaign Through the De-livery Department"; "Efficiency in the Mailing List." Charles W. Burtnett, Boyd M. Ogelsby, and William S. Essick, presi-dent of the Harrisburg Rotary Club, spoke in favor of the proposed lec-ture course.

ure course. The Chamber decided on a summer

chamber in particular. "In approaching a subject of this kind it seems but right and proper

city. Harrisburg's delegates were active that is seems but right and proper that a word or two be given to the performances of the past six months. We feel that we have been making progress along the lines laid down in the movement to have a bill drafted to present to the next Legislature for tirement fund. The officers elected were:

progress along the lines laid down in a very satisfactory manner. The mem-bership has been increased, not as much as your officers would like to see it increased, but to a fairly satis-factory way. Refer to your printed history or resume of the past six months will show that our member-ship has been increased twenty-six. In doing so part of the efforts of the officers have been directed along the lines of organization and in fact no

Uncers have been directed along the lines of organization and in fact no little time less been devoted to this particular feature of our work. We feel that in galvanizing into life the commercial life of Harrisburg in the slight task has been performed for ket Square.—Advertisement.

were:

By Associated Press Washington, D. C., July 2.—There was great elation in Democratic circles here to-day over the fact that the Wilson administration closed the fiscal year Tuesday with its income exceed-ing ordinary expenses by \$33.84,452.07. The figures as annonuced by the Treas-ury Department showed that the total receipts for the year aggregated \$734,343,700.20, while total disburse-ments were \$700,559,248.13. The to-tal receipts were a million and a half more than Secretary McAdoo's original estimates.

By Associated Press

more than Secretary McAdoo's original estimates. The Treasury surplus this year, how-ever, will be turned into a deficit of \$1,010,058.81 when payments for the Panama canal aggregating \$34,826,941 during the past twelve months have been charged against the general fund of the Treasury. Secretary McAdoo to-day was highly gratified over the showing under the new tariff and income tax law and predicted that still better results would be accomplished during the next fiscal

predicted that still better results would be accomplished during the next facal year. President Wilson, Representa-tive Underwood and Senator Simmons, who framed the tariff law, were in-formed of the showing in congratu-latory messages to them by the Secre-tary.

B. R. T. Outing, Baseball **Game and Band Concert** on Fourth of July The Brotherhood of Railroad Train-

The Brotherhood of Railroad Train-men will have a picnic and outing at Hoffman's Woods on July 4 that will be largely attended by railroad peo-ple from all parts of the city. The Brotherhood band will render its first open air concert and at 2 o'clock in the afttrnoon the B. R. T. baseball team will meet the strong Marysville nine on the Division street grounds. Much interest is manifested in the President, Miss Margaret Sullivan President, Miss Margaret Sullivan, Harrisburg; first vice-president, J. P. Hall, South Bethlehem; second vice-president, Miss Lucy Glass, Jeannette; treasurer, James Lewis, Shenandoah; corresponding secretary. Miss Jean Crosby, Wilkinsburg; recording sec-retary, Miss Olive Church, Erie.

grounds. Much interest is manifested in the band, which has been under competent direction for some months and is said to have developed into one of the best in the city. YOU CAN ET A VICTROLA FOR THE FOURTH

home in Hempsted, five miles from Freeport. The investigation also de-veloped that Dr. Carman's wife had for weeks listened to his conversations with women patients by means of a dictagraph. Mrs. Carman readily ad-mitted having had the instrument in-stalled because, she said, she felt she had a right to know what her husband was talking about with women visitors. "And everything I heard over the dictagraph comforted me," she said. "I became convinced of the doctor's devity to me."
